

What's on at the Panther Lounge

Finals are fast approaching but rest assured the Barn will be still running full steam ahead. Wednesday Jam Night, That's Entertainment Movie Pubs and our Thursday Pubs will continue non-stop until the Christmas Blast on Thursday, December 17th.

Coming up on Thursday December 3rd the Barn is extremely pleased to host a Tri-House Residence party. The Barn staff and the residence reps are really anxious to hold this event.

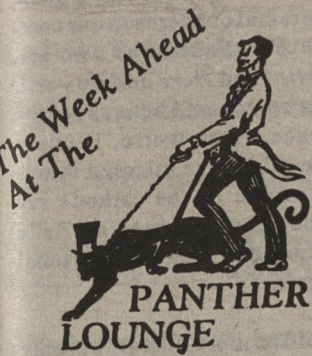

Other Barn news includes the addition of a second pool table. No more long waits to play a game of stick!

This week's movies will be the *Meaning of Life* and *The Life of Brian*, both Monty Python classics. The following week's movies (December 4) will be Don Cherry's *Rock 'em Sock 'em Hockey*, Volumes 1 thru 4; and Michael Jackson's *Dangerous Tour Video* (It's pretty sharp even if you don't care for Michael Jackson).

As far as Karaoke goes, the final steps are being taken to arrange it for Friday evenings at the Barn. The Karaoke will begin right after the movie pubs and chances are that it could be ready to go as early as this Friday. We hope so!

As the Christmas season approaches, for any groups on campus wishing to have a Christmas party at the Barn, it's as simple as a phone call. All we need is a couple of days notice and we'll be sure to accommodate groups anywhere from 10 to 200 people. Even if it's a small little gathering give us a call and we may be able to arrange specials, etc. So remember, in December get MERRY at the Barn (Oh that's a bad one!).

One last thing that we'd like to let everyone know is that we are in the negotiating stage to bring Blue Rodeo to the Barn sometime in January or late February. Wish us luck.
