GUERNSEY CLASS BEING PLACED

Another judging class is completed as the animals being shown in the Guernsey class are lined up in their winning positions. The judging, part of the Old Home Week celebrations which got underway Monday at the Provincial Exhibition grounds, continues throughout the week. The coliseum, where the judging is taking place, was packed to overflowing yesterday afternoon as a heavy shower of rain forced spectators off the grounds.

Four P.E.I. Boy Scouts Will Attend Regatta

Three Boy Scouts from Montague and one from Charlottetown have been selected to represent Prince Edward Island at the second National Boy Scout Sailing Regatta, to be held at Lake St. Louis, Quebec, from Aug. 18-24.

Scouts will leave this province on Friday morning for a day of familiarization on the new "flying junior dinghies", a fast fibreglass craft, at Shediac, N.B. This type of craft is not available in this province and Scouts have been practising in "Snipes".

Following the day in Shediac, they will board TCA on Saturday morning for S.S.S. Venture, a Sea Scout base on Lake St. Louis. They will return on Aug. 25.

A regatta committee has arranged for each competitor to be assigned to a "host family", living within easy reach of the Sea Scout base. Each host will meet his assigned Scout upon arrival, take him home for the first night and on other occasions for supper, laundry and sight seeing. The balance of the time will be spent sailing and at a special camp set up for this event at S.S.S. Venture.

Scouts chosen were: Charlottetown — John Rankin, Trinity Ninth Troop; Montague — John Beck, Steve Clarkson and Fraser Inman of the First Montague Troop.

Local arrangements were under the direction of D. K. Martin in Charlottetown and Ralph Beck in Montague. Facilities and training were provided by the Charlottetown and Montague yacht clubs and by navy personnel on HMCS Queen Charlotte.

SHORTHORN DECORATED

Perhaps one of the busiest girls at the fair yesterday was pretty little Miss Jean MacLean of Arlington, who presented ribbons to many of the winners in the Dual Purpose Shorthorn classes. Miss MacLean was chosen as the Shorthorn Lassie Queen at the Shorthorn field day recently. Dressed in Highland regalia the young lass presented a pretty picture during the day's judging. Here she pins a ribbon on an animal owned by Stanley Hurry, Winsloe, (centre). The animal was the winner in the four-year-old dry class.

Kensington Herd Tops Guernseys

Harold Palmer and Sons, Kensington dominated the Guernsey classes shown here yesterday with four red ribbons and the junior, senior and grand championships for male animals.

Their Beaverwood Vic's Laddie was junior champion and Northern M. May Royal was senior and grand winner.

Roy Younker's Goldenview Royal Glen was reserve junior male champion and Eric Hurry's Patosie Golden's Master was reserve senior and reserve grand champion.

Roy Younker's Rex's Sheila was junior female champion and Ernest F. Coles and Son, Milton came through with the reserve junior female champion with their Colescroft Nina's Shonie.

Mr. Younker had three red ribbons, Harrison Green and Sons, Kingston; Eric Laird and Sons, Milton and Mr. Hurry had one each.

The following are the first three placings in the classes showed yesterday:—

MALES

Junior calf - 1 Roy Younker, Kingston.

Senior calf - 1. Harold Palmer and Sons, Kensington, 2 Ernest F. Coles and Son, Milton; 3, Harrison Green and Sons, Kingston.

Two year old - 1 Harrison Green and Sons.

Mature male - 1. Harold Palmer and Sons, 2 J. Eric Hurry, West Royalty.

Junior champion - Beaverwood Vic's Laddie, Harold Palmer and Sons; reserve, Goldenview Royal Glen, Roy Younker.

Senior and grand champion-Northern M. May Royal, Harold Palmer and Sons; reserve senior and reserve grand, Patosie Goldens Master. J. Eric Hurry.

FEMALES

Junior calf - 1 Harold Palmer and Sons, 2 E. Keith Coles, Milton, 3. Roy Younker.

Senior calf - 1 and 3 Roy Younker, 2 Ernest F. Coles and Sons, Milton Station.

Junior yearling, Eric Laird and Sons, Milton, 2 Wendell Wenner, New Wiltshire, 3 Harold Palmer and Sons.

Senior yearling, 1 J. Eric Hurry, 2 and 3, Harrison Green and Sons.

Junior champion - Goldenview Rex's Sheila, Roy Younker; reserve, Ernest F. Coles and Sons, Colescroft Nina's Shonie.

Junior herd - 1 Harold Palmer and Sons, 2 Roy Younker, 3. Ernest F. Coles.

Junior get of sire - 1 Roy Younker, 2 Harold Palmer, 3 Guy Rodd, Brackley.

EASTERN BRIEFS

IS PATIENT

Mrs. James O'Connor, Murray River is a patient in the Kings County Memorial Hospital.

IN HOSPITAL

Mrs. Lois Buell, Montague is a patient in the Kings County Memorial Hospital.

RECEIVING TREATMENT

Beaton Stuart, Caledonia is receiving treatment in the Kings County Memorial Hospital.

IS ILL

Charles Hicken, Pembroke is receiving treatment in the Kings County Memorial Hospital.

IN MONTAGUE

Mr. and Mrs. Wallace McInnis, New Hampshire, are spending their vacation in Montague.

VISITING MONTAGUE

Margaret Gillis, RN of Brockton, Mass., is visiting in Montague, guest of Mr. and Mrs. Hubert Nelson.

OUT OF HOSPITAL

Archie MacDonald, Brooklyn has returned to his home after being a patient in the Kings County Hospital.

ENTERS HOSPITAL

Mrs. Catherine McKenzie, Victoria Cross is receiving treatment in the hospital at Montague.

WAS PATIENT

Ray Kennedy was returned to his home in Murray Harbor after being a patient in the hospital at Montague.

VISITING ISLAND

Mr. and Mrs. James Deane, Woburn, Mass., are spending their vacation on the Island where they are visiting Mrs. Dean's brothers and sisters.

AT COMMERCIAL CROSS

Miss Tanya Wilbrand, River Glade, N.B., is spending her vacation with her uncle and aunt, Mr. and Mrs. Gordon Nicholson, Commercial Cross.

RECENT GUESTS

Mr. and Mrs. Elmer Coffin and family, David, Susan and Phillip, Marathon, Ont., were recent guests of Mr. and Mrs. Fred Aitken, Lower Montague.

FORMER RESIDENTS

Mr. and Mrs. C. H. Kydd of Halifax are visiting in Montague. Mr. Kydd was formerly on the staff of the Bank of Commerce, Montague.

VISITED UNCLE

Mr. and Mrs. Martin McInnis and Mrs. Edna Graham, Commercial Cross spent Tuesday in Charlottetown where they visited Mrs. McInnis' uncle, James Matheson.

ON VACATION

Mr. and Mrs. James Molyneaux, Reading, Mass., are spending their vacation at Montague, guests of Garnet Moore who has just returned from an extended visit through the United States, going as far south as Florida.

IS TRANSFERRED

Sgt. James A. Griffin and Mrs. Griffin and family visited recently with the former's sister, Mrs. Neil Lannigan, Montague. Sgt. Griffin, who is with the RCAF has recently been transferred to St. Huberts, Que. after spending the past five years in Gimli, Man.

Island Grade 12 Exam Results Are Gratifying

By DON MacLEOD
Guardian-Patriot Staff Writer

Dr. George Dewar, minister of education, announced yesterday that 77.6 per cent of the high school students who wrote Grade 12 provincial examinations this year achieved a pass.

In 14 centers of the province, a total of 379 students wrote the exams, set and read by the Atlantic Provinces Examining Board, and 294 passed.

Dr. Dewar was pleased with the results of the examinations, saying "when you get that many passing, it indicates the excellent work being done in our secondary school system."

The 77.6 per cent pass is in sharp contrast with grade eight percentages given out last week, which showed that only 46.9 per cent passed provincial examinations.

There was also some consternation in educational circles in Charlottetown recently when results of Grade 10 examinations were made public.

RECENT CRITICISM

Commenting on recent criticism of the province's educational system, which came from provincial Liberal leader A. W. Matheson last week, Dr. Dewar said "I feel that there has been some uncalled for criticism of educational progress and I deplore the fact that it was made on a political basis.

"It is my opinion that the people of the province, with assistance from the government and the department of education, have been making very favorable progress in education and we have been catching up to other provinces in a lot of respects.

"I get the impression from talking to other ministers of education that we are progressing, although there is some distance to go until we are on a par with the majority of other provinces. I feel that the last three years have been exciting and worthwhile developments in education here.

GREATEST NEED

"We have concentrated on the secondary school program, which I feel was in greatest need of re-organization and development. On a regional basis, there has been a great development in this program, with an amazing improvement in transportation and classroom facilities.

"The fact that 77.6 per cent of Grade 12 students passed their examinations is an indication of the developments in this program.

"The program has been developed along the lines suggested by Dr. La Zerte for a foundation program. It has been made available to all regions, regardless of their ability to pay, through a generous equalization grant from the department so that all students have the opportunity to receive a high school education.

"Another very constructive and worthwhile policy, which was suggested and put into effect by the department, was a salary scale for teachers by which proper recognition was given to advanced training and years of experience in the profession. This scale, I think, will induce many teachers to stay in the profession and, making it a lifetime work, raise the standards of the profession.

"The salary scale includes the amount previously paid by the districts by way of statutory supplements, and in many cases is a great deal more than paid by any district, as an additional amount over what the department used to pay.

"An indication of the effect of this salary scale is the fact that the largest last year the largest normal classes ever. This summer, over half of our provincial teachers are attending summer school to upgrade their licenses, and permit teachers have been practically eliminated. We have also broadened our policy of assistance to teachers taking normal training in universities.

"Vocational training is undergoing expansion. A vocational school is nearing completion in Summerside and a technical training school is to be constructed in the Charlottetown area. The whole program has been expanded. A full-time director of vocational training has been appointed, and all phases of vocational training are being expanded. A policy of apprenticeship is going into effect and a director has been appointed.

PWC EXPANSION

"There has been expansion at Prince of Wales College. A women's residence has been provided and curricula have been broadened, particularly in regard to agriculture and business administration.

"In addition, representation will be heard by the government in the near future with respect to further development of college facilities.

"As to future policy, the secondary school program will be further developed when we have the time and means.

"We have a policy for upgrading and consolidating our elementary school program. This is the next area in which improvements will be made. The elementary system will undergo consolidation through larger units of administration and consolidation of school districts. The program will take time and will only be possible as increased revenues become available.

SCHOOL MUSIC

"In other phases of education we have appointed a director of school music, greatly expanded our physical education program and our school study program.

"Admittedly we have been hampered by difficulties in getting trained staffs, such as supervisors and special teachers, and this difficulty has been contributed to by some extent by the fact that we are unable to pay salaries similar to those in other provinces."

Dr. Dewar went on to say that the policies of his department have been developed along democratic lines, in accordance with the wishes of ratepayers and citizens, and no dictatorial or arbitrary methods have been used by this department. We have been guided, to a large extent, by the recommendation in the LaZerte Report on Education."

RATING OF TEACHERS

Commenting on a suggestion that the department "doesn't have the guts" to rate teachers, Dr. Dewar said "rating of teachers is a very difficult proposition, and I don't believe any province in Canada has been able to do it. Perhaps it could be best done by the teaching profession, itself.

"We realize, however, that our teacher training program has to be upgraded, and that is a problem we are going to tackle."

No Trace Found Of Missing Girl In Kings County Search

MONTAGUE — RCMP here are pondering what happened to a 19-year-old Beach Point girl, missing for more than a week.

Police said an extensive search, led by RCMP and including approximately 150 volunteers, failed to uncover the whereabouts of Eileen Williams, vacationing on the Island from Ontario.

The mass search was conducted Sunday and covered an area between Montague, where she was last seen, and her home at Beach Point, a few miles from Murray Harbor, and wooded areas were searched, with no result.

The RCMP are now carrying on the investigation alone.

Police say there has been no sign of foul play in connection with the disappearance.

There is a possibility that the girl may have returned to Ontario without informing relatives, but it is felt that this is not likely.

Morell District Is Hopeful Of Reaching Its Donor Quota

MORELL — Carl McAdam, blood donor committee chairman of the Royal Canadian Legion Branch in Morell is a busy man these days. His branch of the Legion is going all out to persuade some 150 donors to come to the clinic in Morell next Wednesday afternoon between two and four.

The Legion has its eye set on winning the Manning Trophy in competition with other provincial centers. However, the real purpose of the work and activity is to obtain a substantial supply of new, fresh Island blood to replenish the low reserve in the N.S.-P.E.I. blood bank.

In this they have the support of the Mount Stewart Branch of the Legion under chairmanship of Roy Leard and of a group of Legion members in St. Peters under chairmanship of Mr. MacDonald, with some 15 other areas being canvassed by active Legion and Red Cross workers.

Car caravans are being organized in St. Peters and Mount Stewart and everything points to a big time in Morell next Wednesday afternoon, when the blood donor clinic will be held in the Legion Hall starting at 2 o'clock.

Souris Council Meet Debates Paying Bills

SOURIS — Members of the town council here could not reach a decision as to whether the town should pay bills presented by the councillors, at the monthly meeting, attended by only three councillors and the Mayor.

T. MacRae, 3 Almon Wood and Sons.

Junior champion - Royalty Raedale's Naida, E. Lund and Son; reserve, East River Cherry. Almon Wood and Sons.

Junior herd - 1. Almon Wood and Sons, 2. Keith Boswall and Sons, 3. A. MacRae and Sons.

Junior get of sire - 1. Keith Boswell and Sons, 2 Andrew B and Fred T. MacRae, 3 George Boswall, Frenchfort.

Two-year old dry - 1. Almon Wood and Sons, 2 George Boswall, 3 A. MacRae and Sons.

Three-year old dry - 1. A. MacRae and Sons, 2. Keith Boswall and Sons, 3 Almon Wood and Sons.

Four - year old dry. 1. E. Lund and Sons, 2. Earle MacNew Wiltshire, 3 Andrew B. and Fred T. MacRae.

Mature cow dry - 1. Andrew B. and Fred T. MacRae, 2 Keith Boswell and Sons, 3 Almon Wood and Sons.

The councillors in attendance were Andrew Meurant, Alan MacLean and L. G. MacDonald with Mayor C. E. LaVie presiding.

The bills in question were presented by Councillors MacLean and Meurant, and it was decided to find a solution when all members were present. The next meeting will hear comments on both sides of the argument. If the bills are not paid it will effect nearly all the councillors who are the businessmen of the town, it was stated. This is the first time a bill submitted by a councillor has been turned down.

The sum of $350 was voted to the Dental Assistance Fund, a fund to raise money for equipment for the new dentist who will arrive in Souris today.

The minutes of the last meeting, the police report and the financial report were all adopted as read and two building permits were granted.

LOT 16 MAN

(Continued from page 1)

year took him to Toronto where he received a special trophy earned by her for topping Canada in production for her breed. Lily strained a leg recently, and was not sound enough to bring to the fair.

The cattle were placed by L. H. Hamilton, Macdonald College, Ste. Anne de Bellevue, Quebec.

The following are the first three placings in the classes judged yesterday:

MALES

Junior calf: 1, Waldron MacPhee, Elmwood; 2, Fred Hughes, Winsloe; 3, Sterling Wood, Mt. Herbert.

Senior calf: 1, Keith Barrett, Arlington, Lot 16; 2, Sterling Wood; 3, Fred Hughes.

Junior yearling: 1, Daniel Jewell, North River.

Senior yearling: 1, Sterling Wood; 2, Waldron MacPhee.

Two-year olds: 1, Keith Barrett; 2, Stanley Hurry, Winsloe.

Junior champion: Oceanbrae Red Duke, Keith Barrett; reserve Cheapside Royal Lad, Sterling Wood.

Senior champion: Fashiondale Marshall 16th, Keith Barrett; reserve, Fashiondale Marshall 22nd, Stanley Hurry.

Grand champion: Fashiondale Marshall 16th, Keith Barrett; reserve, Oceanbrae Red Duke, Keith Barrett.

FEMALES

Junior calf: 1, Keith Barrett, 2, Daniel Jewell, North River; 3, S. Wood.

Senior calf: 1 and 2, Fred Hughes, Fred Hughes; 3, S. Wood.

Junior yearling: 1, Gerald Dollar and Son, Winsloe; 2, James B. Cudmore and Son, Winsloe; 3, Stanley Hurry.

Senior yearling: 1, Stanley Hurry; 2, Keith Barrett; 3. S. Wood.

Junior champion: Sally Broadhooks 6th, Stanley Hurry; reserve, Oceanbrae Joan. Keith Barrett.

Junior herd: 1, Keith Barrett; 2, Fred Hughes; 3, Daniel Jewell.

Junior get of sire: 1, Stanley Hurry; 2, Keith Barrett; 3, Fred Hughes.

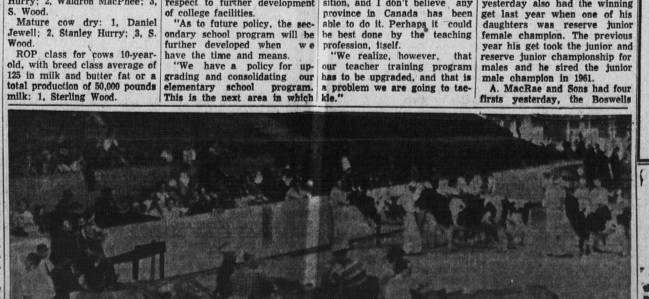
2-year old dry: 1, Stanley Hurry; 2, Daniel Jewell; 3, Keith Barrett.

3-year old dry: 1, Keith Barrett; 2, Waldron MacPhee; 3, S. Wood.

4-year old dry: 1, Stanley Hurry; 2, Waldron MacPhee; 3, S. Wood.

Mature cow dry: 1, Daniel Jewell; 2, Stanley Hurry; 3, S. Wood.

ROP class for cows 10-year-old, with breed class average of 125 in milk and butter fat or a total production of 50,000 pounds milk: 1, Sterling Wood.



COLISEUM IS BUSY PLACE

One of the busiest places on the exhibition grounds yesterday was the coliseum where the judging of three different classes of cattle was carried out at the same time. Many fine animals were shown and judges had a difficult time in choosing the winners. A glimpse of the proceedings that started early in the day, shows the Ayrshire cattle, foreground, being placed in their winning positions by the judge and also the Guernsey breeds. Also being judged were the Dual Purpose Shorthorn cattle.

Science Now Shrinks Piles Without Pain Or Discomfort
Finds Healing Substance That Relieves Pain And Itching As It Shrinks Hemorrhoids

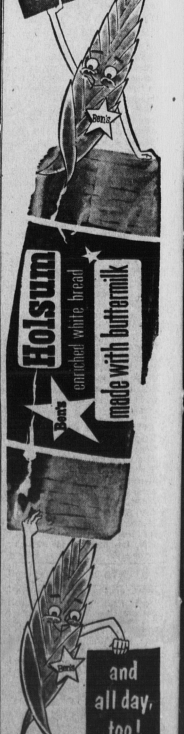
Toronto, Ont. (Special)—For the first time science has found a new healing substance with the ability to shrink hemorrhoids and to relieve pain and itching. Thousands have been relieved with this new, concentrated substance right in the privacy of their own home without any discomfort or inconvenience.

In one hemorrhoid case after another, "very striking improvement" was reported and verified by doctors' observations.

Pain was promptly relieved. And while gently relieving pain, actual reduction or retraction (shrinking) took place.

And most amazing of all—this improvement was maintained in cases where doctors' observations were continued over a period of many months!

In fact, results were so thorough that sufferers were able to make such statements as "Piles have ceased to be a problem!" And amazing these sufferers were a very wide variety of hemorrhoid conditions, some of even 10 to 20 years' standing.

All this, without the use of narcotics, anesthetics or astringents of any kind. The secret is a new healing substance (Bio-Dyne) — the discovery of a famous scientific institute. Already, Bio-Dyne is in wide use for healing injured tissue on all parts of the body.


This new healing substance is offered in suppository or ointment form called Preparation H. Ask for individually sealed convenient Preparation H Suppositories or Preparation H ointment with special applicator. Preparation H is sold at all drug stores. Satisfaction guaranteed or money refunded.
