FOR OVER FIFTY YEARS Mrs. Winslow's *Soothing Syrup* has been used by millions of mothers for their children while cutting teeth. It relieves the little sufferer at once; it produces natural, quiet sleep by relieving the child from pain, and the little cherub awakes as "bright as a button." It is very pleasant to taste. It soothes the child, softens the gums, allays all pain, relieves wind, regulates the bowels, and is the best-known remedy for diarrhœa, whether arising from teething or other causes. Twenty-five cents a bottle. Be sure and ask for "Mrs. Winslow's Soothing Syrup," and take no other kind.

THE Wallace Hopper Company were greeted by a full house at the Association Hall on Saturday evening, and their rendering of the popular drama, "Reclaimed," was received with hearty applause from beginning to end. Perhaps the fact that Wallace Hopper (as Larry, the principal character) was a Truro boy lent a special interest to this piece, and the easy manner in which he carried his part to perfection was very gratifying to his many friends and delighted the entire audience. He was well supported by Miss Nella Robinson as "Mona," and the other members of the company. The part of the villain was admirably sustained by C H Macdonald as "James Raymond," and Miss May Powers as "Polly the Maid," greatly amused the audience with her bright songs.—Truro Daily News, June 15.

Fishery Bulletin.

(Fisheries Intelligence Bureau Report.)

HALIFAX, July 3.—The codfishery is reported good at Long Point and St. John River, Que., and fair at New Port, Point Queen and coast of Cape Breton. It is good at L'Ardoise, fair at Port Hood, Louisburg and Arichat. In Nova Scotia a few mackerel are reported taken by hooks and nets. Along the north coast of P. E. Island from Miminigash around to Alberton, the catch was fair. At Port Hood, Ingonish, St. Anns, Arichat and St Peters a heavy body reported schooling. Outside St Peters Bay both the herring and the mackerel are reported good. At Lunenburg and Liverpool caplin are still plenty. At English Bay, S. W. Point and Fox Bay lobsters are very plentiful.

Firemen's Tournament.

The Island firemen returned from the tournament at Moncton last evening. They did good good work while there, fully keeping up the reputation of the Province. Here is their record:—

Hook and Ladder Race—(Three teams entered)—The Charlottetown team won in 18 2-5; Fredericton second in 19.1-5, and Halifax third in 19.2-5. Prize $20.

Hose Reel Race (300 yards)—The entries were: Charlottetown, Truro, Amherst, Moncton. Won by Moncton in 1.20 2-5 Charlottetown second, 1 24; Truro, 1.34 4-5; Amherst, 1.27 2 5; Fredericton, 1.27.

Hose Reel Race (200 yards, in uniform)—Competitors: Charlottetown and Moncton. Won by Moncton in 1 04; Charlottetown, 1.06.

Drivers Race—1st, John Proud; 2d, Jos. Hennessey, both of Charlottetown.

Professional Race—2d, Thos. McKenna, Charlottetown.

Officers Race—1st, Daniel Finlayson, Charlottetown.

Three-Legged Race.—John Proud and James McEachern, of Charlottetown, ran a dead heat with the Halifax representatives.

There was a good deal of dissatisfaction over the decision in the second hose reel race. Several of the spectators held stop watches and claimed that the time made by Charlottetown was the fastest. The Island boys thought they had the race, too, but the judges gave it to Moncton.

—The devilish perseverance of the incendiary, and the slackness of the community in respect to him, have resulted in another disastrous fire. This time only horses and other property have been destroyed. We have not to mourn the loss of human life. But surely it is time to adopt effective measures to rid the town of the infernal midnight vandal and his torch. If we have no detective of sufficient skill to trace the villain to his haunts and capture him, let one be imported for the purpose. Let us not spare money about this matter.

—The Patriot labors to create a prejudice against the Liberal-Conservative party on account of the consolidation of the laws. This was a work demanded by the public. Session after session the Opposition declaimed against the Sullivan Administration because the work, so much required, had not been engaged on. But now that the work is done, these same men raise an outcry because of the expense incurred. The work was a great work, involving an immense amount of labor. Of course it cost some money. But there is no evidence to prove that other lawyers than those engaged would have performed it for one dollar less than was paid the commissioners. As to the printing, we are confident that full value was rendered for every dollar paid THE EXAMINER on account of it.

THE STATEMENT BELIEVED.—We have published at different times that we could furnish a piece of crockery or glassware to every man, woman and child on P. E. Island, as yet we have met, but one person who doubted this statement, but after going through our store and warehouse, he said it is all true. If there is another person who yet doubts our statement we wish him or her to call and look through our stock (without charge) and we believe they will be quite satisfied that our statement is correct.—W. P. Colwill. je25 d w 4w

Oh, What a Cough

Will you heed the warning? The signal, perhaps, of the sure approach of that more terrible disease, consumption. Ask yourself if you can afford for the sake of saving 50c to run the risk and do nothing for it. We know from experience that Shiloh's Cure will cure your cough. It never fails. This explains why more than a million bottles were sold the past year. It relieves croup and whooping cough at once. Mothers, do not be without it. For lame back, side or chest, use Shiloh's Porous Plaster.

Call at Reddins' drug store and get a sample bottle free.—oct31eow
