SPECIAL! PLAY THIS COMIC BACKWARDS & HEAR SATAN'S FAUSTIAN PROPOSAL...

Alcohol can be addictive.
L'alcool cause une dépendance.

In fact, alcohol abuse, like tobacco, has been linked to heart disease, depression, and other diseases, not to mention a host of short-term problems, physical, emotional, and otherwise. Alcohol may in fact contribute to more illness, pain, and death yearly in users and non-users alike than cigarette smoking.

But I bet you'll never see a warning label like this.
 Why not? Ask... -Health Canada

MANITOBA ORIGINAL

this Lager is brewed especially for Manitobans to an original process dating back to 1877. It is a Lager of established quality, long favored for its mellow, outlasting flavor.

Lager BEER-DIÈRE

Brewed by our original process from the choicest imported hops and select Canadian malts

NO PRESERVATIVES
