Planning United Church Conference

Mr. S. T. Green, Charlottetown and Mr. Allison Proffitt, Freetown have recently attended a meeting of the planning commission of the General Council of the United Church of Canada which is to open in Sackville, N. B. on September 15th.
 Previous to this year, it was always the practice to hold the General Council in one of the larger Canadian cities where the task of finding accommodation for the delegates is not a problem. While in Sackville the delegates will be housed in the residences of Mount Allison University. A problem confronting the planning commission is some form of diversion for the guests during the 10 day meeting. Messrs. Green and Proffitt have come up with the suggestion that on Saturday September 18th, those attending the council, (some four hundred), be taken on a trip to the Island and given a lobster supper. It is felt that many members will have their first glimpse of tidal water and in all likelihood they will want to return at a future date to see more of our Province.

IN MEMORIAM
 In loving memory of my Mother, Mrs. MacKenzie Matheson, who passed away February 18th, 1938.
 Oh angels, watch her up above, Please God, just let her know The one she left will never forget I love and miss her so.
 They say time heals all sorrow, And helps us to forget, But time has only meant to me, How much I miss her yet.
 Her memory is my keepsake, With which I'll never part, God has her in His keeping, I have her in my heart.
 Ever Remembered by her Daughter Verna.

 Her memory is my keepsake, With which I'll never part, God has her in His keeping,
