## Action Due On XB-70 Pictures

WASHINGTON (AP) — The U.S. Air Force said here it is taking disciplinary action against four officials involved in the approval of a commercial picture-taking mission by the \$600,000,000 XB-70 research plane which crashed in California June 8.

Air Force Secretary Harold Brown said if instructions had been followed, the picture-taking phase of the flight would not have been authorized.

He said Col Albert W. Cate has been relieved as deputy for systems tests in the XB-70 program and assigned to other duties.

Written reprimands will be given Col Joe Cotton, test force director; Col James G. Smith, information director for the air force flight test centre at Edwards Air Force Base, Calif.; and John S. McCollom, director of research vehicles in the air force systems command at Wright-Patterson Air Force Base, Ohio.

The XB-70 and a F104 came to grief while in a flight formation.

The photos of the formation, for General Electric, were being made from a jet, which flew a few hundred feet to the left of the XB-70.

The accident killed Joseph S. Walker, holder of the world's altitude and speed records, who was piloting the F-104; and Maj. Carl S. Cross, co-pilot of the XB-70.

## Canada Planning Dieppe Events

OTTAWA (CP) — Canada will participate in 1967 ceremonies marking the 25th anniversary of the Dieppe raid of Aug. 19, 1942, the veterans affairs department has announced.

The Second World War raid on the French section of Hitler's feared Atlantic wall, almost two years before D-Day, was executed by Canadian soldiers supported by British commandos.

Of the 4,961 officers and men of the 4th and 6th Brigades, 2nd Canadian Division, taking part in the raid, 697 were killed in action. They are buried head-to-head — in German military fashion — at the Canadian War Cemetery just outside Dieppe.

By noon Aug. 19, nine hours after the start of the frontal attack on Dieppe and the surrounding villages of Berneval, Duit, Pourville and Varenville, 3,269 Canadians had either been killed, wounded or taken prisoner.

Last year, Canadians officially took part in Dieppe anniversary ceremonies in 1962, marking the raid's 20th anniversary.

## Toronto Faces Building Slump

TORONTO (CP) — Jack Key, president of the Toronto Real Estate Board, said the Metropolitan Toronto economy is threatened by a house-building slump.

In a statement, he said a critical shortage of new housing for middle-income families is retarding industrial growth.

Mr. Key was commenting on a survey released by the 4,000-member board which shows a decline in the total value of building permits issued from \$39,590,608 in July, 1965, to \$38,073,066 in July of this year.

The survey also shows a decline in 1,153 to 2,067 in the number of building permits issued in July, 1965, and July, 1966.

"This is the lowest level of house building in Metro in 13 years," said Mr. Key.
