SHIPS CAPONS TO ROYAL

Mr. and Mrs. Dingwell MacLeod of Vernon are shown with a box of grade special capons they have packed and shipped to Toronto where they will be entered at the Royal Winter Fair.

The MacLeods have a most outstanding record at Canada's premier agricultural fair. They exhibuted their first box of capons nine years ago they placed fourth. The next year they placed second.

The following year the MacLeod capons won first prize in their class and won the Grand Championship over all types of poultry at the fair and the E.D. Bonnyman Memorial Trophy emblematic of dressed poultry supremacy in Canada.

The following year the MacLeod's won first place for capons. The next two years they won first prize for capons and also took the grand championship. The seventh and eighth years they won first prize in the capon class.

This is the ninth year and this is their entry as they bid for further honors in a field which they have practically dominated for so many years.

This year's entry is a box of Barred Rock-New Hampshire crossbreds. Actually two boxes are entered. One box weighs an average of about six and three-quarter pounds. The other box averages seven and one-half pounds.

Home & School Held Meeting

HOME AND SCHOOL LB

The October meeting of the Prince Street Home and School Association was held in the school Thursday evening Oct. 17th at 8 o'clock with a large attendance. The meeting opened by singing "O Canada." M . Bishop, the president presided.

The newly appointed Y secretary, Mr. Evans who was guest speaker for the evening was introduced by Mr. George Purvis. Mr. Evans explained to the Association the purpose of the "Y" in the community He stated that the "Y" working with the home, school and church could help educate our boys and girls to become better citizens.

A hearty vote of thanks was moved by Mr. Arthur Clark and seconded by Mr. Reg. MacNutt.

The following delegates were appointed to attend the Provincial Home and School meeting, to take place, Oct. 22 at Prince of Wales College: Mrs. Agnew, Mrs. Richard Matheson, Mrs. Wilfred James, Mrs. Gordon Stewart and Mrs. William Rogerson.

Mrs. Taylor read a letter from the Director of Visual Education, inviting parents to attend the panel discussion by Mr. Kenneth Parker, Superintendant of City Schools and Dr. Frank MacKinnon, Principal of Prince of Wales College on Friday evening, October 18. This is a National Broadcast known as Citizens Forum and is the first time such a broadcast has originated from Charlottetown. The topic of the program is "Should we weed the Idlers out of High School." Mr. Bishop closed the business part of the evening by pronouncing the Benediction.

Parents visited the different class rooms after which a delicious lunch was served in the staff room by the catering committee.

Former Pres. Missionary Dies In City

Mrs. Ethel Charlotte Burkwall, who passed away at the P.E.I. Hospital on Oct. 31st., was the daughter of the late John Dawson Reid and Eva (Weatherbie) Reid of Charlottetown. She was educated here, graduated from Prince of Wales College and also Ontario Normal School, having taught in Toronto City Schools for a period.

In 1911 Mrs. Burkwoll went to South China as a missionary of the Presbyterian Church, spending in all about 20 years in that work.

Mrs. Burkwall married Rev. Mr. Burkwall, a South China Secretary of the British and Foreign Bible Society, in Canton, in 1930. After his retirement in 1937, they lived for some time in Edmonton, Alberta, where he continued in Bible Society work for some years.

Upon the death of her husband in 1953 Mrs. Burkwall lived with her sister Mrs. J. H. Stevenson in Saint John, N.B. They both came back to the land of their birth in July of this year.

Mrs. Burkwall had been in failing health for some time, but her missionary efforts among the Chinese in Canada had never ceased and Mrs. Burkwall numbers among her friends scores of Chinese citizens across Canada and in the Orient.

Mrs. Burkwall leaves to mourn her departure her sister Mrs. J. H. Stevenson of this city, her brother Sydney in New York City and her step-children, as follows: Surgeon-Capt. Herman Burkwall of U.S. Navy; Francis P. Burkwall of Beaumont, Texas; Miss Edna Burkwall, Kansas City; Mrs. Albin Nelson, Frederic, Wisconsin; Mrs. E. K. Eklund, Chicago; Miss Marion Burkwall, Columbus, Ohio; Miss Margaret Burkwall, French Cameroons, Africa.

She also leaves a number of nephews and nieces.

Bunbury Farm Holstein Is An Outstanding Performer

The current issue of the Holstein-Friesian Journal has a story on Abegweit Mademoiselle. V.G. a cow that was bred in the Bunbury Farm herd of the late Senator J. Walter Jones. Mademoiselle was calved around 1940 before the late Hon. Mr. Jones became premier of the province.

Sired by Montvic Pathfinder 10th, she is a daughter of Abegweit Lorna Regina (V.G.) who made a Canadian Championship Junior 3-year old 305-day fat record, says the Journal. with17.709 lbs of milk, testing 4.16 percent for 742 lbs. of fat on 3X (3 times a day milking). On completion of this record she was sent to the All-Canadian consignment sale in 1943 and was purchased for $2,-000 by Smith Haven. Mademoise was born enroute and she was sold for $400 when six days of age to H L Guilbert along with her year-old full sister, Abegweit Keepsake, who brought $750. Keepsake later made the honor list and produced a total of 101,-985 lbs milk, 3364 lbs fat in six lactations.

Mademoiselle has made the news now because she has won a Silver Seal certificate for her present owner, D G Gething, Orton, Ontario. She has an 8-lactation total of 154,414 lbs of milk, 5579 lbs fat for an average test of 3.61 p.c.

She made the honor list as a two year old with 20,567 lbs milk, 729 lbs fat, for a test of 3.54 pc and reached her peak at seven years with 26,817 lbs milk, 985 lbs fat for a test of 3.67 pc. Both of these are 3X records. (Three-times-a-day milking).

The Journal notes that Mademoiselle is a well known and a well-travelled cow. Her record bears that out.

Mated to Montvic Emperor Ajax, Mademoiselle produced Eglantiers Rag Apple Regent Archambault of St. Thomas d'Aquin before going to the St. Hyacinthe Unit. Guilbert then consigned her to the 1947 All-Canadian Sale when she sold at $1750 to W.G. Whitney and Gordon W Smith, Milverton. Her son by Raymondale Yalta was bought by Guilbert when a month old, sold before service age to Harry Hall 9 Son of Harriston and eight months later went to the Hamilton Unit; he was Eglantiers Apollo.

Mademoiselle was then sold to Ross L. Marshall of Fordwich who resold her two years later to K.A. Hammond of Moorefield along with two daughters. One daughter by Sonniwilk Sovereign Souvenir went to E.L. James, 'inrwel ken and one by Summit View R.A. Vale to Moordene Farms at Breslau where she has made 15,636 milk, 3.51 pc, 544 fat. Her nest two calves were bulls by Rivermede Argo Sovereign Boy, one going to the Mexican Department of Agriculture and the other to J. Lincoln Dewar, New Ierth, P.E.I. Her daughter by Elmcroft Mon-O-Grand went to Colombia and she now has a year-old son by Illehee Fond Jewel Ring in the Gething herd where she went from the Hammond Dispersal.

Two P. E. I. Nurses Leave For National Conference

One hundred leaders in health, government, nursing and allied fields from across the country will gather at the University of Ottawa, November 4-5, for Canada's first national Couference on Nursing.

Purpose of the Conference is to examine urgent problems now facing the nursing profession in Canada. Foremost on the agenda will be the future need for more nurses, their standards of service and education, and the effect on these of any government—supported hospital insurance plan.

Population, medical advances and public demand for more and better health services form the background of the two-day Canadian Conference on Nursing in the Capital city. Today, there are approximately 55,000 registered nurses in Canada, or one nurse for every 286 population.

90,000 EEDED

On the basis of predicted population, more than 90,000 nurses will be required by 1980 to maintain this ratio. But growth in demand—especially in psychiatric hospitals, rural areas and some urban hospitals—will probably mean this estimate will be exceeded. A problem also is nursing education, now largely subject to the service demands and finances of individual hospitals.

Leading the roll of the Conference participants are the federal Deputy Minister of Health, several provincial ministers of health, and nine provincial deputy ministers, as well as leading businessmen, nursing officials, doctors and welfare experts.

The Conference will open Monday morning with addresses by the Chairman, Joseph Jeffery, Q.C., London, Ontario, and a message from the federal Minister of Health and Welfare, Hon. J. Waldo Monteith. Speakers will include Dr. F.B. Roth, Saskat-chewans deputy minister of Health, Mrs. Isobel MacLeod, Director of Nursing of the Montreal General Hospital, Mrs. Rex Eaton, President, National Council of Women, and Helen G. McArthur, National Director of Nursing Services for the Canadian Red Cross.

The two representatives attending the Conference from Prince Edward Island are Mrs. Helen L. Bolger, Executive Secretary of the Association of Nurses of Prince Edward Island and Miss Mona Wilson, Director of Public Health Nursing, P.E.I. Department of Public Health.

Hi-Y Clubs Elect Officers

The Eleven Hi-Y Clubs of the Charlottetown Y.M.C.A. have announced the results of their recent elections of officers for their respective clubs for the 1957-58 season. The following Hi-Y members have been elected to executive positions in their clubs.

Club:- Kappa Kappa, president, Evelyn Manual, vice-president, Michelle Huestis, sec'y, Esther MacKay; treasurer, Joan Boyles.

Club:- Sigma:-president, Susan Whiteside; vice-pres., Patsy MacDonald; secretary, Anne Phillips; treasurer, Winnifred Thompson.

BAD OLD DAYS

Nineteen women were hanged at Salem, Mass., in 1692 in an outburst of feeling against witchcraft.

Agreement On Wheat Welcomed

SAN FRANCISCO (AP) — A major economic friction between Canada and the United States appears to have been settled by agreement reached this month on American surplus wheat marketing policies, R. G. C. Smith, Canadas trade chief in Washington, said Thursday.

U.S. dumping of surplus wheat stocks abroad has cut severely into wheat exports by Canada, the biggest import customer for United States products, Smith said in an address prepared for a San Francisco world trade luncheon.

Text of Smiths speech was provided to the press before delivery.

He said Canada's export sales of wheat and flour amounted to 12 per cent of the country's total exports last year and are of utmost importance to Canada's economy.

In contrast, he said, U.S. wheat sales abroad amount to only a small fraction of total exports.

AVOID INTERFERENCE

Under the agreement announced Oct. 8 the United States pledged to avoid interfering with normal commercial channels of Canadian wheat in disposing of the U.S. surplus.

"This is an example of how we usually manage to deal with serious economic problems between us when they arise," said Smith.

Smith said American complaints against Canadian tariffs have failed to give sufficient consideration to the fact U.S. shipments into Canada are largely manufactured products in direct competition with Canadian industry.

Canadian exports to the United States are made up mainly of raw materials essential to U.S. industry, he said.

Propose Green Belt In Ottawa

OTTAWA (CP)—A major program for development of Ottawa as Canada's natiosal capital was proposed Thursday by Richard A. Bell, parliamentary assistant to Finance Minister Donald Fleming.

Mr. Bell, Progressive Conservative member of the Commons for Carleton, made his suggestions in a resolution on the Commons order paper. It appeared a few days after Prime Minister Diefenbaker told George J. McIlraith (L—Ottawa West) that it would not be possible to deal with national capital plan business this session.

Mr. Bell's resolution proposes immediate delineation of the controversial green belt, a proposed park system circling the capital. He asks that landowners within the area receive adequate compensation for their property.

Among projects recommended by Mr. Bell are a new union railway terminal ,bridges across the Ottawa River at two points construction of a new defence headquarters in Nepean Township and new parkways along the Ottawa River and across the city from east to west. He also proposes federal assistance to eliminate pollution in the Ottawa River.

Seven Traffic Fatalities In P. E. I. For July, Aug., Sept.

Seven persons were fatally injured in Prince Edward Island during the months of July, August and September, according to a statement of accidents issued by the Registrar of Motor Vehicles. Of the seven persons killed, five were drivers, one was a passenger and one a pedestrian. The number of fatal accidents is exactly the same as for the corresponding period last year.

The figures released are as follows: with figures for the corresponding period in 1956 appearing in brackets:

Number of Fatal Accidents 7 (7). Number of non - fatal accidents 76 (78). Number of Accidents in which there was property damage only 135 (149). Total number of accidents for the period 218 (234).

Number of persons killed 7 (7). number of persons injured 119 (120) Estimated property damage $96,868 ($109,813). Number of vehicles involved in accidents 331 (366), number of drivers involved 326 (366). Out of seven persons fatally injured, five (5) were drivers, one (1) was a passenger and one (1) was a pedestrian.

Out of one hundred and nineteen (119) injured, fifty three (53) were drivers, fifty four (54) were passengers, seven (7) were pedestrians, two (2) were bicyclists and three (3) were motorcyclists.

Again a large percentage of these accidents happened during the daylight hours, on a straight road, under a dry road surface and good road conditions, with the quintet of violations which account for the great majority of traffic accidents namely: Exces sive Speed, Speed too fast for conditions, Improper passing, following too closely and failing to yield the right-of-way, being present in mostly all cases.

COMET GROUNDED

JOHANNESBURG (AP) — A damaged engine Wednesday postponed further demonstration flights by Britain's Comet III airliner, which arrived in Johannesburg from London in record time last week. The de Havilland Company said the plane would not fly again for at least four days.

VISIT BY BROWNES

NEW DELHI (AP) — William J. Browne, Canadian minister without portfolio, and his wife arrive Friday for a four-day visit. They will call on Prime Minister Nehru, Vice-President Sravepalli Radhakrishna and Finance Minister T. T. Krishnamachari. Before leaving for Peshawar, Pakistan, they will make a brief visit to Agra to see the Taj Mahal.

THE GREATEST FORCE

Brother Juniper, one of the associates of Francis of Assisi, was said to be very stupid. So stupid in fact, that he once tried to cook rabbits without removing their skins. He became very depressed at times with a sense of his uselessness. St. Francis found him one day in a mood of deep despair.

"Cheer up, Brother Juniper," said Francis, "don't you know that you have the greatest gift of all, a loving heart?" St. Francis was right. A loving heart is the greatest force in the world, and the greatest need of the world.

It was such "loving hearts" which 150 years ago motivated the founders of the great British and Foreign Bible Society, to undertake the translation and distribution of God's Word, until today many millions of sopies have been distributed in over one thousand languages. Through the same spirit of love for mankind, we in Prince Edward Island in contributing through the various auxiliaries, help maintain and further extend this work. We also assist when we make a purchase at The Bible House in Charlottetown—an enterprise of the Bible Society.
