N. Y. Stocks

NEW YORK, (AP)—The stock market went through its second straight recovery session Wednesday, but it ran into profit-taking late in the day.

The net advance of the entire market was good, however, and in two sessions the market now has retraced around 60 per cent of the severe loss in the Monday break.

There was a favorable background for an advance. President Eisenhower said the nation's economy was in good condition. The federal reserve, banking quarters say, believes that the current firming of interest rates reflects a quickened business pace.

Aircrafts were leaders in the rise, but Wednesday some of them came under heavy selling for profits. Railroads did well along with steels, oils, electrical equipment and a sizable list of individual issues many of which rose rapidly on a handful of sales.

The Associated Press average of 60 stocks advanced 80 cents at $150.90. The industrial component of the average added $1.00, railroads were up $1.10 and utilities were ahead 20 cents.

Canadian issues were mostly lower. International Nickel dropped 1-2, Dome Mines lost 1-4, Hiram Walker and Distillers Seagram both fell 1-8. Canadian Pacific was up 1-4.

On the American stock exchange Lake Shore added 1- 4and Royalite Oil gained 1-8.

Toronto Stocks

TORONTO, (CP)— The stock market recorded modest gains Wednesday but a late wave of profit-taking brought prices down from their best.

United Asbestos touched $6.10 on a sharp climb and closed ahead 45 cents on the day. Noranda dropped $1 to counter the higher base metal trend.

Among the strong western oils Triad closed at $3.50 on a 30-cent climb and Gridoil climbed 40 cents. Also strong were Commoil and Western Leaseholds. Husky Lands eased.

Special situations brought heavy trading to many low-priced mines. Jonsmith was most active, turning over 957,000 shares to climb 22 cents to 77 after an underwriting and announcement of reorganization plans.

Baska dropped nine cents on 778,000 share turnover after its sharp climb Tuesday. Headway touched 49 cents on almost 500,000 shares and Coulee hit 78 cents, easing late to 68 1-2.

Cassiar continued its week-long gains with a 45-cent jump after a report dividends are being considered. Easier issues included Maritimes, Faraday, Consolidated Denison, Bathurst, and Nesbitt Labine. Sullivan dropped 25 cents in golds.

Closing indexes: Golds off .14 to 81.16, base metals up .58 to 161.74 and western oils up .43 to 103.26.

SON FOR KABAKA

KAMPALA, Uganda (Reuters)—The 24-year-old wife of the exiled kabaka (ruler) of Buganda gave birth to a son here Wednesday night, and there were widespread rejoicings. But native drums which would normally have announced the birth were silent because of the absence of the kabaka, barred from the country for allegedly refusing to co-operate with British authorities.
