

Horace MacFarlane Heads Athletic Ass'n At S'side

Horace MacFarlane was elected president of the Summerside Athletic Association last night at one of the largest meetings since the association's inception. Other officers were: Honorary president, J. K. Curran; vice-president, Frank Cameron; secretary, treasurer, Bob Clark. It was decided to elect five directors-at-large at the meeting, and have the five service organizations, the Kinsmen, Y's Men, Rotary, Legion and Lion's Club add to this executive by appointing one member on the executive from each club. The meeting closed with prayer after the meeting.

Mr. Clark, the retiring president, thanked all those who had helped to make the last year a successful one, especially the merchants who generously made possible the fine hockey program last year, and Jim Hogan for his work in this minor hockey.

Mr. MacFarlane, in taking over the chair, paid tribute to the men who had done such fine work in the Association since it was organized, and asked for the co-operation of the citizens in making this year equally successful. A motion was passed that the executive draw up a brief regarding the pressing need of a yearly athletic grant from the town, and present it to the town council as soon as possible. It was decided to have another financial drive this year, the date to be set at the discretion of the executive.

Discussion regarding the possibility of having Johnny Carroll as sports director this summer ended without a definite decision being taken. The meeting was unanimous that the return of popular Carroll would be a boon to the youth of the town, but one felt that the Association should feel surer of its ability to meet the financial outlay involved before taking definite steps.

Hopes For Real Progress On Gas Pipeline

OTTAWA (CP) — Prime Minister St. Laurent said Wednesday he hopes "real progress" will be made at a meeting here with Alberton, Ontario and the gas pipeline officials in getting a natural gas pipeline built from Alberta to eastern Canada.

He was asked in the Commons by John Diefenbaker (P.C.—Prince Albert) about a report that the meeting will be held soon in Ottawa and two provincial governments and representatives of Trans-Canada Pipe Lines Ltd. and of Alberta gas producers.

Mr. Diefenbaker asked whether the meeting aims at settling one and for all the problems of financing the \$350,000,000 pipeline.

Mr. St. Laurent said he does not know whether the meeting will settle the question finally.

Trans-Canada Pipe Lines Ltd. has run into delays in financing its proposed 2,200-mile line. Recently the board of directors, comprising the board of directors of Trans-Canada Pipe Lines Ltd. and of Alberta gas producers.

Dr. Fisher Guest Speaker At Father, Son Banquet

—Dr. George Fisher of Charlottetown, speaking last night at the first annual father and son banquet of the Summerside Sea Cadets, held in the Legion Home, told the cadets that 17 months ago their corps had been formed and that they had come a long way since that time. "You have elected," he said, "to undertake a very valuable training and if you are willing to apply yourselves you will get a training that will benefit you all your lives." He told the cadets that at the conclusion of their training period it was not necessary for them to leave this province for larger centres to find opportunities in life. These opportunities, he said, are here and you can find just as many in Prince Edward Island as in any other province.

"There are unlimited opportunities," he said, "in our basic industry, agriculture, because this province is situated right in the center of a great market for our farm products."

Dr. Fisher pointed out to the boys the reasons for stern discipline in the course of their training and the necessity of obeying the orders of their senior officers.

The guest speaker was thanked by Sub-Lt. George Olscamp for his splendid talk to the cadets and their dads.

Charles Hogan, chairman of the sponsoring committee of the Canadian Legion, presided and extended a welcome to the fathers and sons, and he hoped that the banquet would be an annual event. Mr. Hogan said that at the recent inspection of the corps by Captain John C. Littler, R.C. N., the captain had said that the Summerside Corps was one of the best and smartest he had ever had the pleasure of inspecting. Mr. Hogan's remarks were responded to by Sea Cadet Tony

Colas who thanked the officers of the corps and the sponsoring committee for all that had been done for the cadets since they were organized.

Padre J. Donald MacKay in a brief talk to the boys said that outside his church work, his work in the Sea Cadets had given him the most pleasure. He told the fathers present that they had placed their boys in the hands of a fine group of officers and that the training they were receiving at the hands of these officers would pay great dividends in the future.

The toast to the fathers was responded to by Mr. Amos Hubley who said that as a father, he could well see the fine results of the splendid training the boys were receiving, training that teaches the lad character and good citizenship and he paid tribute to Sub-Lt. Gabriel Chaisson, bandmaster of the corps, for the outstanding progress made by the band under his leadership.

Brief addresses were given by Lt. Roy Boats, commanding officer of the corps, Major Lorne Monkey, president of the Summerside branch of the Canadian Legion, Roland Philipson, first vice-president of the Sea Cadet League of P.E.I., Sgt.-Lt. H. B. MacNeill, who announced that he was going to put up a trophy to be awarded to the best cadet of the coming year, this award to be won annually, Dave Miller, former commanding officer of the corps, who expressed his great pleasure at the progress they had made and addressed the boys as "gentlemen" for he said that they were entitled to be so addressed, and by Sub-Lt. Gabriel Chaisson, bandmaster of the corps.

At the conclusion of the banquet the band of the corps delighted the gathering with a number of selected numbers. —S.
