Ch'town Electrical Firm Celebrates Anniversary

The electrical and refrigeration firm of Storey Electric Ltd. celebrated its 20th anniversary today. In the immediate past year, the firm has had a staff of 25, each of whom has had special training in his own particular field.

Storey Electric is a firm that while maintaining its efficient operation in the field of wiring and electrical contracting, expanded greatly in the field of refrigeration in the past 10 years. It also deals in servicing household refrigeration ranges and G. S. (West) Storey, proprietor and manager, was a pioneer in the field of refrigeration in this province and in pre-war years made a study of the then infant industry, and has followed its growth closely. He is a graduate of New York's College of Refrigeration and Technology and a charter member of the RSES. In keeping abreast of the latest developments in the field, Mr. Storey is in a position to give competent advice on any size refrigeration project.
