Sugar Prices Hit New High

MONTREAL (CP) — Three major Montreal sugar refineries gave the spiralling price of sugar another upward twist Thursday, the fourth in four days.

The increase of 15 cents for 100 pounds wholesale—a daily routine this week—put the price at $13.75 a sack, the highest price in 40 years. A refinery spokesman said sugar sold for about $24 a hundred in the early 1920s and the price has declined since then.

Lawn-Boy's new Finger-Tip Start

makes a best-seller even better

If you can lift a finger you can start the new 1963 Lawn-Boy. Lawn-Boy engineers have designed a new ignition system and geared starter that reduces starting effort an incredible 94%. Finger-Tip start is just one of many ways the new Lawn-Boy gives you your money's worth—here are some others:

Lightweight. Lawn-Boy is easier to push than conventional steel power mowers because Lawn-Boy is made of magnesium, a metal lighter than steel. It is unusually tough and is rust proof, too.

Unique Grasscatcher. Lawn-Boy's Chute & Bag Grasscatcher does your raking for you; vacuum cleans as you cut, doesn't clog; holds a bushelful; detaches and empties in seconds.

Spring Steel Blades. Lawn-Boy cuts best because the blades are made of case-hardened spring steel—the same as quality barber shears are made of. Each blade has Lawn-Boy's exclusive blade stiffener which keeps the blade level to cut level.

Quietness. Lawn-Boy's muffler is the largest on any mower . . . therefore it's the quietest mower on the market.

2-Year Warranty. 24 months against defective parts and workmanship.

Let your Lawn-Boy dealer show you the new Lawn-Boy soon; see for yourself why it's Canada's best-selling power mower. 5 models to choose from.
