sairship we never heard of anything equalling piracy like this; and unless the friends and relatives of Paley can submit satisfactory evidence before the tribunal of the public that he has had foul wrong done unto him, his reputation as an *honest* writer sinks for ever beneath the sea of contemptuous oblivion. Who does not remember walking with Paley on the heath and picking up that memorable and wonderful watch, and sitting down to listen to the admirable philosophy imparted thereon, and to heed the charming instruction given upon its anatomy—if we may so call it—and to mark with heart-burning enthusiasm the uses made by our 'guide, philosopher and friend;' and how he led from the watch in his hand to the origin of all things reposing in the hand of God? Alas! we regret to state it—but, for the sake of honesty, it should be mentioned that that watch was stolen! It was originally the property of Bernard Nieuwentyt, and Paley filched it from him and exhibited it in England as his own!' We would suggest a translation of the entire work of Paley's victim.

TO THE PUBLIC.

THE Hon. PHILIP S. WHITE, P. M. W. P., National Division, Sons of Temperance, having by virtue of the power vested in him, granted a Charter under the seal of the said National Division, organising a Grand Division, under the name of the "GRAND DIVISION of Prince Edward Island," with full power to open Subordinate Divisions in the said Island. This is to give notice that the following is the Form of Application for a Charter to open a Division, and which must be signed by at least eight persons, who must be men of good standing in the community, and should be directed to the Grand Scribe, free of postage.

[Date.]

The undersigned inhabitants of believing the order of the Sons of Temperance to be well calculated to extend the blessings of Total Abstinence, and promote the general welfare of mankind, respectfully petition the Grand Division of Prince Edward Island to grant them a Charter to open a new Division, to be called the Division, No. Sons of Temperance of the Island of Prince Edward, to be located in and under the jurisdiction of the said Grand Division.

We pledge ourselves individually and collectively, to be governed by the rules and usages of the said Grand Division, and also, by those of the National Division.

(Signed.)

Enclosed is the Charter Fee, £1 10s.
And for Books, 15s.

Upon receiving the enclosed certificate I am directed by the Grand Worthy Patriarch to state, that as soon as practicable, he will attend with the Grand Conductor, or will send a Deputy duly authorised, to open the Division.

As it is desirable that the principles of this truly noble and philanthrophic order should be diffused throughout the Island, it is to be hoped, that those persons who are in favour of Temperance would unite, so that Divisions may be established in every settlement of the Colony. The leading principles of the Order are as fellows:—

1. A universal Temperance reformation.
2. A Brotherhood, in Love, Purity and Fidelity.
3. The pecuniary relief of sick Brethren.
4. The encouragement of morality.
5. The diffusion of good will to all mankind.

Besides others equally exalted and ennobling.

The initiation fee to each Brother on opening Division is twelve shillings, and which is retained in the Division, and from this fund the expenses for Charter &c. are paid.

By order of the Hon C. Young, G. W. P.
