TEA PARTY AT GEORGETOWN.

TO THE EDITOR OF THE EXAMINER.

After having carefully perused several of the late issues of the Island journals, I was glad to discover the slightest notice of the Tea Party which took place in our midst not many weeks ago. In my humble estimation, it would be tantamount to an act of forgetfulness, an injustice to those ladies and gentlemen who took so much interest and lively interest in it, and who devoted much of their time and means to their efforts, directly in connection with their friends and companions, and indirectly in the furtherance of religion, and to be thus covered with oblivion, while the accounts of contemporary and likely more important entertainments were graced with the official columns. For this reason solely do I venture to draw attention to the fact, to be known to all within the sphere of the circulation of your paper that the party at Georgetown was a decided success, and this I repeat without either flattery or envy. The grounds selected for the occasion were those surrounding the elegant cottage of Hon. A. A. McDonald, which, for superiority of situation and beauty of scenery, are difficult to excel. A spacious opening was raised to form the base of the tables. The pillars supporting the awning were covered with delicate little bunches and twigs interwoven in a curious and elegant style. The whole presented a most picturesque appearance. The tables—both handsome and gorgeously supplied, and being a very fascinating and delightful respect to lookers-on—reflected great credit on the taste and spirit of the ladies of this city.

THE ENGLISH ELECTIONS.

The Boston Journal of Thursday says of the English Elections:— "The elections completed on the 15th instant showed 262 Liberals to 158 Conservatives. In Scotland only one Conservative has been returned, and he lost 26 and gained 35 seats up to above date. The summary of the English news published in the same number of the Journal has the following:— LIVERPOOL, July 15.—The news to-day is unimportant. There is not much electioneering to-day. Mr. Gladstone still continues in the majority for Oxford University. The Journal states positively that Mr. Gladstone was defeated, although a Liverpool dispatch of the 14th received at Queenstown does not say so. The Right Hon. the Speaker gave his sessional dinner to the principal clerks and officers of the House of Commons on Wednesday evening. Naval.—His Excellency Vice-Admiral Sir James Hope, K. C. B., shifted his flag to-day from Duncan, S. 1. Capt. Gibson, to Liffey, 89, screw frigate, Capt. Parker, and left for the coast of Newfoundland. It is said that Sir James intends to visit the coast of the Atlantic Cable at Heart's Content, and proceed to Quebec. The Liffey is a beautiful ship, and will shortly represent the Royal Navy in the St. Lawrence. Halifax Reporter, July 27.

SAILING OF THE FRENCH ADMIRAL.—H. I. M. S. Frigate Bellone, 50, bearing the flag of Rear Admiral Bosc, proceeded to sea this morning, under steam, and presented a very handsome appearance as the morning breeze passed down the harbour. It is understood that the French Admiral is bound to the coast of Newfoundland, probably for Heart's Content, Trinity Bay, for the purpose of witnessing and participating in the landing of the Atlantic Cable.—B.

H. M. Ships Liffey, 50, Capt. Geo. Hope, K. C. B., and Niger, 5, paddle sloop, Com. Urquhart, passed out of harbour in beautiful style at 4 o'clock to-day.—B.

REPUTATION ESTABLISHED.—Mrs. S. A. ALLEN for twenty years past has been manufacturing her World's Hair Restorer and Zylolabium, or Hair Dressing, and the millions of bottles sold every year in the United States, Great Britain and France (each year largely increased sales over the previous) is a guarantee that the articles are unequalled. We know they will restore grey hair to its youthful color, producing the same vitality and luxuriant growth as in youth. You can procure them at any Druggist's in W. R. Watson, Agent, Charlottetown, P. E. I.

HOLLOWAY'S OINTMENT AND PILLS.—Jaundice—Disordered Liver—A good free flow of bile is absolutely necessary for digestion; when this secretion is interrupted, the bile becomes immediately sets in, and sallowiness or jaundice marks the cause to be in the liver. This important organ, so liable to disorder, can always be regulated by Holloway's Ointment and Pills. Ayer's Cathartic Pills.

Are the most perfect purgative which we are able to produce, or which, we think, has ever yet been made by any body. Their effects have abundantly shown to the community how much they excel the most celebrated cathartics in use. They are not only pleasant to take, but powerful to cure. Their penetrating properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood, and expel disease from the system. They are the most salutary influence without harassing the stomach or the bowels—a matter frequently of vital importance, considers on this remedy an advantage over all other cathartics.
