ERNEST V. BELL (left) is presented with the Ballantine Award of Merit by retiring president George Purvis of Alpha Y's Men's Club on behalf of The International Association of Y's Men's Clubs.

Alpha Y's Men's Club Holds First Meeting Of Season

Two arresting features marked the opening fall buffet supper meeting of Alpha Y's Men's Club in the Y. M. C. A. banquet room last evening with an attendance of 70 Y's Men and Y's Menettes.

The presentation of the "Ballantine Award of Merit" to Ernest V. Bell by retiring president George Purvis on behalf of the International Association of Y's Men's Clubs brought original distinction to Mr. Bell and his club.

"The initial award for long period of sacrificial service in the Y's Men's Movement and more especially for outstanding work which began in 1934 as Chairman of the stamp committee of the Charlottetown Y's Men's Club. Mr. Bell was appointed International Philatelic Director in 1941, an office which he continues to hold."

The presentation plaque is cast in bronze and mounted on a mahogany base measuring 7x9 inches.

Retiring president Purvis was presented with a beautifully executed oil painted scene by Roy Smallman on behalf of Alpha Club and Mrs. Purvis was given a dainty cup and saucer with the lady slipper Island emblem thereon by Mrs. E. V. Bell on

Mrs. T. G. Ives Honored By Baptist Missionary Society

Mrs. David Wright, Mt. Edward Road entertained the Charlottetown United Baptist Missionary Society Thursday afternoon.

Mrs. Burt Rideout opened the meeting with a challenging devotional talk on "Concern for Missions".

During the business period a letter of thanks was read from Mr. and Mrs. Victor Hann, India who deeply appreciated the food box mailed from the society in June.

Interesting convention reports were heard from the President, Mrs. J.A. Clark, and the new Provincial Secretary, Mrs. C.S. Scranon. Mrs. David Wright, and Mrs. Burt Rideout were appointed delegates to the Baptist District Meeting to be held in Summerside on September 30th.

A touching ceremony took place before the close of the meeting when Mrs. T.G. Ives was presented with a Dominion Life Membership Certificate from the Society.

Mrs. J.A. Clark in making the presentation, spoke of the wonderful contribution Mrs. Ives has made in the work of Missions in the U.B.W.M.U., and the local society. For many years she was the Mission Band Superintendent for P. E. Island; and for the past five years has been the Provincial Secretary. Her life has been truly dedicated to the advancement of the Missions; and to the promotion of every phase of church work.

The Dominion Life Membership Pin was presented by Mrs. L.S. Webster.

Mrs. Ives spoke words of deep appreciation of the honor bestowed on her.

The hymn "Blest Be The Tie That Binds" brought the ceremony to a close.

TOP STUDENT Allison MacLean, son of Mr. and Mrs. George MacLean of Bangor, P. E. I. has been announced as the winner of the \$250 Holman Scholarship, awarded to the leading Prince of Wales student in second year who is continuing on in studies. Allison attended first year at Prince of Wales in 1953. He joined the R. C. A. F., taught school and worked at other jobs before returning to P. W. C. in 1957. This year he led his class. He was accepted this year as a candidate for the ministry by the Free Church of Scotland, but has a full arts course to complete before taking up theology.

British Columbia Decides To Take A New Look At Strikes

VANCOUVER (CP) — British Columbia has decided to take a completely new look at the politically potent problem of strikes and lockouts.

The provincial government has called a full-dress management-union conference to discuss the causes of costly work stoppages and has suggested government-imposed settlements may be the only answer.

The action comes as the province feels the effects of a one-two punch caused first by its sensitivity to the United States business recession and then by its inability to take full advantage of gradual improvement in the economic climate because of recurring industrial strife.

Already this year 336,000 man-days have been lost through work stoppages — more than three times the figure for the same period of last year.

WILL DEMAND ACTION "Unless the unrest subsides, it is obvious the people will demand changes and any government must be responsive to public opinion," says Labor Minister Lyle Wicks.

Invitations to the Sept. 25 round table conference have been issued to the B.C. Federation of Labor, B.C. division of the Canadian Manufacturers Association, and the Industrial Association of B.C. The organizations represent employers and employees in all B.C.'s major industries.

"They have been asked to make any proposals they may have for improvement of present machinery for settling disputes."

Meanwhile Mr. Wicks has thrown out the suggestion that public opinion may insist on arbitration of prolonged disputes by government appointees if the present unrest continues.

PUBLIC IMPATIENT He has told unions and management organizations there is "growing impatience from the public with present means of settling disputes and a growing cry for compulsory settlements."

He says he is not threatening compulsory settlement, but merely warning employers and employees what could happen if public opinion on the question develops.

The B.C. Federation of Labor indicated it does not believe public opinion is behind any suggestion of compulsory settlement of disputes. Spokesmen for employer organizations have said they doubt arbitration would supply the answer to the problem.

Strikes this year have involved 10,000 men and have affected pulp and paper, construction,

Education Director Urges School Library Expansion

Deputy Minister and Director of Education, Malcolm MacKenzie, urged teachers attending the Mount Stewart local convention to try to enlarge their school libraries.

He spoke of the new teacher training program which will be carried out at Prince of Wales College and St. Dunstan's University, pointing out that Grade XII education would be required before taking the course. He mentioned regulations on regional High Schools. These, however, do not concern the region which is served by the recently constructed High School at Morell.

The two-day conference at Mount Stewart opened at 9:30 Thursday morning with 48 teachers attending. Mrs. George Hendricks presided in the absence of the president. She welcomed them and their supervisor and paid tribute to their past supervisor Gordon Rice. She called upon the supervisor, Claude Wood, who also expressed appreciation of Mr. Rice. He asked them for the same support and confidence they had given his predecessor.

Mr. Wood reminded the teachers that they are dealing with the finest material in the universe. He urged teachers to pool their resources, saying that the older teachers should learn something from the young in the way of new vitality; while the young might gain from the experience of those who have been longer in the profession.

Mr. Wood explained the Department's policy re attendance of non-resident pupils, how the Government contributes 60 per cent of approved transportation.

Miss Mabel O'Brien read the minutes of the 1957 convention and Miss Bowness gave a report of the P. E. I. Teachers' Federation for the year.

In the afternoon Jerry Pineau gave a demonstration on the teaching of French pronunciation. Red Cross work was discussed by Mrs. Develin and Miss Patricia LeClair.

Committees appointed were: Resolutions: Sister Isabel Clare, Warren McGuirk and Doreen Jay; Press Carmen Jay and Sister Clara Theresa; nominating, George E. Dover, Sister M. Carmelita and Mary McInnis; question box, Patricia McCarthy and Mrs. M. MacKinnon.

Two Ch'town Delegates Will Attend Calgary Conference

Prince Edward Island will be represented by two delegates at the three-day national conference of the Canadian Association for Retarded Children which opens in Calgary Wednesday.

Leaving by train this morning is the President of the P. E. I. Association, Mr. Leo P. Berrigan of Charlottetown. He will be accompanied from Montreal by Mr. Pius Smith, chairman of the Board of Directors of the P. E. I.

Day Training Class who leaves by plane this evening. At the conference Mr. Berrigan will represent the Association, while Mr. Smith will represent the Directors of the Charlottetown Day Training Class and its sponsor, the Charlottetown Branch of the Canadian Legion.

Both men expect to arrive back in the City on the Saturday the 20th. They will make the entire return journey by air.

Zion Minister In Ch'town To Resign Post

Rev. W. Harold Brown, pastor of Zion Presbyterian Church in Charlottetown has announced that he will resign because of fatigue at the end of September.

Rev. Brown said he will spend his retreat at his brother-in-law's residence at Lachute, P.Q., near Montreal.

He added that he will accept the first charge that is offered provided it is a one-man charge. He said the Zion congregation constitutes a charge to large for one man to handle.

He said with the addition of 170 new families in the past five years the church is "taxed to capacity with an urgent need for more space."

Rev. Brown is a native of Margate, P. E. I. and a graduate of Prince of Wales College, McGill University and Presbyterian College in Montreal.

Prior to assuming the Charlottetown charge in 1953 he held charges at Ormstown, P. Q., St. Andrews Presbyterian Church, Pictou, N. S.; and St. Edward's Presbyterian Church, Beauharnois, P. Q.

Fear Child Carried Off By B.C. Bear

PRINCE GEORGE, B.C. (CP) The little town of Willow River came face to face Thursday with a horrifying prospect it had tried to ignore for two days: two-year-old Cindy Lou MacLaine may have been carried away by a bear.

The possibility was officially acknowledged when RCMP began sponsoring radio appeals calling on anyone with dogs trained in tracking bears to come forward.

Police said all clues to the disappearance of the chunky, spirited tot who was last seen skipping down a street of Willow River shortly before 10 a.m. Tuesday had petered out.

Fears Grow For Safety Of Captain

LONDON (AP) — Fears grew Thursday night for the safety of Capt. Glen Butt, who set out from Newfoundland alone in a primitive 36-foot catamaran in an attempt to cross the Atlantic.

Maritime officials in Cherbourg, France, reported picking up a radio signal believed from the tiny twin-hulled boat indicating Butt was in trouble somewhere between Brittany and Ireland.

He was last reported sighted six days ago by a British freighter about 300 miles off Britain's extreme southwest coast, and now is overdue.

An RAF Coastal Command Shackleton long-range plane searched all day for the craft but found no trace, and the RAF at Plymouth admitted it was getting worried about the 48-year-old Canadian seaman.

The Catamaran, modelled on the Polynesian idea of lashing two canoes together, sailed out of Bull's Bay, Nfld., 21 days ago.

Under fair conditions, Butt should have made landfall some time Sunday, the coast guard said. Weather on the Atlantic has been fairly favorable since Sunday.

But-hoped to reach England in eight or nine days and shatter the 12-day transatlantic sailing record that has stood since 1905.

SANDYS TO U.S. LONDON (Reuters) — Defence Minister Duncan Sandys will fly to the United States Sept. 22, the defence ministry announced Thursday. He and his team of experts will spend three days in Washington for talks with Defence Secretary Neil McElroy and other officials. They also will visit American defence centres.

Yanks Stick To Anti-Dumping Act Criticism

OTTAWA (CP)—Despite Prime Minister Diefenbaker's denial, the United States still insists that Canada's new anti-dumping legislation is a violation of the General Agreement on Tariffs and Trade of which Canada is a member.

A U.S. Embassy spokesman said Thursday GATT uses the basis of fair market value to assess tariffs. But Canada's new legislation would permit the revenue minister arbitrarily to increase tariffs on U.S. goods without giving the U.S. an opportunity to negotiate.

The U.S. Embassy Sept. 3 delivered a note to the Canadian government containing U.S. comments—the word "protest" has not been used officially—on the Canadian legislation passed by Parliament last week. It had made verbal representations earlier.

The prime minister denied the validity of the U.S. stand in a brief comment at Prince Albert, Sask.

However, it was learned Thursday, the note contains some strong language.

Legion Branch At Kingston Meets

The Kingston Branch of the Canadian Legion last night held its regular monthly meeting in a proposed new home at New Haven. The meeting discussed purchase of the home and the moving of it to a new lot in the near future.

The branch president, Foster MacKinnon, presided. There were 19 members present. After the usual opening procedure, two minutes silence was observed in memory of fallen comrades.

Comrade Hector Currie, delegate to the Provincial Command convention at Rustico gave a detailed outline of the meeting. He thanked the members for nominating him as their delegate. The branch, he said, was well represented by members.
