Twenty-three girls, of high school age, took part in conference, prayer and recreation from Friday night until Sunday evening.

Drive To Assist Retarded Opens

TIGNISH - The Retarded Children's Association of Tignish held a meeting in the Dalton school on Saturday with the president, Mrs. Peter BeCherries chairing the meeting.

LIVESTOCK MONTREAL (CP) - Prices were steady to slightly lower in Montreal's east- and livestock market Tuesday.

Receipts: 54 cattle, 154 calves, 24 hogs and 25 sheep.

Common and medium beefers 14-15, common cows 12-14.50, good weaners 25-28, medium 18-24.50 and common 14-17.

Features desired under resources, fisheries, education, or other departments will be worked out in collaboration with the ARDA director.

At a result, the many changes, the resources department will now be relieved of a great measure of this responsibility and its main interest can be centred in the larger sphere of industrial promotion.

He said the director of provincial parks, Wendell Hooff, high pressure and responsibility in the office of the provincial secretary.

It was noted that the various high pressure and responsibility in some government departments but will not be a matter of great value in the prosecution of our overall work," the Premier said.

He closed by remarking he considered these moves more important than changes in the Cabinet itself as "all Ministers have all confidence in their sincerity and efficiency in promoting the work of the departments of government. The responsibilities are now balanced between departments in accordance with the suitability of staff and personnel to take charge."

ALBERTON - The death of Mrs. Austin Gallant occurred on Monday at the home of her daughter, Mrs. Wilfred McCarthy, in Dartmouth, N.S.

Following her marriage she lived at Alberton for 15 years until some 15 years ago when she went to live with members of her family in Dartmouth.

There are 27 grandchildren, also a sister, Mrs. Mary Doucette, of Tignish, and a brother Frank Butler of Burford, Maine.

PRESENTS VOLUMES West Germany has presented a gift of some 1,500 volumes of classical German literature for use in Norwegian secondary schools.

TO BALANCE WORK In making his announcement of the vast changeover Premier Shaw said the administrative changes were made for reasons of "balancing work between departments and placing the direction of work in departments better equipped to handle it."

He noted at the federal level of agriculture, fisheries, ARDA and forestry, and administered a "balancing work between departments and placing the direction of work in departments better equipped to handle it."

THE PROGRESS made by children of the school was discussed to promote the work of retarded children.
