N. Y. Stocks

NEW YORK (AP)—The stock market ran into an irregular pattern of buying and selling Thursday that left prices highly mixed at the finish.

Brokers felt that one of the underlying causes of the unsettlement was the boost in the Federal Reserve Bank discount rate initiated Wednesday night in Kansas City.

The rate was hiked to 1¾ per cent from 1½ per cent, a move that tends to point the trend of all money rates. A rise is a credit restriction move. The announcement was regarded as an unsettling factor rather than a depressing one.

The Associated Press average of 60 stocks gained 10 cents at $163.80. Volume came to 2,890,000 shares.

Avco Mfg. was the day's most active issue up ¼ at 7⅞. The company announced it has started research into advanced electronics guided missiles and atomic energy.

Chrysler came next up 2⅝ at 78¼. The company established a first quarter sales record which is the second highest total for any quarter in company history.

Sperry Corp. shot ahead 7⅜ at 72¾ and Remington Rand was up 4⅛ at 246½. The two companies recently announced merger plans.

Radio Corp. was up 1¼ at 44⅜ following announcement of a new color television tube.

Rheem Mfg. fell back 1⅛ at 38⅜. It was announced that Bethlehem Steel was selling its 400,000 shares of Rheem.

Canadian stocks showed fractional losses. McIntyre was alone in posting a gain of ¼. Dome Mines and Distillers Seagram both dropped ¼, and Canadian Pacific, International Nickel and Hiram Walker each fell ⅛.

Lake Shore, Canadian issue on the American stock exchange, eased ⅛.

Toronto Stocks

TORONTO (CP) — Profit-taking hit base metal and speculative issues on a broad front at the stock market Thursday amid the lightest trading in three weeks.

Final volume was 7,785,000, the lightest since March 23 when 6,368,000 shares were traded.

The golds group was the only major section recording strong gains. McIntyre led the way, climbing $2.50 to $71.50.

Industrials managed narrow gains.

Consolidated Denison shot ahead in a weak uranium group following financing news. The stock jumped 30 to $8.55 after touching a 1955 high of $8.90.

Other gains went to Chimo, Radiore, Maneast, McWatters and Coldstream but Coulee, Headway, Faraday, Dyno and National Explorations eased.

Sherritt led the way down among base metal issues dropping 50 to $6. Campbell Chibougamau dropped 25 to $7.75 and smaller losses went to Quebec Metallurgical, East Sullivan, Beaucage, and United Asbestos.

Canadian Homestead led a few advancing western oils jumping 21 to $2.30.
