Polish Lines To Sail Lakes

TORONTO (CP) - Polish Ocean Lines of Gdynia will inaugurate Great Lakes - Poland service in 1968. Edmund Strenk, POL general representative for Canada, said here.

Mr. Strenk said three 17-knot vessels for the run are being built in shipyards at Gdynia. The 7,500-ton cargo-passenger liners will form part of a projected eight-vessel fleet for the service, he said.

The line now operates cargo-passenger service between Gdynia and New York and Central and South American ports.
