

SURVEY SHOWS STUDENTS PREFER SHOWBOAT

At the SUN we recently conducted a small student survey concerning the night clubs in Charlottetown. While we realize that small surveys are relatively meaningless, we thought our readers would still like to hear the results.

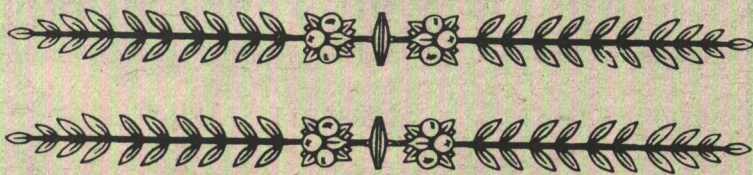

The people questioned rated the Trade Winds, the Granada, Gentleman Jim's, the Cascade, and the

Showboat in fifteen different categories. Those categories are listed below at the left. Each club received a mark out of five in each category. The exceptions to this are the categories with asterisks. Those were marked out of ten. The total scores are out of one hundred.

The results are relatively close. The Showboat, however, did emerge on top.
