

Cafeteria Info

This semester the meal plan at UPEI's Steele Dining Hall has changed from a Retail operation to a traditional Board Plan. We at Marriott realize that in the past many of you enjoyed purchasing your lunch and eating in the main cafeteria, so to accommodate your needs we now offer several different meal cards that will provide for various needs. We would like to take this opportunity to explain the different meal cards to you.

a) 7day/70meals - Value \$460.00 - you pay only \$315.00. This plan will allow you to eat any 70 meals for the entire academic year. It allows the flexibility and convenience of selecting any combination of meal periods.

b) 50 lunch card - Value \$264.00 - you pay only \$170.00. This card is good for any 50 lunches throughout the school year and is ideal for the commuting student or employee who prefers a hot lunch compared to the basic brown bag lunch.

c) 20 lunch card - Value \$105.00 - you pay only \$70.00. This plan is good for any 20 lunches throughout the academic year.

These meal plans will enable you to eat in the Steele Cafeteria only. Please take note of the hours for each meal as the cafeteria will not remain open between meals. Steele Cafeteria will be open for a total of 19 meals per week, the hours as follows:

Monday through Friday - 7:45 am - 9:00 am - Breakfast

11:30am - 1:30 pm - Lunch

4:30pm - 6:00pm - Dinner

Saturday & Sunday: 11:00am - 1:00 pm - Brunch

4:30 pm - 6:00 pm - Dinner

Other areas of our operation on campus are the Robertson "Pit Stop" and the Vet College Cafeteria. Your meal cards are not for use in these areas as they are operated on a cash only basis, Monday through Friday. With the Board Plan you can eat or drink as much or as little as you wish at each meal, however; all food must be consumed in the dining hall. The menu is based on a wide variety of entrees, your choice of three per meal plus a salad bar, assorted desserts and beverages. Also, there are special meals and weekly pace changers. Your Meal Card will allow you to bring a guest for lunch and all you do is tell the cashier and she will punch off an extra meal for your guest. You can also make arrangements through the Business

Office to purchase your meal card through a payroll deduction.

We hope this letter has offered some insight into the meal program now available. For anyone who might still have questions, please feel free to call us at 566-0436. We will be happy to provide you with further information about specific programs. We look forward to serving you.

Parking space

There are 2350 full time students, as well as, 872 part time students, but there are only approximately 1150 parking spaces. The students are not the only ones that use the parking lots. It is becoming harder to find a parking space each year as enrollment grows steadily. After all where will everyone park when the grass become a huge snow pile?

Officer Bob Contest

Yes, you too can have your quote put in Officer Bob's Bubble. Each week we will be taking submissions for Officer Bob to be rude, naughty, sexy or just pissed off.

To have your quote put in next week's issue, just submit it to the Gem office in the dark, clinically clean basement of Main, and stuff them into our wonderful envelope. Or you can just send your submissions by VAX Mail to account GEM. Just tell us that your submission is for the Officer Bob Quote Contest and we will be glad to add it to the overwhelming pile that we have on file for the upcoming contest.
