FASHIONABLE WEDDING AT BATHURST.

A Bathurst despatch of the 15th says: At the Roman Catholic Church, Bathurst, at 4.30 o'clock Wednesday afternoon, a very fashionable and interesting marriage took place. The bride was Miss Lizzie Helen Mullins, daughter of John Mullins, Esq., now manager of Adams, Burns & Co's. lumber mill at Burnsville and late manager for K. F. Burns & Co., and the St. Lawrence Lumber Company, Ltd., at that place—and Mr. Leonard High Macdonald, agent of the People's Bank of Halifax at Port Hood, C. B., son of Hon. Senator Macdonald, formerly Lieutenant-Governor of Prince Edward Island. The bride looked charming and was attended in a near travelling suit. The bridesmaids were Miss Susie J. Mullins and Miss Bella L. Mullins, respectively sister and cousin of the bride, while the groom was ably supported by his brother, Eneas Macdonald, Esq., barrister-at-law, of Charlottetown. The popularity of the bride prompted the young ladies of the town to suitably decorate the church, and if the process of the very large number of friends who attended the marriage means anything they performed that duty admirably, as the decorations were all that could be desired.

UPPER METHODIST CHURCH.

The Rev. A. W. Nicholson, of Nova Scotia, preached in the Upper Methodist Church at both services yesterday, and those who braved the unpleasant weather were well repaid. The morning sermon was a model of grand and practical preaching, such as ever reaches the heart and instructs the minds of the list'ners. While he dealt with "the connection between Getsemane and Calvary," and drew the lessons which this fact in the life of Christ was calculated to teach, each one present was enlisted to the closest attention. Few men are capable of such graphic description as the rev. gentleman, and all left the church using the scriptural phrase—"it was good for us to be there."

FIELD DAY AT ST. DUNSTON'S

On Saturday last the St. Dunstan's boys held their annual Field Day. A bright and clear morning ushered in a day most favorable for athletic sports. However, the track recently constructed on the College grounds was not in good condition for fast racing, consequently no record breaking was indulged in. Nevertheless the youthful but ardent contestants need not be ashamed of the time made in the several events. A new but very pleasant and interesting feature of the day's sport at St. Dunstan's was the bicycle races. The greatest enthusiasm prevailed throughout the day and the hopeful competitors were in no small degree encouraged and spurred on in their laudable efforts for honors by the presence of kind friends and sympathizers from the city who thus manifested their interest in the college and its sports.
