

WANTED Full-Time Students To Fill Resident Assistant Positions For the 1992-93 Academic Year
Are you interested in finding out more about the Resident Assistant positions coming up for the 1992-93 academic year?

If your answer is YES!, then come to an information session on either of the dates and places listed below:
6 p.m., Monday, January 27th in Bernardine Hall [MAPUS Lounge]
6 p.m. Tuesday, January 28th in Blanchard Hall [Main Lounge]

At these sessions there will be details given about expectations, responsibilities, hiring process, and benefits of the job of Resident Assistant.

If, in the meantime, you would like to pick up an application package you can do so by going to the Personnel Office on the second floor of the Kelly Building. Applications and references for this position are due noon, Friday, January 31th, 1992.

SO DON'T DELAY!!! FILL OUT AN APPLICATION TODAY!!!

Dear unhappy Business Society Member

I would like to say that I wish you could have brought your ill feelings to the attention of a member of the executive committee, but that is past history. In answer to your first point on the society meetings executive meetings are held every Tuesday at 5:30pm in our office in Kelly 3rd floor. With over 200 members it would be impossible for us to have a meeting where we could have enough people to get a quorum. Your second point deals with our Harbour Cruise, we had two such cruises contrary to your thinking these cruises were not wet. Whom ever told you they were for "19+ only" should be shot. The Business Society is not here to force anyone to drink if they do not want to. I am assuming that you are a Freshman. This very fact has put you back a step, in that you probably have only one course in Kelly all year, Business.101. The rest of your courses are in other buildings. The Business society does not post sign-up sheet and bulletins in other buildings. All up coming events are post in the lounge area of the 2nd floor Kelly, near our display case. The purpose of the Business Society is to foster a social atmosphere where business students can get to know one another and to take the concerns of those students to the Faculty. But if you don't give us your concerns, what can we do to correct the problem? During the first semester the Business Society Sponsored the following events for students: 2 harbour cruises 1 golf tournament 1 Business Society pub Deep Sea fishing (cancelled due to poor wether) I would like to inform all Business Society members of the upcoming Business Society Events Bowling Friday, January 24 Curling T.B.A. Business Society Dinner March 26 Business Pub T.B.A. Policy Party T.B.A. (after policy due date) Business Graduate class Party T.B.A. (senior week) In conclusion I would like to offer an invitation to any Business student who has comments or questions to ask anybody on the executive or you could leave u a message in our mailbox by our office or with Mollie down in the School of Business office.

Thank you
Darren Brown President U.P.E.I. Business Society
