

# Budapest Workers Vote To Continue General Strike

By ENDRE MARTON  
BUDAPEST (AP) — Budapest's 100,000 workers voted Thursday to continue their general strike. They vowed they would strike until they win their demands for free elections and independence from Moscow.

They insisted first of all on the return of office of former premier Imre Nagy, who favors free elections, freedom from Russian domination and a policy of neutrality for Hungary. The workers also demand that Soviet troops leave Hungary as soon as possible "in the interest of friendship with the Soviet Union."

A few hours before the vote, Russia's choice as premier of Hungary, Janos Kadar, rejected neutrality as a future policy for the nation and refused any negotiations with Nagy as long as Nagy remains in the protection of the Yugoslav Embassy.

**WON'T BREAK WITH RUSSIA**  
Kadar's broadcast showed clearly he has no intention of walking out of the Soviet-dominated Warsaw Pact or giving up the close ties with Moscow.

"We demand neutrality in vain," he said, "when imperialists and counter-revolutionaries spit on our neutrality."

A Kadar's response to workers' demands for a free ballot was vaguely worded. He said he was in favor of "free" elections at a later date if this did not destroy the Communist system in Hungary. But he added he feared the Communist party would have to expect "thorough defeat" in honest multi-party elections.

Budapest's central council of workers, representing all industrial workers in this capital, voted to continue the general strike at a meeting in the Budapest Tramway Company building.

**TANKS INTERRUPT**  
The session was interrupted when two Russian tanks, three armored cars and Russian troops appeared outside. The soldiers stormed in, announcing they had been informed that weapons were being distributed. One worker telephoned Kadar, who apologized and ordered the Russian commander to withdraw his forces.

During the night the capital buzzed with reports that young Hungarians are being deported to the Soviet Union, despite Kadar's claim he had reached an agreement with Soviet military authorities that "no one may be deported."

A railway employes in Cegled, southeast of Budapest, reported he had found a wallet with a note in it saying: "We are in a transport of 1,500 bound for Russia. Please help."

On the paper were 25 names and addresses. A group of university students checked the addresses and at each one received the information that the person listed was missing. Most of the youths were under 21 and were arrested by Russian sentries after the nightly curfew, the students told correspondents. Reports circulated that other similar lists were thrown out of railway cars.

**RUSSIANS TAKE OVER**  
While the workers' council was in session, the Russians took over the Budapest plant of Mavag, one of the largest machine factories in Hungary. The new Soviet director told the few workers in the plant "You had better resume work because we will leave only when a crab climbs the steeple of a church and begins to crawl."

The Russians closed all bridges over the Danube between 1 p.m. and 3 p.m. Thursday after it was reported Budapest residents planned new mass demonstrations.

Kadar is being snubbed on all sides in his effort to obtain political support for his government. He and a handful of Communist politicians are living in virtual isolation in Parliament building, protected by Russian tanks and troops.

Political observers said the reason Kadar's government was reluctant to let United Nations Secretary-General Dag Hammarskjöld visit Hungary was the conviction that his presence would cause new demonstrations, which could result only in the end of the regime or a renewal of fighting.

## Court Resumes Hearing In The Island Co-op Services Case

Thursday afternoon in the Supreme Court in Bankruptcy, Hon. Mr. Justice George J. Tweedy presiding, the hearing on the motion to set aside certain transactions of the debtor bankrupt, the Island Co-operative Services Ltd., was continued. Only one witness was called.

Mr. J.O.C. Campbell, Q.C., representing the plaintiff called J. Gabriel Dennis, former auditor of the Bankrupt firm. In his evidence Mr. Dennis stated that it was his opinion that the firm was in a sound financial position at June 30th, 1955 as confirmed by a balance sheet bearing that date which he was asked to examine by Mr. Campbell. Further questioning by counsel elicited from the witness a statement to the effect that the company could have overcome their difficulties in "two to five years" had it's creditors seen fit to allow this leniency.

Following testimony by this witness concerning the Island Co-operative Services Ltd. and the Murray Harbor Co-operative, which the former had forwarded the latter an endorsed cheque drawn on the Kensington Co-operative. Mr. H.F. MacPhee, Q.C., presented arguments to prove that this transaction was valid. Mr. Campbell agreed and asked that the Court disregard that part of his submission dealing with that particular transaction. Without further evidence being taken, Court was adjourned until a future date.

Present in Court on behalf of various clients interested in these proceedings were: Mr. R.R. Bell, Q.C.; Mr. Alban Farmer, Q.C., and Mr. K.M. Martin, Q.C.

## Former Attorney F. Powers Dies

"Frank Powers, One of Area's Most Colorful Lawyers, and Former County Attorney, Dies."

The above is the caption from the front page, 17 October, of a leading Maine newspaper in regard to the late Frank Powers, the article goes on to say: "Maine Law circles lost a colorful old-timer and a hard fighter today as one of the Pine Tree State's best-known attorneys — Frank T. Powers of Lewiston — passed away at the Central Maine General Hospital in Lewiston two days after having been admitted as a patient."

Attorney Powers, a vigorous prosecutor as Androscoggin County Attorney a number of years ago, and equally as forceful as defender of accused persons when he was not charged with enforcement of State Law in that capacity, succumbed at the age of 74.

In recent months, his strength sapped by illness, he was able to get around to area courts but infrequently.

Throughout, however, he remained a top-drawer law student and teacher, and one noted for quick wit.

He was especially talented, in his prime, in the art of cross-examination of reluctant witnesses — and his expert legal maneuvering, and ready humor, was often a topic of conversation as attorneys walked away the time at the courthouse, or elsewhere.

The prominent lawyer entered the hospital Monday. He had been seriously ill the past week.

He had, however, been in ill health for several years. In October of 1955, he collapsed at his law office, and was given rites of the Catholic Church, but recovered.

**CITY SOLICITOR**  
Mr. Powers was county attorney six years, and also served as Lewiston city solicitor and as a member of the Androscoggin County draft board (World War I).

He attended the University of Maine and studied law in the offices of the Newell and Skelton and George S. McCarthy law firms becoming a member of the bar in 1913.

**LAW LIBRARY TRUSTEE**  
He was for several years a trustee of the Androscoggin County Law Library, and a member of the bar associations.

In 1943, he was appointed assistant prosecutor for the well-known members of the Parker B. Smith embezzlement case.

In 1938, he was admitted to practice before the Federal courts. He was a member of the Knights of Columbus, and had served as Advocate and Grand Knight. He was also a past exalted ruler (1935) of the Lewiston Lodge of Elks and a member of the Maine Grange (South Lewiston).

Attorney Powers, attended St. Joseph Church.

He was born at Prince Edward Island, Canada, July 25, 1882, the son of Mr. and Mrs. Michael Sullivan Powers.

From Summerville, P.E.I., when he was a youngster, he moved to Danvers, Mass.

Science Shrinks Piles New Way Without Surgery  
Finds Healing Substance That Does Both—Relieves Pain—Shrinks Hemorrhoids

Toronto, Ont. (Special)—For the first time scientists have found a new healing substance with the astonishing ability to shrink hemorrhoids and to relieve pain. Thousands have been relieved—without resort to surgery.

In one hemorrhoid case after another, "very striking improvement" was reported and verified by doctors' observations.

Pain was relieved promptly. And, while gently relieving pain, actual reduction or retraction (shrinking) took place.

And most amazing of all—this improvement was maintained in cases where doctors' observations were continued over a period of many months!

In fact, results were so thorough that sufferers were able to make such astonishing statements as "Piles have ceased to be a problem!" And among these sufferers were a very wide variety of hemorrhoid conditions, some of 10 to 20 years' standing.

All this, without the use of narcotics, anesthetics or astringents of any kind. The secret is a new healing substance (Bio-Dyne)—the discovery of a famous scientific institute. Already, Bio-Dyne is in wide use for healing injured tissue on all parts of the body.

This new healing substance is offered in supplementary or ointment form called Preparation H. Ask for individually sealed convenient Preparation H suppositories or Preparation H ointment with special applicator. Preparation H is sold at all drug stores. Satisfaction guaranteed or money refunded.
