

# Hearing In Case Again Adjourned

SUMMERSIDE — A further adjournment until May 10, was granted Thursday by Prince County Magistrate W. Chester S. MacDonald for the preliminary hearing of Leo Austin MacLeod, of Albany, charged with rape.

A second charge in connection with the same incident of breaking and entering with intent to commit an indictable offence, was adjourned until the same date. Both offences are alleged to have occurred at Albany on April 23, at the home of Mrs. Josephine Bernard.

The accused is being held in custody and asked for the adjournment to obtain the services of a lawyer.

An Alberton resident, Robert Douglas Hardy, was fined \$75 and costs when he pleaded guilty to a charge of driving while his abilities were impaired by alcohol. The accused was arrested by Sgt. Wayne Horrocks of the Alberton RCMP detachment, in Alberton on April 28, after he was noted to be driving erratically down the wrong side of the road.

Three witnesses for the defence were heard yesterday in the case of Gerald Joseph Gallant, of Richmond, who entered a not guilty plea at an earlier sitting of the court, at which time RCMP evidence was heard.

The accused stated that on the day in question, Jan. 9, at about 2:00 p.m., he was travelling west near Miscouche when stopped by the RCMP and he had not taken a drink that day.

He said that he was a little sleepy at the time, because of staying up two successive nights with his sick father.

Under cross examination by crown prosecutor George R. MacMahon, Mr. Gallant admitted having two bottles of beer in the early morning at a Summerside house, but refused a drink of wine from two persons whom he was driving home when apprehended.

He said that ordinarily he does not drink much and had not consumed "\$5 worth of liquor in the past two years".

The second witness called by defence attorney J. Watson MacNaught QC, was Leo Madix, of Wellington, who testified that he drove into Summerside with the accused, but did not return home with him, although he saw him about 1:30 in the afternoon and at that time he was sober.

Toussaint Bernard, of Summerside, stated that Mr. Gallant stayed at his home for dinner that day and when he left at about 12:30, he was in good condition.

The case was then adjourned for judgment at a date later this month.

# New Housing Development Announced For St. Eleanors

SUMMERSIDE — Another new housing development for the Summerside area was announced Thursday for a 30-acre section of land in the St. Eleanors district about a mile west of Summerside.

The announcement was made by MCL Development Incorporated, a newly incorporated company whose executive officers are David Morrison, president; Laurie Coles, vice-president; Charles "Bud" Craig, secretary-treasurer; D.R. Morrison and Charles Linkletter, as directors.

Mainly concerned with land development, the new company is also chartered to participate in renting, leasing, retailing, etc. The first project of the company will be the sub-division of the farm formerly owned by

James Chappell, located north of the Linkletter road, south of the railway line, and west of the St. Eleanors road, on the western highway about a mile west of Summerside.

Plans for the new sub-division call for 70 building lots which will have frontages from 75 to 100 feet each, and the area will be serviced with water and sewage services connected with the present services of the incorporated Village of St. Eleanors in which it is located.

Plans also include a playground and park area in the centre of the development. The area will be laid out with streets and housing construction will be required to conform to national building and town planning specifications.

# Montreal Architects Hired To Design Provincial Building

The new provincial building to be located on the West Kent School Block in Charlottetown will be designed by the same architectural firm that designed the Confederation Memorial Building.

Provincial Secretary J. David Stewart said Thursday that

the Montreal firm of Affleck, Desbarats, Dimakopoulos, Leblond and Sise have been appointed architects for the provincial building project.

Mr. Stewart announced the appointment following the first meeting of officers of the Crown Building Corporation, set up at the last session of the Legislature, to carry out construction of the building.

Hon. Philip Matheson was appointed president of the corporation. Other officers are Hon. Hubert McNeill, vice-president and John Gilmore, secretary-treasurer.

Mr. Stewart said that appointment of a board of assessors for the corporation is under study. According to Mr. Stewart the building architects were appointed for the provincial building project with the thought in mind that there would be a continuity of design between the two buildings.

# Code Of Ethics Being Pondered By Exchanges

MONTREAL (CP)—Prompted by the flurry of anonymous stock offers in recent months, the Montreal and Canadian stock exchanges has sent a questionnaire to member brokers asking whether they think a "code of ethics" should be laid down for companies listed on the exchanges.

The questionnaire, signed by G. A. Cruickshank, exchange vice-president, said anonymous offers through trust companies for a specified number of shares of companies listed on the exchanges "has caused a great amount of comment among shareholders as to possible inequities in such transactions."

Two prominent offers of this type in the last two months were made by Slater Steel Industries Ltd of Hamilton for 500,000 shares of the Foundation Company of Canada Ltd, and by Mashal Enterprises Ltd, of Montreal for 150,000 shares of United Steel Corp. Ltd. The Slater bid was successful, the Mashal one was not.
