

MINORS REGISTER SATURDAY

By JIM CULLEN

Minors Register Saturday

The Charlottetown minor hockey association will swing into action this Saturday, when officials of the organization will hold their registration for the coming season at the Charlottetown Forum. Parents are invited to attend Saturday's registration if they want their sons to play in the respective leagues in winter.

It is necessary that the minor officials will know within a couple of days how many teams will have to be formed and then they will be able to make arrangements for sufficient ice time with the Charlottetown Forum management.

The minor hockey association held its annual meeting last Monday night and elected its officers for this season. Ivan Dobson, who has given a lot of time to the minors in recent years, was re-elected as president of the association. Mike Campbell was elected to the vice-presidents post and Bill Murphy has accepted the secretarial duties. Along with these officers those present at the meeting were: Fred Hynes, who will take charge of the various age divisions. The following are those who will be acting in this capacity: Jack Morrice—juvenile; Lee Henessey—midget; Bill Ledwell—bantam; Louis Butler—Pee Wee; Bill Henessey and Don Jim Higgins—pewee.

There has been a slight change in eligibility ages for the respective divisions. The date has been moved back to May 31. Thus, any boy born after May 31, 1946, is eligible for juvenile league; any boy born after May 31, 1948, is eligible for midget; born after May 31, 1950—eligible for bantam; born after May 31, 1952—eligible for pee-wee; and born after May 31, 1954—eligible for pewee.

Registration will get underway at the Forum at 9.00 a.m. Saturday morning. From 9.00 a.m.—12 noon will be for the juvenile, bantam and pee-wee divisions. The midgets will register from 1.00 p.m.—3.00 p.m. All registrants are requested to bring their birth certificates and registration fee with them on Saturday. The registration fee will be \$1.00 for Charlottetown residents and \$2.00 for others. We think this is a very small fee for the amount of recreation the children get out of this program.

Tid Bits From Here And There

Wednesday night marked two big firsts in the NHL, this season. The defending Stanley Cup champion Toronto Maple Leafs defeated the Detroit Red Wings for their first loss in nine games as the "Punch" Imlach crew defeated the Detroit squad in a 4-1 victory. The Toronto Maple Leafs made their first appearance in the National Hockey League in over a year as they defeated the Detroit Red Wings 4-1. The former helped the Leafs defeat the slumping Chicago Black Hawks by a 4-1 count. Worstley suffered an ankle injury about a week ago and was forced to sit out. The injury was a strain on the ligaments and he was unable to play. He is expected to be back in action in a few days. The Leafs are one of the best in the business. Forney is the League Edward Island performer in the NHL.

We read recently where Boston coach Bill Smith had a high regard for Charlottetown minor hockey players, despite the fact that Kennedy is listed in a penalty killing role for the Red Wings. In fact, Mr. Smith's opinion is to consider Forney as one of the most promising in the Boston machine. The Boston coach maintains that the players from the minor clubs are better than the pros. The reason for this opinion and this is a big advantage in the penalty killing chores; the other players apparently seem to have less of an eye on the puck than Forney. Forney is one of the most important goals in the National Hockey League. Forney is one of the best in the business. Forney is the League Edward Island performer in the NHL.

Leon Wagner, the first Indian outfielder of the Cleveland Indians became the first Indian to play in the Cleveland aggregation and drove in 100 runs in 1962 games last year. He also hit 19 doubles, a pair of tripples and a homer.

Doc's boy one of the most popular horses to ever compete at the Charlottetown Driving Park scored a victory at Rockingham track Tuesday night. The big horse won his event in a time of 2:08.4.

Omee Brennan of the Bahamas won the vacant British Empire lightweight boxing championship with a 15-round decision over Earl Kikora of Auckland.

The Baseball world lost one of its most beloved members when Fred Hutchinson passed away yesterday after suffering from a long illness. Hutchinson was a player and manager capable of handling the club as the National League pennant race went down the wire and his death was a great loss to the baseball world. WANTS HIS TEDDY BEAR. LONDON (AP)—Insurance broker Henry Middleton is seeking his ex-wife for return of his teddy bear, estimated to be a century old and an 18th century baby. The teddy bear and its owner, Mrs. Middleton, were found in a family for years and years, he explained, noting he is asking for its return.

SAWKUCH CAUGHT OUT

Leaf goalie Terry Sawkuch is caught a long way from his net as his former Detroit Red Wings teammates close in for a goal in the first period of the National Hockey League game in Toronto. It was Sawkuch's first goal for Red Wings against Toronto. Detroit forward Ted Lindsay (12) watches as shot from Detroit's Bruce MacGregor.

Lions Defence Is Strong But Dobbs Isn't Worried

CALGARY (CP)—"We're not worried," says Stanley Cup champion Toronto Maple Leafs coach Bobby Dobbs said Thursday as he and his Calgary Stampede opened special practice sessions in preparation for the Western Football Conference final.

In Vancouver, coach Dave Skirra also moved his club into secret sessions to avoid interruptions from youngsters and others who might shout comments of the play and disturb their concentration.

Lions and Calgary clash here Saturday at 2 p.m. AST and other Stampedeers still hurting from the semi-final include halfback Jim Dillard, who recently recovered from a broken ankle, and tackle Don Latta, who missed several games, including the semi-final clash against Saskatchewan Roughriders.

Dobbs and Henry Hutt, who were a slight chance of snow for the game, but snow cleared about 1 1/2 inches of snow which fell overnight with special machines.

Lions, who have rested since their first place Nov. 1, responded to the challenge with a league-leading 352 points during the schedule, appeared at its peak coming out of its 76-40.

Hutchinson was a warm, friendly man hidden behind a gruff exterior and a deep, gravelly voice that made some call him "the bear." A frank and direct individual who believed always in speaking out, Hutchinson never tried to hide the fact that he was suffering from cancer.

Hutchinson, manager of the year in the National League in 1961 when his Red Wings won the pennant, is survived by his wife, a daughter, Patricia, 16, and three sons, Rick, 20, Jack, 19 and Joe, 9.

Hutchinson entered hospital last July when his condition improved he was allowed to resume his managerial career. He returned to his post at Anna Maria Island, last Saturday.

Hutchinson never came back although he did return to the club as a coach. He was a player and manager capable of handling the club as the National League pennant race went down the wire and his death was a great loss to the baseball world.

As' Lack Of Quarterback Stems From 960 Failure

By JACK SULLIVAN

Canadian Press Sports Editor Last Monday marked a significant anniversary in the life of Ted Workman of Montreal Alouettes in the Eastern Football Conference. Workman, who has been the Alouettes' owner would just as soon forget Nov. 9.

On that day in 1960, he announced a player deal that rocked the Canadian football world. Workman had hired Perry Moss, his coach and general manager at the time, took the blame from irate Montreal fans. But his deal was Workman's brainchild and he admitted it later when he said "I should at least have consulted Moss and Hal before I announced the trade."

He insisted, however, that the only mistake he had made was in the way he handled the situation. "I should have consulted Moss and Hal before I announced the trade."

Maybe so, especially since Faloney has been a key man in the Alouettes' march to the Grey Cup final in 1961, 1962 and 1963. The Alouettes, of course, have been the loser all around.

Workman had good reason to resent that memorable day if he got around to reading Monday's newspapers which gave the grisly details of the Alouettes' shattering 27-0 loss to Ottawa Rough Riders in the sudden-death Eastern semi-final. Workman has been the loser all around.

Workman pulled a rock, although Perry Moss, his coach and general manager at the time, took the blame from irate Montreal fans. But his deal was Workman's brainchild and he admitted it later when he said "I should at least have consulted Moss and Hal before I announced the trade."
