I SHALL NOT LEARN A TRADE.

Shan't you? I should like to know why not. Hundreds and tens of thousands have learned one before you, and many more will do the same thing. A trade well learned may make a name and a fortune earned. If you ever get either without working for it, you will be either very "lucky" or very unfortunate.

I don't think much of a boy who says he is not going to learn a trade. If his place in the world is such, that he can learn a good trade and have a good situation, he will be very unwise not to seize the opportunity. A boy who goes to a trade determined to make himself master of his business, and to be a well informed and intelligent workman, will soon rise to the head of his profession. if he pursues the right path. The faithful apprentice who delights to do his day's work well, and to do it to the best of his ability, so as to earn the praise of his employer, will feel happier and be a more honorable man, than he who does just enough to shuffle along through the day, and then hurries away from his work as though it were a nuisance and a curse.

I knew a boy who was too poor to go to school and college, although he would have liked that course very well. But he had to work. So he went to learn a trade. He tried to do his work always to the very best of his ability. He went to a place, and one day his master came to look at what he had done, and after closely examining it, he turned around and said to his foreman, "James, that is very excellent work for a new boy." Did not that little fellow feel as proud as if he won a triumph? He was rewarded from the start with the good opinion of his employer, and he never forgot the pleasure with which he heard his master's encouraging words. He always tried to do his work well—to do in fact the very best; and while other apprentices did not seem to care how their work was done, or how they spent their master's time, he took a pride in working as though he was in a higher post, and is now doing well in more ways than one in the world.

Not long ago a boy was leaving school, and as I had a chance to speak to him, I said, "What are you going to do?"

"I am going into a mercant's jobbing house."

"Going to be a clerk then. Why do you not learn a trade?" "Trade?" said he, "I ain't going to learn a trade."

"Not going to learn a trade? I should like to know why a trade is not as good as a clerkship. I suppose you think it more genteel and respectable! What would you be with your jobbing house, I wonder?"

Learn a trade! Did you never hear of such a man as Ben Franklin, who learned the printing trade, and became one of the most distinguished men of modern times? Have you never heard of a carpenter named Rittenhouse, or a man who made philosophical instruments, and afterwards revolutionized the world with his discoveries in the steam engine? Have you heard of James Watt, or is it genteel not to know anything about trades or those who have learned them? Who was Arkwright, that followed the trade of a barber! or Whitney, or Fulton? Who was Governor Armstrong, of Massachusetts, or Isaac Hill, of New Hampshire, who learned the trade of a printer. Did you ever hear of the man who swung his sledge at the anvil, and became the distinguished Elihu Burrit? Did you ever hear of a distinguished cobbler named Roger Sherman? Or of the illustrious lame cobbler of London named John Pounds, who founded Ragged Schools, and put into operation one of the greatest pieces of moral machinery of the age?

A POOR BOY'S NOBLE RESOLUTION.

I know I am poor, but I am not ragged, and I will try to be honest. I can go to Sunday School, and there I can get many a tract and pretty book, and my teacher says, if I get the knowledge of Christ, I shall be richer than many a man who owns a million of dollars. Yes, I am poor! But I am not poor enough to steal or to beg, or to lie. And I am not near poor enough to sell on Sundays, or to go to grog shops.

What if I am poor? My teacher says the blessed Saviour was poor. He says the Apostles were poor. And he says, God loves the poor.

I will sing a little before I work:

He that is down need fear no fall,
He that is poor, no pride;
He that is humble ever shall
Have God to be his guide!

Thank ye for that good John Buuyan! they say you were a poor boy yourself once; no better than a tinker. Very well, you are rich enough now, I dare say.

I don't see after all, but that I can sing as gaily as if I had a thousand dollars. Money does not lighten people's hearts. There is Squire Jones, he is rich! but I never heard him sing a hymn in my life. His cheek is paler than mine, and his arm is thinner; and I am sure he can't sleep sounder than I do.

No, I am not so poor either. This fine spring morning, I feel quite rich. The fields and flowers are mine. The red clouds yonder, where the sun is going to rise, are mine. All these robins and thrushes and larks are mine. I never was sick in my life. I have bread and water. What could money buy for me more than this?

I thought I was poor, but I am rich.

The birds have no purse or pocket-book; neither have I. They have food and drink; so have I. They are cheerful; so am I. They are taken care of by their Creator; so am I.

MRS. WINSLOW.

An experienced Nurse and Female Physician, presents to the attention of Mothers, her

SOOTHING SYRUP,

For Children Teething.

For the Nervous Affections, Convulsions, Fever, Inflammation of the Bowels, &c. that attend this period of children, she recommends it as sure to produce the desired effect, giving *Rest to the Mother, and Relief and Health to the Infant.*

A child in Congress-Street was cured by the Soothing Syrup, of Infantile Dysentery or Diarrhœa after being given over by the attending Physician.

Mr. Blackman, of Eddington says, it has *never failed to cure* the Dysentery or Diarrhœa in children whenever used in the village. Lots of it is sold.

One parent informs me his child has suffered to an alarming extent, with Flatulence or Wind Cholic. Lately they have used the Soothing Syrup, and it always effects a *speedy cure.*

Hundreds of like instances might be enumerated.

PROOF POSITIVE.

Messrs. CURTIS & PERKINS:—Please send us a further supply of Soothing Syrup. We are selling large quantities of it, and from what we can learn, it is used with *uniform success*, both by children and adults, in all cases of Dysentry or Diarrhœa.

Yours respectfully,
W. D. CRUMBIE,
J. MERRILL.

We cheerfully comply with the request of a friend to insert the following letter which we are assured is from a lady of the first respectability, residing in Lowell, Mass., believing that a vast amount of suffering may be prevented, and many valuable lives saved, by calling the attention of mothers to this valuable prescription of an old and experienced nurse:—

Dear Sir:—I am happy to be able to certify to the efficiency of Mr. Winslow's Soothing Syrup, and to the truth of what it is represented to accomplish. Having a little boy suffering greatly from teething, who could not rest, and at night by his cries would not permit any of the family to do so, I purchased a bottle of Soothing Syrup, in order to test the remedy,—and when given to the boy according to the directions, its effect upon him was like magic, he soon went to sleep, and all pain and nervousness disappeared. We have had no trouble with him since; and the little fellow will pass through with comfort, the excruciating process of teething, by the sole aid of Mrs. Winslow's Soothing Syrup. Every mother who regards the health and life of her children, should possess it.

Last spring, had a very violent attack, which laid me up, when I made use of the *Cramp* and *Pain Killer*, prepared by Messrs. Curtis & Perkins, of Bangor. It gave me immediate relief, and I do not hesitate to say, that it is the best article I ever used. I cheerfully recommend it to all who may be afflicted with similar complaints.

Hunter's Balsam. It is not often that we *can* say anything favorable of patent medicines, on the testimony of those with whom we are acquainted, two have used and tested their merits. But in regard to Hunter's Balsam, put up by our fellow citizen, Jeremiah Curtis, Esq. we have the testimony of many of our own citizens and those of neighbour ing towns, unanimous in its praise. The testimony of one individual with whom the public are acquainted, carries with it more weight than whole columns of certificates from strangers, whose faces we never saw, and whose certificates, for aught we know, may have been procured by fraud. INDIAN DISPEPSIA PILLS,

For cure of Costiveness, Acidity of the Stomach, Bilious Habits, Headache, Dizziness, Heart Burning, Pain in the Side, Lung and Liver Complaints.

DYSPEPSIA AND IDIGESTION,

With Costiveness, Acidity of the Stomach, Heart Burning, Bilious Complaints,—producing Headache, Pain in the side, Loss of Appetite, and entirely cured, by the use of the *Indian Dispepsia Pills.* These Pills have effected the most astonishing cures in hundreds of cases of the above complaints, and are an invaluable remedy, in an especial manner, for Dispepsia. They are a mild and gentle Cathartic, operating mostly upon the blood, cleansing and purifying the same, and causing the digestive organs to perform their appropriate duties, with regularity.

COSTIVENESS.

Habitual Costiveness is, if not removed in time, a cause of more than half of the disorders and pains to which humanity is subject. The medicines too generally had recourse to, do more harm than good, as they weaken the peristaltic action of the bowels, and thus aggravate instead of removing the complaint.

Also, in all Bilious Diseases, attended with Pain in the Side and Right Shoulder Blade, with a dull, sallow countenance. In all Diarrheas, Ague and iFever, Bilious Fever and sick headache, they are an valuable Remedy.

They will be found the best Family Physic in the world, purifying the blood, restoring the appetite, and leaving the stomach and bowels in a healthy state. Price 25 cents per box.

For purifying the Blood we do not believe these Pills have their equal in the world.

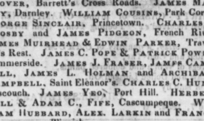
The Far-famed Medicine!



HOLLOWAY'S PILLS.

SURPRISING CURE OF A CONFIRMED ASTHMA, AFTER FIVE YEARS' SUFFERING.

The following testimonial has been sent to Professor Holloway, by a gentleman named Middleton, of Scotland Road, Liverpool.

Sir,—Your Pills have been the means, under Providence, of restoring me to sound health, after five years of severe affliction. During the whole of that period, I have suffered the most dreadful attacks of Asthma, frequently of several weeks' duration, attended with a violent cough, and continual spitting of phlegm intermixed with blood. This so shook my constitution that I was unfitted for any of the active duties of life. I was attended by some of the most eminent medical men of this town, but they failed to give me the slightest relief. As a last remedy, I tried your Pills, and in about three months they effected a perfect cure of the disease, totally eradicated the cough, and restored tone and vigor to the chest and digestive organs.

I am, Sir, your obedient Servant,
Signed H. MIDDLETON.

Dated Jan. 1st, 1853.

A PERMANENT CURE OF A DISEASED LIVER, OF MANY YEARS' DURATION.

Copy of a Letter from Mr. Gamis Chemist, Yeovil, to Professor Holloway.

Dear Sir,—In this district your Pills command a more extensive sale than any other proprietary medicine before the public. As a proof of their efficacy in Liver and Bilious complaints, I may mention the following case: A lady of this town, with whom I am personally acquainted for years, was a severe sufferer from disease of the Liver and digestive organs; her medical attendant assured her that he could do nothing to relieve her sufferings, and it was not likely she could survive many months. This announcement naturally caused great alarm among her friends and relations, and they induced her to make a trial of your Pills, which so improved her general health that she was induced to continue them until she received a perfect cure. This is twelve months ago, and she has not experienced any symptoms of relapse, and often declares that your Pills have been the means of saving her life.

I remain, Dear Sir, yours truly,
Signed J. GAMIS.

Nov. 23, 1852.

AN ASTONISHING CURE OF CHRONIC RHEUMATISM, AFTER BEING DISCHARGED FROM THE HOSPITAL INCURABLE.

Copy of a Letter from Mr. W. Moon, of the Square, Winchester.

To Professor HOLLOWAY,

Sir,—I beg to inform you that for years I was a sufferer from Chronic Rheumatism, and was often laid up for weeks together by its severe and painful attacks. I tried everything that was recommended, and was attended by one of the most eminent surgeons in this town, but obtained no relief whatever; and fearing that my health would be entirely broken up, I was induced to go into our County Hospital, where I had the best medical treatment the Institution afforded, all of which proved of no avail, and I came out no better than I went in. I was then advised to try your Pills, and by persevering with them was perfectly cured, and enabled to resume my occupation, and although a considerable period has elapsed, I have felt no return whatever of the complaint.

I am, Sir, your obliged Servant,
Signed W. MOON.

Oct. 8th, 1852.

AN EXTRAORDINARY CURE OF DROPSY, AFTER SUFFERING FOR EIGHTEEN MONTHS.

Copy of a Letter from Mr. G. Briggs, Chemist Goole, dated February 15th, 1853.

To Professor HOLLOWAY,

Sir,—I have much pleasure in informing you of a most surprising cure of Dropsy, recently effected by your valuable medicines. Captain Jackson, of this place, was afflicted with Dropsy for upwards of eighteen months, to such an extent that it caused his body and limbs to be much swollen, and water oozed as it were from his skin, so that a daily change of apparel became necessary; notwithstanding the various remedies tried, and the different medical men consulted, all was of no avail, until he commenced using your Pills, by which, and a strict attention to the printed directions, he was effectually cured, and his health perfectly re-established. If you deem this worthy of publicity, you are at liberty to use it.

These celebrated Pills are wonderfully efficacious in the following complaints.

Ague	Dropsy	Inflammation
Asthma	Dysentery	Jaundice
Bilious Complaints	Erysipelas	Liver Complaints
Blotches on the Skin	Female Irregularities	Lumbago
Bowel Complaints	Fevers of all kinds	Piles
Cholics	Fits	Rheumatism
Constipation of the Bowels	Gout	Retention of Urine
Consumption	Head-ache	Scrofula, or King's Evil
Debility	Indigestion	Tumours

Secondary Symptoms	Tic Doloureux	
Ulcers	Venereal Affections	
	Weakness, from whatever cause, &c.
