INTERNATIONAL WORK, STUDY AND TRAVEL

Now that we are back in school, it is time to start planning for the summer and fall. Here are a few suggestions to help make 1993 your best year ever.

Student Exchange Programs

For all frosh and sophomores out there who attained an average of at least 70% last semester, a student exchange program may be the chance you have been waiting for. We have agreements with Dundee University in Scotland, Deakin University in Australia, Muskingum College in Ohio and Eastern New Mexico University in (you guessed it) New Mexico. We currently have an agreement with the University of South Florida, but it has yet to be confirmed for next year. If you earned a 70% average last semester, you are eligible to complete your second or third year at one of the above institutions.

Worried about cost? Student exchanges are actually very reasonably priced. An exchange student pays regular UPEI fees for tuition and similar fees for residence. The only major extra cost is transportation. Not a bad deal, eh?

The deadline for applications is FRIDAY, FEBRUARY 19. Time is running out; get your application at Student Services now.

Sojourns

Sojourns is a new computer program offered through Student Services containing over 2500 International work and study opportunities. With so many to choose from I'm sure that you will find something of interest to you. Some examples of programs listed are volunteer work in South America, language programs in Italy, MBA programs in Europe, work in Irish youth hostels, internships in London and many more. So if you are looking for an interesting way to spend your summer, fall, or the next five years of your life, Sojourns might be your answer.

For more information concerning Exchange Programs or access to Sojourns, drop into Student Services Monday or Wednesday between

8:30 and 1:30 to see me. Don't miss your chance at some excellent opportunities.

EVERYONE WELCOME!

Information on Summer Employment Opportunities

Information on various summer jobs available for this coming summer is available on a bulletin board in the Robertson Library. The bulletin board is maintained through the VP External of the Student Union.

The board is in response to the lack of employment services on campus that resulted from the Federal Government's closure of the Canada Employment Centre on Campus despite vocal opposition from the UPEI Student Union Council, the Canadian Federation of Students, and university administrators and the fact that it was being widely used by students. While larger universities have been able to fund their own employment services, the UPEI administration has not yet committed itself to funding a replacement service.

It is hoped that individual departments will be able to fill the gap left by the closure of the Canada Employment Centre on Campus in respect to career planning. The UPEI Student Union Executive is also planning to maintain an identical bulletin board in the Barn.

SAFEWALK UPDATE

Safewalk is now up and running! Shifts run: Sunday from 6:30 - 10:30 pm Monday to Thursday from 6:30 - 11:30 pm

To access the service, simply call 566-0300 from any building on campus. The Safewalk patroller will be happy to escort you anywhere on campus.

STUDENT UNION INFORMATION DESK

The Student Union Info Desk, found in the luxurious, centrally located "Pit" will be reopened this semester. Student Councillors will be available at various times throughout each week to answer any questions you may have. Please feel free to drop by and chat. Councillors will answer questions, take suggestions, complaints, and ideas. Have a coffee and get to know your Council!
