

# EDUCATION SOCIETY WELL ATTENDED MEETING

There was a good turnout for the general meeting on Tuesday, Nov. 22nd. Fifty of the possible 60 were present.

The meeting started with the introduction of the executive and the nominating of the 1-year and 4-year representatives. Laurie Tirone is to be the 1-year rep. and Dennis Coume the 4-year rep.

The next topic on the agenda was fees. It was decided that ALL one-year students and the Juniors and Seniors in the 4-year program will pay a \$3.00 fee. This fee will help cover the costs of parties, office supplies, camping and canoeing trips etc. Dues may be paid at our Student Office during office hours. (To be posted.)

The Social Committee has been working on a number of events. There will be an Education Society Pub from 2-4:30 on Friday, December 2.

Our Christmas party is to be either Friday, Dec. 2nd, or Saturday, Dec. 3rd in the Panther Lounge. This party will be for all Education Society students, professors and guests.

Bill Hoggan and Jim

Gillis are looking into the possibility of a company trip over the Christmas holidays. Anyone that is interested may contact Bill or Jim as soon as possible.

Dave McQuaid is to be the co-ordinator for all intramurals. Tom Haywood is looking after the hockey team and I'm looking after the volleyball and basketball teams at present. Check the SUN intramural schedules for the times we play.

A number of points of Information were brought up at the meeting. Some of these were: 1) coffee um, we are looking into the possibility of buying one for the student lounge; 2) there is to be a mock pre-registration for all education students next Thursday at 4:00. This is to be a meeting between Profs. and students to decide exactly which courses each student needs in order to graduate. The faculty want to know how many are going to be enrolled in each course. We will also find out who will be the part time Profs. for some of the courses after Christmas. Ed MacDonald would also like to explain the changes in the Practise Teaching course for next semester. Further notice of this meeting will be posted on

"THE YELLOW DOOR".

A couple of other things that the executive is working on for next semester include a First Aid course, cross-country skiing clinic, parties, Winter Carnival participation, T-shirts and possibly starting a debating club.

Well, so much for the meeting. We are sorry to report that our hockey team took a bad beating last week. Our volleyball team still needs a few more players but it's still doing pretty good.

Monday, Nov. 28th is Music and Drama Night at Steele Recital Hall. The Communications class has a

skit in this variety show. Show starts at 8:00; admission only \$1.00. See you all there.

It appears as if one of the other societies on campus has taken a small, furry, striped animal as its mascot, or so it would appear by their column in last week's SUN. The reason for picking this small black and white mascot was not announced but this reader would assume that it had to be symbolic of their column.

That's all for this week, gang. See ya at the Variety Show Nov. 28.

## IS IT ANY WONDER!

A few months after moving to a small town she complained to a neighbor about the poor service at the local drugstore. She hoped the new acquaintance would repeat her complaint to the owner.

Next time she went to the drugstore, the druggist greeted her with a big smile, told her how happy he was to see her again. He said he hoped she liked their town and to please let him know if there was anything he could do to help her and her husband get settled.

Later the woman reported the miraculous change to her friend. "I suppose you told the druggist how poor I thought the service was?" she asked.

"Well, no," the woman said. "In fact- and I hope you don't mind-I told him you were amazed at the way he had built up this small town drugstore, and that you thought it was one of the best run drugstores you'd ever seen." He then filled her order promptly and efficiently.

**NOW YOU'VE GOT ONE!**

*This is an indispensable item for everybody. For years, people have been saying: "I'll do it as soon as I get a 'round tuit'." The above is a 'round tuit,' cut it out, keep it handy, and you will have not more trouble getting all those extras done.*

Nothing is easier than fault-finding; no talent, no self-denial, no brains, no character are required to set up in the grumbling business.

People can be divided into three groups: those who make things happen, those who watch things happen, and those who wonder what happened.

A good supervisor, they say, is someone who can step on your toes without messing up your shine.

Two caterpillars were crawling across the grass when a butterfly flew over them. They looked up, and one nudged the other and said: "You couldn't get me up in one of those things for a million dollars!"
