Mantle Catches Williams; Dodgers And Cards Win

BALTIMORE (AP) — Ted Williams got an infield single his last time up Friday night to hold the American League batting leadership by a fraction while his Boston Red Sox were whipping Baltimore Orioles 8-1.

The scorekeeper single by Williams on his 39th birthday after four fruitless times at bat gave him a batting of .3768. Mickey Mantle of New York, who started the day trailing by six points, pulled up to .3764 with three for four in the afternoon and took the home run leadership with 34.

Williams' bat wasn't really needed for anything other than his individual statistics. Bob Porterfield, starting only his eighth game of the season, didn't allow the Orioles a run until the last inning.

BROOKLYN (AP)—Young Don Drysdale, backed up by three home runs, permitted only three singles and retired the last 13 men in order while gaining his 14th victory and fourth shutout Friday night as Brooklyn Dodgers battered New York Giants 10-0.

Drysdale, a 21- year -old right-hander in his second season, blanked the sixth-place Giants on five hits July 1.

This time not a Giant reached base after Danny O'Connell singled with two out in the fifth. The only other New York hits went to Don Mueller in the first and to Ray Jablonski in the fourth.

CHICAGO (AP)—Chicago Cubs set a National League season record for strikeouts Friday in losing a 2-1 pitchers' duel to Vinegar Bend Mizell and St. Louis Cardinals. Mizell fanned 11 cubs, raising their total to 812 for the year.

The old record was 806, set by the Cubs in 1955.

The major league record of 877 was established last season by Washington Senators.

NEW YORK (AP)—Washington Senators put together a single by Ed Fitzgerald, and doubles by Milt Bolling, Rocky Bridge and Eddie Yost in the fifth inning Friday to score three runs off Bobby Shantz and defeat New York Yankees 4-2.

It was the first of a three-game series against Washington as the league leaders returned from the West, but the only thing the Yankees could cheer about was the hitting of Mickey Mantle, who had three for four, including his 34th home run.

Monster Water Rally Here Today At Victoria Park

Entries have been received from all over the province for the Monster Water Rally, featuring swimming, water skiing and boat racing program off Victoria Park this afternoon. The program gets underway at 2.30 and the sponsors are planning a program that will produce something in fun and excitement every minute of the time. "We have a three-hour program which we plan to run off in two hours", is the way one man put it as he explained the program to the Guardian last night.

The Rally is sponsored by the Charlottetown Kiwanis Club in co-operation with the Charlottetown Yacht Club and the Red Cross Water Safety Division.

There are some twenty swimming events in all, providing action at 50-yard distances for boys and girls 13 and under, girls 14-16 years, and events for boys in the same age group. There are also open events for men and women. These are at 100-yard and 150-yard distances.

Various styles include free style, breast stroke, and back stroke. There is also a possibility of a relay race.

There are four classes of outboard motor boat racing and these will be interspersed with the other events as the occasion warrants.

The water skiing events will be exhibitions. Entries for the swimming events have been received from Georgetown, Borden, Malpeque, Summerside, Kensington, West Royalty, Montague, North Rustico and Cavendish as well as Charlottetown.

The Prince Edward Island Regiment Band will be present during the afternoon for added entertainment and color.

There will be walkie talkie sets in action to relay information from the float to the shore and vice versa.

The action will take place off Victoria Park in the vicinity of the Kiwanis refreshment booth.

The events are open to Island swimmers and visitors will also find events to suit their talents.

DOWN THE BACK STRETCH

Among the many visitors to Old Home Week was Vern Oatway of Montreal, former of this city. Vern is aut fait with harness racing, both at Richelieu and Blue Bonnets, and has helped us in this column on many occasions. He received a glad hand from his many friends here, and went back looking in the pink.

Saturday night's race program at the Charlottetown track saw an exceptionally good one, and lovers of trotters were particularly pleased with the trotting classes. In the C Trot which had eight starters, they were very evenly matched, and Tommy Shanter, owned by Herbert Parsons of Bradalbane and driven by Lem Neill, outsprinted the field to win in 2.16, which is a new record. The finish was close with Lucky Logan (E. Smith) beaten by a head.

Friends of Marne Kennedy, O'Leary, were also pleased to see him come through with Suffolk Chief in the C Pace, with Here Am I (Chappell) 2, time 2.16 1-5. In the C Pace, the three-year-old Jolly Bruce, owned by George Brookins and driven by Don MacNeil, headed seven pacers with years of racing experience to win in 2.17 2-5, which was a new record for her.

EVENLY MATCHED

Great interest was taken in the B Trot, which had a very evenly-matched entry; Royal Train, (Chappell) won the first dash with the three-year-old Lady Lakeburn (Akins) 2, time 2.15 1-5. In the remaining dash, Connie French, driven by owner Sid Stead, went away very fast and held the lead till a short distance from the wire when she was passed by Lady Lakeburn, time 2.13 — a new record for a Maritime-bred three-year-old trotter. Royal Train is owned by Dr. P. MacIntyre, Montague; Lady Lakeburn by Dr. J T. Akins, Fredericton, N.B.

In the A Pace, Downtown, that owner—driver E. Bernard has straightened out and trained to go the route, went right away from the field, stepped the first half in 1.03, slowed down considerably in the next half, but had enough left to win from Mr. Jollscott (Hill), time 2.12 4-5.

In the other dash of this event, Tribune, driven by Clark Smith, caught up with the Downtown horse on the homestretch and won in a close finish with Mr. Jollscott. My Darling (Hennessey) 3. Mention must be made of the winning of the first dash of the C Pace by Murphy's Abbe, owned and driven by Charles O'Brien Covehead; My Volo (Hennessey) won the remaining dash, Jollity George (Llewellyn) 2-2, time 2.17 and 2.14 2-5.

POPULAR DRIVER

One of our most popular drivers, Archibald Llewellyn, left this week for Quebec City, where he will look the situation over and possibly stay until the close of racing there. Archie has had a wonderful record through the years, and has developed a number of trotters and pacers that have been good campaigners over local tracks.

When Roy Bevan bought the pacer, Sir Joseph, 1.58 4-5, the Year Book shows that in 24 starts he had one first, no seconds and one third in 1954. The next year, racing in the Maritimes and in Quebec, he made 47 starts, was 18 times first, 9 times second and 8 times third. In addition to the Sir Joseph purchased Mr. Bevan also bought Ted Genesee, then a two-year-old, and in 1955, Archie gave him a record of 2.16 1-5, and in 1956, as a four-year-old, he reduced his record to 2.10 4-5 and won 9 firsts, 8 seconds and 2 thirds. That year, Archie figures very prominently in the U.S.T.A. Roster of Harness Racing Drivers. He is credited with 64 starts, having 21 wins, 16 seconds and 5 thirds for a percentage of .493. Of the some 1,600 drivers on that roster, Archie would be among the top thirty—a position higher than that of any Maritime driver that we can recall. Archie will be very greatly missed here, and we are all looking forward to having him back with us again when racing starts in 1958.

13-YEAR-OLD

We were pleased when looking over the results of Saturday night's races at Truro to see the 13-year-old Lady Abner the winner of the third race. She is owned and was driven by C.R. Johnston of Truro, time 2.18. It was in 1950 that Claude Smith of Breadalbane campaigned her. In her first race she was driven by Emmett Bernard, and then Cyril Smith took her to Truro ands he won three races and took a record of 2.15 1-5. Last year, in her 12-year-old form, she made 43 starts, was 9 times first, 10 times second and 8 times third, which certainly shows the stamina she possessed.

In Race 1 and 4. Rainbow Clegg (Pinkney) was 1-3, Bud Henley (M. Turner) 3-1, Barbara Ann Queen (C. Smith) 2-4, Just Barbara (G. Willis) 4-2, time 2.14-3-5 and 2.12 4-5. Rainbow Clegg owned by W. Piers, Pugwash; Bud Henley by H. Webby, Dartmouth. Friends of Glydon Willis will be glad to see how well his pacer battled in such fast company.

OUT OF THE ORDINARY

At Sackville Downs last Saturday night, Donnie Turner's Farscud, 2.07 1-5, won both dashes in the junior free-for-all. Fred Scott (Given) 2-2, who must not be confused with Freddie Scott by Simcoe Harvester; Fred Scott is a seven-year-old chestnut horse by King's Counsel, 1.58, and he took a record as a three-year-old of 2.00 3-5. Prior to his arrival in the Maritimes he had won $32,916, so he's something out of the ordinary.

On the other hand, Farscud arrived in the Maritimes with the idea of taking things easy. Donnie cured him, and last year he made 77 starts—a record for a Maritime trotter or pacer in one year and made another record by being 29 times first, 11 times second and 8 times third. The time for Saturday night's dashes—2.09 4-5 and 2.10. George Gregory's Wait For Me, driven by Len O'Meara, was 5-1 in the C. Trot and Pace, time 2.15 2-5 and 2.16 3-5.

BIG PURSE

Joe O'Brien continues in the limelight. Last Saturday night, Joe, who had arrived in the morning by plane at Richelieu Track, Montreal, with Diamond Hal, 1.57 2-5, won the first leg of the Triple Crown Pace, purse $13,800, from two of the fastest pacers in the world, Duane Hanover (Haughton), 1.58, and Dottie's Pic, 1.56 4-5, driven by Del

HUNTER'S CORNER

Hunting Is In The Air As September Comes Along

September, the old time duck hunters month, will be with us once more tomorrow (Sunday) and the present age duck hunters are beginning to wonder about the local duck crop and what the opening morning, October 1st will hold in the line of sport. This columnist feels that the first black duck hatch may be written off as an 85 per cent loss The first hatch is classed as ducks that break the shell before May 31st. A lot of black ducks were incubating eggs on May 2nd, the day the unseasonable blizzard broke in all its fury. In its first stage over a foot of wet snow fell and toward night a lowering temperature caused it to drift. I know for that was the evening "Duck" and I tried to battle through to Bonshaw.

An observer checking on Christies' Island, off Haley's Point, Pownal Bay, late in May found five black ducks nests holding from six to 10 eggs each that had been vacated weeks before. He was under the impression that a high tide had flooded them out until reminded of the May 2nd storm. The unhappy mother ducks had just two choices — stick with the eggs and be buried and smothered, or pull up stakes and try all over again. It is doubtful whether any of these ducks would be setting again before the first week in June.

JULY BETTER

According to observation and reports we had the heaviest hatch of July blacks in years. A few broods are already trying out their wings in short local flights but it will be approximately August 10th before the bulk of the second hatch are airbourne. I figure we could have a better opening day on blacks then we have had for years. Those youngsters will be pretty green on October 1st and are liable to hang around after the opening barrage longer than is really healthy for them

PLENTY PARTRIDGE

Our Ruffed grouse (Native partridge) have sprung another surprise. Last fall they hit a peak in numbers that easily doubled any October over an 18-year period. At the moment all signs point that they'll double last season's record crop this coming October 15th. One hears such reports as this at every turn. "We used to have a lot of pheasants. We had none this year but the woods are full of "Natives" — twice as many as we had last year". No one seems to have any explanation for the Ruffed grouse upsurge in numbers — not with any definite note that is.

The opinion has been voiced that the disappearance of pheasants from former grouse habitat has given them the break they needed.

(Note: the cock pheasant has been blamed for driving grouse away from the area where he has set up his Harem headquarters.)

PULP HAVOC

Another expressed the opinion that the pulp cutting epidemic raging in the province has cleared space and furnished food for our 'Natives' to take over and set up housekeeping in new territory. I'm afraid this columnist will take a lot of convincing on this angle. From what I have witnessed from following the trail of destruction left behind by pulp wood cutters it will not furnish grouse habitat during the lifetime of the present generation.

Soft woods unsuitable for pulp, and hardwoods that stand in the way are ruthlessly felled by power saws and left to rot intact in tangled masses I have in mind several localities where such occurred 15 or 20 years ago and what Nature has been able to do toward reclaiming this terrain can barely be noticed.

One thing we do know our grouse have staged a remarkable come-back. Time alone will tell how long it will continue. Some say its a natural cycle. Maybe so, but its the first I have witnessed for 20 years.

WOODS ARE FULL

Methinks, the rabbit hunters might just well reap the harvest while the reaping is good — the woods and swamps are full of rabbits this season. I don't get around in the woods and swamps nowadays like I did formerly but I manage the odd jaunt.

We had top rabbit hunting last winter and reports were heard on every hand that the bunnies have doubled or trebled last seasons peak. I have a hunch that the rabbits are about due for one of Nature's periodic cleanups with just enough left for seed. By the way - the time limit for turning in crows feet expires after September 3rd. Feet mailed on that date will be accepted.

Wildgeese have been with us for some time. Several flocks called in at Harvey Moore's Sanctuary, Milltown Cross (Kings County) within the past week or ten days. The season on Huns, pheasants, geese and ducks opens on October 1st Note: there is a closed season on pheasants in Prince County west of Summerside.

Rough Riders Have Odds Stacked Against Them

By THE CANADIAN PRESS

Ottawa Rough Riders, currently setting the pace in the young Big Four football season, have the odds stacked against them today as they try for their third successive win.

The Riders' chances took a nose-dive following definite word that Hal Ledyard, their first-string quarterback who has injured ribs, will not play today in Ottawa's first meeting with Montreal Alouettes. He was hurt in a pre-season exhibition game but was patched up for action in the first two league games against Hamilton Tiger-Cats and Toronto Argonauts.

Other Big Four action during the Labor Day weekend sends Tiger-Cats, tied with Montreal for second place with one win and one loss, against the winless Argonauts in Hamilton Monday.

Three weekend games are on tap in the ORFU with the tail-end Toronto Balmy Beaches playing hosts to London Lords in Toronto today. The two teams return to London for a game Monday and the same day Kitchener flying Dutchmen, led by ace quarterback Bob Celeri, will make their season debut in Sarnia against the Golden Bears.

SHARP PASSER

The job of guiding Ottawa's free-wheeling offence is being entrusted to sharp-passing Tom Dimitroff, who shared the quarterback job with Ledyard in Riders' first two encounters.

Montreal, unaccustomed to playing second fiddle to other Big Four clubs in recent years, will have Billy Shipp, who has been troubled with a back injury, at tackle. Coach Peahead Walker said "if he doesn't go today I guess that it's goodnight for him. He's the key to our line problem at the moment."

Import halfback Joel Wells, who has yet to see league action, and Canadian back Bill Tonegusso, are still out with leg injuries.

The Argonauts also find themselves with a quarterback problem for their game against Hamilton. Their ace, Tom Dublinski, missed last week's game against Ottawa and coach Hamp Pool Friday night still wasn't sure whether he is ready again for action.

ATTENTION RCN(R) PERSONNEL

Drill for Monday 2 Sept. 1957 is cancelled due to Labor Day Holiday. Winter training season will commence at 1930 on Monday 9th Sept. A good attendance is requested.

Cardigan vs. Vernon River

The final games of the King County Softball League play-offs will be played tomorrow afternoon at Vernon River at 1.30 with Cardigan meeting the hard hitting Vernon River squad.

Vernon River lead the best of three series with one win in the only game played to date. If a second game is necessary tomorrow it will be played immediately after the first game.

Remember When

By THE CANADIAN PRESS

William Woodward's three-year-old colt Nashua beat Rex Ellsworth's western star, Swaps by six lengths in a $100,000 match race two years ago today at Chicago. Eddie Arcaro rode Nashua, and it was the first time Swaps had been beaten with Willie Shoemaker aboard. The race avenged Nashua's defeat by Swaps in the 1955 Kentucky Derby.
