
RECORD CALF BORN AT COVEHEAD?

This 180-pound calf was dropped in the Black River Farm barn at Covehead recently by a Brown Swiss cow. Calves that run 100 to 125 pounds are unusually large but this monster sets a record so far as could be learned from any cattleman here last night. Farm Manager Ronald Dolloff said he has never heard of anything approaching that size even in a Brown Swiss herd. Mature females run to 1600 pounds or more but this calf's dam weights around 1300 pounds, Mr. Dolloff estimates.

Hospital Boards Presented Gifts

The boards of governors of Riverside and Hillsborough General Hospital Thursday acnowledged receipts of sets of the Encyclopaedia Britannica for Riverside Hospital and Sherwood Hospital - School.

These were two of five sets presented by The Guardian and The Evening Patriot through their executive editor, Burt on Lewis.

The chairman of the boards, Dr. Hubert McNeill, commented that these gifts show the importance of having the right person in the right place at the right time, and of having a personality such as Burton Lewis, who is well known across Canada, as executive editor of the local papers.

Dr. McNeill stated that the other three sets were given to the Rehabilitation Centre, the Provincial Sanatorium — both of which are under his department —and the Cerebral Palsy Association School of Charlottetown which, though not directly under government, is closely associated with the department of health.

These gifts were gratefully received and appreciation was expressed by all members of the Boards. They were made available to the newspapers for presentation by Encyclopaedia Britannica of Canada Ltd., Toronto.

A motion of a vote of thanks to Mr. Lewis and The Guardian and The Patriot was moved and carried at last evening's meeting of the boards of governors.

DAILY CRYPTOQUOTE — Here's how to work it:

A X Y D L B A A X R
is L O N G F E L L O W

One letter simply stands for another. In this sample A is used for the three L's, X for the two O's, etc. Single letters, apostrophies, the length and formation of the words are all hints. Each day the code letters are different.

Brother! Am I glad I bought Investors Mutual

Since 1950, this man's investment in Investors Mutual has more than tripled in value. That's why he's so happy. Now Investors does not wish to imply that *you* can make a fortune overnight. But the fact remains — a lot of people have made a lot of money through Investors Mutual. Why don't you start this simple, modern way to invest in Canada's leading industries? You can do so with a deposit of $500 or as little as $15 a month. Shouldn't you see the Man from Investors today?
