

## THE ARTS ALIVE AND WELL AT UPEI

The activities of the Fine Arts Club at the University of Prince Edward Island continue this year from where they left off last year, with the mounting of another art exhibit in the Robertson Library.

Scheduled to open on March 22 at 2:00 p.m. and run until April 3, the show will feature paintings, drawings, cartoons, small wood sculpture and photos. Each exhibitor will be allowed a maximum of two pieces in the show.

Fine Arts Club president, Tracey Arsenault, has invited the whole university community to become involved. "We would like to see faculty, students,

staff, alumni and friends of the University exhibit their works in the show," she said. "Our experience from last year showed that there are many fine artists among this group, and we would like to see their work," she concluded. The Fine Arts Club will be receiving works for the exhibit on March 17, 18, 19 and 20 at the Robertson Library.

This year's officers for the UPEI Fine Arts Club are: President, Tracy Arsenault; Vice President, Jane Hughes; and Faculty Advisor, Dr. Janos Fedak, Professor of Fine Arts.
