Kensington Legion Branch Receives Membership Award

KENSINGTON — F. P. L. Smith, chairman of the membership committee of the provincial command, presented the Kensington branch of the Royal Canadian Legion with a certificate of membership in the 6 per cent membership club at the regular meeting on Tuesday evening. The dominion command trophy for the greatest increase in membership was won for the past year by Prince Edward Island, and this certificate was awarded to the Kensington branch for having increased its membership by more than 6 per cent.

In making the presentation Mr. Smith recalled the days when he knew "Jim" as a sergeant in the Second World War, and spoke with keen appreciation of his integrity and good judgment. Speaking on membership, Mr. Smith stated that in his opinion, every veteran should be a member of the Legion.

The president, Clair Maynew presided. Delegates appointed to attend the provincial convention to be held in Charlottetown on Friday and Saturday, were the president and Major Sinclair, substitute, William Blakeney. A color party, Fred Campbell and Charles Hickey also agreed to attend.

Letters included thanks from the Kensington Centennial Committee for a contribution; thanks from the Murphy family, Sea View, for flowers and cards of sympathy, and thanks from the Kensington Regional Band Auxiliary for scholarships.

Assistance was asked by Chief S.D.A. Wainman of the Summerside Police Department for help from the Legion members on the occasion of the Queen's visit on Oct. 7, and any one wishing to volunteer for that service, was asked to leave his
