

DECISIONS, DECISIONS...

BA II PLUS™

Easy-to-use calculator gives business professionals and students access to powerful features such as cash-flow analysis and advanced, list-based statistics.

- Helps you solve time-value-of-money calculations including annuities, mortgages, leases, and savings. Also generates amortization schedules.
- Does cash-flow analysis for up to 24 uneven cash flows with up to 4-digit frequencies; computes NPV and IRR.
- Gives you 4 methods for calculating depreciation, book value, and remaining depreciable amount.
- Includes trigonometric functions, natural logarithms, powers, and breakeven analysis.
- Gives business professionals and students access to powerful features such as cash-flow analysis and advanced, list-based statistics.

TI-68

254 ways to succeed in math, science and engineering.

The TI-68 from Texas Instruments. With 254 powerful built-in functions, the TI-68 advanced scientific calculator from Texas Instruments helps you solve even the most challenging math, science and engineering problems fast and easily.

For instance, the TI-68 solves up to five simultaneous equations with real or complex coefficients, has powerful formula programming capabilities and 40 complex number functions. There's also a last equation feature, 12-character alphanumeric dot-matrix display, a polynomial root finder and one and two-variable statistics capability.

Don't let a few complex technical problems slow you down. For the value and functionality, the TI-68 is just your speed — fast!

TI-34

An easier way to handle math and science.

The TI-34 calculator from Texas Instruments makes scientific functions easy to use during tests or on the job because we've separated function keys from number keys by using color-coding.

These colorful keys provide very useful math, science and engineering functions. The TI-34 can operate in three basic number systems; hexadecimal, octal and binary. One-variable statistics, fractions, logarithms, reciprocals and dozens of other scientific functions are no problem either.

Let our easy-to-use keyboard help you stay in touch with math and science. Choose the convenient color-coded TI-34 calculator from Texas Instruments.

The TI-36X SOLAR sheds new light on math, science and statistics.

There are at least 164 good reasons to choose the TI-36X from Texas Instruments. . . the 164 function scientific calculator that works perfectly, even in low light. We can't list them all. But we can tell you that the TI-36X SOLAR is easy to use, especially on tough problems in math, science, computer math and statistics.

Perform a wealth of scientific functions, from common and natural logarithms to permutations. Plus one and two-variable statistics including linear regression. And enjoy such extra advantages as metric/English conversions, number base conversions and advanced fractions capabilities. One more thing. You can forget about batteries; ANYLITE™ solar cells work even in low light levels.

Enlighten your calculations with the TI-36X SOLAR. It won't leave you in the dark when you need fast, accurate answers.
