ATTENTION.—A correspondent writes: A fresh sub-editor for the Patriot is wanted without delay—sharp. If the present sub-editor of the Patriot, in the absence of his worthy chief, cannot get off an "On dit" less snip than his latest on the pie social at York, he should be looked after by his friends. This sparkling light of the nineteenth century would scarcely know the long tailed quadruped in question, and might like his chum look among a bunch of ferns and find a "toad."

SPECIAL DISPATCHES TO THE EXAMINER.

GRIT TREASON

Further Revelations

In the Farrar Conspiracy Case.

Other Prominent Grits Inculped.

THE ODDFELLOWS ALARMED

OTTAWA, Feb. 21

Further revelations in the Farrar conspiracy case inculped Prof. or Goldwin Smith, Alderman Hallam, of Toronto, and other prominent Grits.

The Oddfellows have become alarmed at the annexation conspiracy and are rallying to Sir John's support in grand style. The Liberal-Conservative Chieftain is one of the oldest members of the Order in Canada.

BLAKE'S RETIREMENT

Unrestricted Reciprocity the Cause.

Doesn't Want Direct Taxation!

OTTAWA, Feb. 21.

The grits still refuse to publish Mr. Blake's letter of retirement, but one important paragraph has been made public. Here it is:

"I am opposed to Unrestricted Reciprocity, as it will surely lead to one thing, and that is Direct Taxation, which neither myself nor the people will submit to or endure."

THE LIBERAL REVOLT.

Big Meeting in St. John.

Unrestricted Reciprocity Condemned.

ST. JOHN, Feb. 21.

The Liberal meeting in the Institute last night was one of the largest gatherings held in this city for many years.

Immense excitement followed the speeches of Chairman Potts and the three County members, Stockton, Alward and McKeown, all of whom spoke strongly against the Grit policy of Unrestricted Reciprocity, and called on the electors to support Sir John.

All the speakers were cheered to the echo.

So grows the Liberal revolt in New Brunswick!

A Cruel Revenge.

OTTAWA, Feb. 21.

It is reported that Hon. Edward Blake has become quite deranged, and will never again be fitted for public life. The report was probably started by the grits for the purpose of reducing the importance of Mr. Blake's repudiation of unrestricted reciprocity. It is a cruel revenge.

Doesn't Know the Facts.

OTTAWA, Feb. 21.

The Free Press of last evening contradicts the report of James Yeo's dejection, and says he is loyally supporting his brother.

[The Free Press doesn't know the facts.]

Gone to Kingston.

TORONTO, Feb. 21.

Sir John A. Macdonald has gone to Kingston, where he will remain until nomination day.

Farmers, Read This!

STUDY THESE TWO COLUMNS CAREFULLY AND NOTE THE RESULTS.

The total exports of Canadian farm products, of all classes, during the past 21 years have been as follows:

Table with 3 columns: Year, To United States, To Great Britain. Shows values in dollars for years 1870-1890.

The Liberals say the United States is the best market for our farmers. The Conservatives say Great Britain is our farmers' best market. The above are the official figures. What do you say yourself?

People may differ in opinion on politics, but they all agree that Prowse Bros. new hats take the lead in nobby styles and low prices.
