Big Crowd Expected For Game

SUMMERSIDE — Almost 1,400 fans crowded into Civic Stadium last Friday night, and it is expected that this total will get a decided boost when the teams play their third game at Civic Stadium tonight.

The Royals have been manhandled twice in a row, and it's not a bit like those fellows to take this kind of treatment and like it. So you can look for Sandy's dandies to come roaring back tonight, and with the Combines playing the kind of hockey they are now dishing out for the fans, it's almost bound to be one of the best games seen at the stadium for a long, long time.

Game starts at 8.15.

Nationals Host Meteors Tues.

Bordon Nationals play host to Morelll Meteors in the first game of a best of three semi-final series for the Island Title Tuesday night.

Both clubs have been playing fine hockey and each one is out to take the opening victory, Morrell especially hoping to return home with a one game lead.

The teams are evenly matched and the large crowd expected at the game can be assured of some top notch action.

Between the second and third periods of this contest a collection will be taken up for Billy Mulligan, the popular City hockey player who was unfortunate in losing his right eye in an Island Intermediate A playoff game Thursday night.

Game time is 8.15.

Caps Trounce Lancaster 9-3

SAINT JOHN, N.B. (CP) — Fredericton Capitals took advantage of weak Lancaster defensive play to chalk up a 9-3 victory here Saturday for a 4-3 series win. The game was the seventh in the best-of-seven New Brunswick Intermediote A quarter-final.

Fredericton next faces Memramcook Rovers in the provincial semi-final opening here Tuesday night.

The Caps' "production line" of Bev Bawn, Billy Hughes and Bob Mabie astonished the close to 3,500 paying customers with their nine goals, with Bawn triggering four. Mabie had three and Hughes two. Each had six points for the night.

The Caps had an 8-0 lead when Lancaster scored three quick goals — one by Jackie Boyle and two by Bucky David — late in the third period.

Englewood Ties Series

CRAPAUD — Englewood Regional High won a squeaker from Morell Regional High at the Crapaud Rink Saturday evening, the final score 2-1.

Morell opened the scoring in the first period when MacQuaid beat Ferguson in a scramble in the Englewood zone. The Crapaud scholars battled fiercely for the equalizer which came late in the third period when Paul MacDougall picked up a pass from Armand Taylor and flipped the rubber into the left side of the net to force the game into overtime.

Morell peppered Crapaud goalie Wendell Ferguson from all angles, but Donnie MacWilliams settled the matter in favor of Englewood shortly after the opening of the second overtime period and tied the series at a game a piece.

Dan Keough and Doug MacEwen handled the whistles.

The deciding game will be played in Charlottetown this week with the winner advancing against Kinkora Regional High for the Provincial Interscholastic "B" title.

Pownal Royals Oust Bulldogs

Pownal Royals defeated Nine Mile Creek Bulldogs 5-2 in the seventh and deciding game of the semi-finals for the W. R. Shaw trophy at North River rink Saturday night.

D. Sheidow paced the winners with a pair of goals while T. Simmonds, L. Dunn and D. Mutch each triggered singletons. E. Smith and B. Smith scored for Pownal.

Pownal now meets Hampshire Bulldogs in the finals with the game slated for 8.30 tonight at the North River rink.

Crossbones Top Bulldogs

Souris Crossbones walloped Hampshire Bulldogs 6-2 in Souris Saturday night to square their best of 3 Intermediate 'B' semi-finals at 1-all. F. MacIntyre paced the winners with a brace while teammates, Carl Peters, Claude Peters, B. MacLaren and J. Cheverie added singles.

Scoring for Hampshire were C. Johnson and C. Thompson.

Harold Stewart and Joe Coyle handed out only two penalties, one to each team.

Moncton Ousts Halifax Tartans

MONCTON (CP) — Halifax Tartans' hopes of extending the Nova Scotia Senior Hockey League series were dashed Saturday when they went down 8-2 before Moncton Hawks who won the best-of-seven final series in straight games.

A rookie and a veteran clinched the series for Moncton. They were Doug McPhee, a veteran of many years with Senior clubs in the Maritimes and Oscar Gaudet, playing his first full season of Senior hockey. They scored three goals each. About 5,000 fans attended the game.

The win earned Hawks the right to meet Glace Bay Miners, Cape Breton Senior League champions, for the Maritime title and a chance at the Allan Cup. The first game in a best-of-five series is set for Moncton Tuesday night.

Halifax Tartans were outclassed from the start of the series. The nearest they came to extending the series was in the first two games when they held Hawks 3-2 in both games. However, they were unable to find a win.

The team had shown power toward the end of the regular schedule, climbing up from the league cellar to within two games of Moncton which led the league most of the season.

Moncton won a berth in the finals by downing third-place New Glasgow Rangers in the semi-finals. Halifax beat Windsor Maple Leafs, the cellar team in the four-team league.

Moncton led Saturday's game 2-0 after the first period on goals by Oscar Gaudet. Gaudet fired another in the second, and McPhee chalked up his three while Bill Hanson potted one to end the period 6-1. Doug Howatt and Cam Gaudet got two more for Moncton in the third and Halifax's Moe Lamirande scored the final of the game.

TROPHY WINNERS

Here are the winners of the Clovies and Andy's Downtown Restaurant trophy in Saturday's Confederation bonspiel (Left to right) Bill MacGregor, Audrey MacLean, Roger Perry and Marjorie Doyle. The runner-up team was skipped by Clary Flemming with Doris LeClair mate; Doug Wood 2nd and Gloria MacKinnon lead. Other rinks winning prizes were skipped by Art Burke, Ralph Jones, Charlie Asprey, Bill Acorn and Ralph Carr.

Hawks, Leafs Still Tied; Battle To 1-All Deadlock

CHICAGO (CP)—Red Kelly's goal at 15:15 of the final period gave Toronto Maple Leafs a 1-1 tie with Chicago Black Hawks in a tightly played National Hockey League game here Sunday night.

The deadlock kept the teams tied for the league lead with 76 points, three ahead of third-place Montreal Canadiens.

Kelly's marker, scored while Chicago's Stan Mikita was in the penalty box, came three minutes after Kenny Wharram had broken the scoreless deadlock to the roar of 16,662 fans, largest crowd of the NHL season.

Frank Mahovlich and Bob Pulford were credited with assists on Kelly's tally, scored from a scramble in front of the Chicago cage. Hawk netminder Glenn Hall was flat on the ice at the time and had no chance for a save.

SET UP BY BALFOUR

Wharram's goal came on a pass out from behind the net by Murray Balfour after Toronto netminder Don Simmons had saved on a close in drive by Bill Hay. The tally was the 18th of the year for Wharram, while Kelly's was his 19th.

Hall had far the busier evening of the two netminders. He was credited with 39 stops to only 18 for Simmons. However, most of the saves by both goalies came on fairly routine shots because close defensive play by both teams prevented many clear goal attempts from close-in.

Referee Vern Buffey put in the busiest night of anybody on the ice, calling 13 penalties, including a misconduct to Chicago's Elmer Vasko and five-minute high-sticking penalties to Eric Nesterenko of Chicago and Ed Shack of Toronto.

Both players were bleeding from facial cuts when the short encounter ended.

Seven of the 13 penalties Buffey called were against the Hawks.

SUMMARY

First period: No scoring. **Penalties**—Pulford 1:11, Vasko misconduct and Pilote 4:38, Shack 8:30, Shack major and Nesterenko major 10:52, Brewer 12:44, Evans 16:21.

Art Strang, captain of Phalanx, led his team with a 34 point performance. Ken Squarebriggs backed him up with 15 points. Don Baker scored 14 points for Alpha while team captain, Don Ling, was close behind with 13.

Alpha won the first game 56-42. The third and deciding game will be played this week.

Geo'town Cops Midget Opener

The second and final game of this series is slated for O'Leary Wednesday. The winner meets the Queens County winner for the Island title.

Saturday's game was one of the best Minor games seen in Georgetown in years with fast and rugged action featuring the play.

Kenny Batchilder paced the winners with a hat trick and singles went to Chickie MacLean' Newman Wight, Eldon Batchilder and Gerry Scully.

Ralph Malone and Raymond MacNevin scored for the visitors. Officials for the game were C. Fitzgerald of Georgetown and Ellis of O'Leary.

FOR MULLIGAN DAY

Ticket Selling Blitz Is In Full Swing

The blitz for ticket selling for Billy Mulligan Day is in full swing and every person in Charlottetown will be contacted before Tuesday evening.

Printers worked overtime on the weekend to get tickets and posters ready and the Billy Mulligan Day ribbons will be on sale late today or early Tuesday.

Co-chairman of the ticket committee, J. Alex Matheson and Jim McTague have 3000 tickets in circulation and they want none back. They're only accepting money from those to whom they handed out tickets. The ticket sellers aren't a bit worried about getting clear of their goods because they insist no selling techniques will be required in this cause.

Next Saturday is Billy Mulligan Day and the main show is that afternoon when Prince County All-Stars tangle with All - Stars from this area. There isn't any prize up for the winner but the folks are sure to pack the Arena just the same to do honor to one of the gamest hockey players this province has ever known.

Already several donations have come into the finance committee of the fund. The trio in charge of this end of the operations are Frank Acorn, A.J. McAdam and Sandy Frizzell. There'll be plenty more roll in before Billy Mulligan Day arrives.

Billy is at present in Charlottetown Hospital where he had his right eye removed last Thursday night following an accident in a Royals-Combines playoff game at The Sports Arena. His condition is improving daily and it shouldn't be too long before Billy is able to leave hospital.

In the meantime his many sports friends want to show him they deeply regret his unfortunate accident and mean to do something really worthwhile about it.

Elation Faded

We were in the seventh heaven of delight Thursday evening when it was finally assured that the Combines had really defeated Sandy's Royals in their own courtyard. That feeling of elation had just about all faded next morning when the news arrived that Billy Mulligan had lost an eye. We've watched Billy play hockey since he was in the minor brackets, and we don't remember ever watching a game in which he was playing for a team that we were rotting for.

Yet we've always had the greatest admiration for his ability, his indomitable courage in doing so well in a game where most of his opponents outweighed him so much, and for his sportsmanship and clean play. We've never heard Billy get the razzberry from hostile fans, nor have we heard remarks about him that were not complimentary. We took a special interest in Billy and Vince because we remember the old days in an open air rink in Cape Traverse where Johnny, their father, swept up the ice like a miniature tornado with the same Hi-Ho Silver, go-for-broke spirit as shown by his town sons.

We're glad to hear that Summerside is planning a benefit game for Billy. For a good many years now we've been ignoring ticket offices and going into games without dipping a hand into our pocket, but we'll consider it a privilege to pay our way into this game, and we know many, many other lovers of clean sport in Prince County will want to do the same. It should be an interesting game with fast and present ISHL players participating, but if the game were between the Chimney Corner Club of Cranberry Gulch and the Snake Brook's Senior Citizens, we'd still want to be there, and we're sure it would still draw a big crowd of Prince County fans.

Trouble Believing It

The Prince County Combines have won two straight games in the finals of the ISHL, an we have to believe that even after we have written it down. The boys are playing hockey as they never did before this year, and it was certainly an opportune time to hit the peak of their playing form. Realizing that the Royals are formidable opponents, and not out of contention by any means, we can expect that at least it will be a very interesting series (no matter who wins), not the foregone conclusion which many fans thought it was destined to be.

We were going to have quite a lot to say about certain aspects of that game Friday night, but on second thought (and we don't have enough of these), we decided it is much better to hold our peace while decisions are pending. Strikes us this is a good old British law or custom or something or other.

Last Week's Bouquet

To Deighan and Grady, each a razzle-dazzle Dan,
And pride of every proud Prince County fan;
To Noonan, Cutcliffes, Harrises and Sark,
Who all contributed a victory spark;
To Walsh, MacCarthur, White, and "Whitey" Mann,
To this forechecking, Royal-wrecking crew,
Bouquets we throw, and here's the best to you.
No brickbat this week, but we're looking around.
