Two Million Ford V-8's

WINDSOR — Ford of Canada's two-millionth V-8 engine came off the motor line in Windsor September 12, a significant milestone in the company's Canadian manufacturing leadership.

Painted in gold, with silver trim, the motor bore a silver plate marking it as the 2,000,000th unit. Ford of Canada introduced the V-8 engine in May of 1932, beginning what is now an industry-wide trend.

Mr. W. F. Tyson, manager of the engine plant, joined with plant employees in observing the completion of the unit and pointed to the popularity of the Ford V-8 as public affirmation of its faith in the company's engineering leadership.

HISTORIC MINE

The first permanent gold camp in northern Ontario was established at Porcupine in 1912.

VILLAGE OF SPRING PARK

NOTICE TO RESIDENTS

Residents of the Village of Spring Park whose taxes are in arrears are advised that between the 1st and 31st of October 1955, a list of the defaulting ratepayers, with their addresses and amounts of taxes due will be published once each week for three weeks in this newspaper, and further that within two weeks of the last publication the village clerk will apply fo the Magistrate for the County of Queens for judgment against each property or person listed for the amount then owing with costs as provided in section 45(4) of the Village Service Act.
