Value DEMONSTRATION Week
Important Announcement!
This is to announce to the Buying Public that on and after the first day of July we are going to do a strictly cash business. The reason of our taking this step is that in the semi-credit system we have followed heretofore, we have had to charge too much for our goods; while by buying for cash and selling for cash we shall be able to save our customers a decent percentage on their purchases, since we ourselves can buy at lower prices.
We ask you to watch for our weekly "ad" in the papers, or, better still, come into our store and see for yourselves our line of goods and the prices marked on the tags attached to each article.
