

Residence Life needs your

GREAT IDEAS

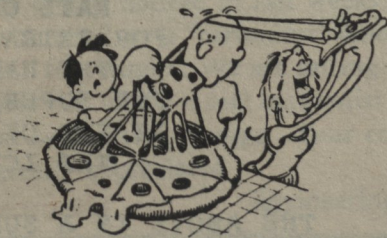

This 1990-91 school year the UPEI Residence Life Committee challenges all resident students on campus to participate in our events. Each time someone from your floor (Bernardine Hall 1st, 2nd, 3rd, or 4th), wing (Blanchard Hall 1A, 1C, 1D, & 2D, 2A&2B, 2C&3C, or 3A&3B), or building (Marian Hall) participates in a Residence Life Committee Event they will receive a participation point (which will be adjusted according to how many people live on or in your floor, wing, or building). At the end of the school year the floor, wing, or building with the most points will win Residence Life t-shirts and a pizza party for all those people on or in your floor, wing, or building who participated in Residence Life events.

To start off the point earning, we are offering 10 points and a neat prize (it's a surprize) to any resident who can create a catchy slogan to promote our participation point system. Our committee will judge all entries at our next meeting on Monday, October 15. All submissions should go to the Co-ordinator of Residence Programs office in Marian Hall or to Student Services in the Robertson Library.
