

**THE WEEK AT SDU**

**SDU Will Send Delegates To Assembly At Mount A.**

By CHARLEY McMILLAN

The first of a series of concert performances will be put on Friday in the SDU gymnasium. The performers will be William Alden, pianist, and Mrs. Catherine Judah Daniel, contralto. Both of these musicians have performed in various American and Canadian centres, and should put on an excellent show. They are members of the conservatory of music at Mount Allison University.

The AAA met Monday when various managers gave their reports to the committee. Barry Van de Moore represented tennis; Bob Perrine, basketball; and Ron Gallant, hockey. It was decided that the AAA would put up a trophy for the winner of the intramural basketball league to build interest in the league. Before the meeting closed, president Jim Garry handed in his resignation. Vice-president Gene Kinch extended a vote of thanks to Mr. Garry for his devoted work with the AAA over the past three years. The election for president will be held Friday.

**OFF TO MOUNT A.**  
SDU students John R. MacDonald and Paul Batchelder are going to Mount Allison University to attend the United Nations Assembly. Delegates from all Maritime Universities are attending, and each college represents a country. SDU stands for Poland. Guest speaker for the affair will be Dr. H. Stewart, vice-president of the U.N. Society in Canada. This society has as its purposes the study of the United Nations, its objectives and its difficulties.

Many Saint Dunstons students attended the highly successful in-service ball, put on by the officer cadets of the three forces. The dance was held aboard HMS Queen Charlotte. The music was by the Mariners. Besides the officer cadets, there were the service officers and invited guests in attendance.

The first league game of the basketball season is slated Jan. 10 at Acadia. The Saints play 12 games, six at home, and six on the road. Coach Ed Hilton has about a dozen players trying out, and hopes to have more after Christmas. He has five players back from last year: Larry Farrell, Frank Garry, Bob Francour, Gene McLaughlin, and Fred Ripley. Some of the additions are Lennie Stross, last year's Javve coach; Joe Chouler, a 6 ft. 10 in., 170 pound product of Portland, Maine; Jacques "Jack" Deserault, 6 ft. 5 in.,

185 pounds centre from Shavonia Falls, Allan "Postie" Connolly, 5 ft. 11 in., 175 pounds, who starred with Saint Dunstons' High School; Peter Grant, 5 ft. 10 in., 160 pounds, Charlottetown; and Allan Evelyn, 5 ft. 10 in., 170 pounds from Kennebunk, Maine.

Coach Hilton is expecting Mike McPhee, Lee John, and Fred Ripley, all of football fame, out after Christmas. Cloutier, Stiles, and Francour all have excellent shots from outside, and with tall Jake Deserault in the pivot position, Saint Dunstons' could have a contender for a Maritime crown.

The evening skates are proving popular with the students. The skates started last week, and are well attended. Because there are so many students this year, there just isn't room for the crowd from town as in other years. This is why the campus police check for ID cards at the door. And speaking of ID cards, the engineers who did such a good job of painting the ice. A sprinkling of SDU adorns the entire ice surface—a welcome addition to the faceoff circles, and blue lines.

The Varsity hockey team had a Red and White game Monday afternoon. The White team, with the Whitlock-McMillan, McMillan, and Roy-Tingley-Heinz lines, outscored the Red team with the

remaining forwards 5-0. Big Gerard Smith was unbeatable in the White cage, although he had considerably fewer shots than Denis Maurais. Maurice Roy led the attack with two goals, singles went to Jack Heinz, Gordie Whitlock, and Glen Hughes.

Although he didn't score a n y goals, the best man on the ice, it is safe to say was Billy McMillan. He set up three goals and was robbed on a d o z e n more.

**POWER LINE**  
Now that Vince Mulligan is ready to play—he injured his ankle playing football—Coach Jack Kane has him playing with McMillan and Whitlock. This line will be the powerhouse of the team, and can match any line in the league. Coach Kane has been working on his power play and with his penalty killers for the past three days. He may use the McMillan line, and Dick Tingley and Julien Dupont on the points. Nothing has to be said about Tingley's shot. Dupont's shot is in the same category. Unlike last year, Kane still has an abundance of talent to choose from if one of these players were to get injured.

Mr. and Mrs. Milton Rodgers celebrated their twenty-fifth wedding anniversary recently when their relatives and friends gathered at their home and spent a very enjoyable evening with music and dancing. Some lovely gifts were received. Lunch was served and a three tiered wedding cake was passed around by the bride and groom of 25 years.

The bridesmaid, Mrs. Horace MacEwen, sister of the bride and the groomsmen, Mr. Merle Rodgeron, brother of the groom, were both present.

Mr. and Mrs. Edward Jay left Monday morning for Cambridge, Mass., to visit their son and daughter-in-law, Mr. and Mrs. Harold G. Jay and family.

**You've heard it, perhaps you were the one who said it, "WHY DO THE STORES START CHRISTMAS SO EARLY?"**

**Do** you recall shopping at the peak of the holiday season, in the final 2 or 3 weeks before Christmas? Remember the tedious waiting for a sales-person, or seeing the gift you had your heart on being sold to the previous customer? . . . And no time to re-order before Christmas?

**REMEMBER** waiting in those long lines? Remember the crowded streets and the fatigue that made you resolve to start your Christmas Shopping early next year?

**I**f everyone waited until the weeks before Christmas there wouldn't be space behind the counters for enough salespeople to serve all the shoppers. There wouldn't be space in the store for all the shoppers. Delivery and wrapping services would be bogged down.

**S**TORES would be strained to capacity and unable to maintain the kind of service they want to give, and which customers expect.

**S**o many people begin Christmas shopping after December 1, but this year there are only 20 shopping days between December 1 and Christmas . .

**Do** yourself and your favorite store a favor, start shopping now, while selections are greatest, while you have plenty of time to compare before buying, while salespeople can give you the kind of service you prefer. Superior service is the stores' way of saying "Merry Christmas" to you.
