
Play Safe Wins 3-year-old Trot, Janette Clegg The 2-Year-Old Pace At S'side

Play Safe, owned by R. N. Dawson and Melville Bell of Crapaud, made her first start of the season a winning one at the Summerside Raceway last night, taking two heats of the three-year-old trot, and after some bad breaks in the final dash finishing strong to place third. Play Safe was purchased from the Willard Kelly stables, and trained for the futurity races.

Babe Britton, owned by George Thompson, Summerside, won the free-for-all, coming in ahead in the first two heats, but Headway, owned and driven by James Given, Halifax, took the final dash and was clocked in 2.08 2-5, the fastest mile of the week's racing.

Janette Clegg, owned and driven by George Sebey, Summerside, won the two-year-old pace handily in the fast times of 2.18 3-5 and 18 1-5.

Presentations were made to the owners and drivers of winning horses by S. H. Hewitt, vice-president of the Summerside Raceway, G. B. Shee, secretary-treasurer, and Bill Brown, race secretary.

Play Safe won a trophy donated by the Summerside Trotting Association and a green cooler donated by the P. E. I. Harness Racing Club. D. Seaman, driver of Just A Squire, second place horse, received a whip, and S. Horseman, driver of Trudy Federal, in third place, driving glasses. A fly sheet donated by F. A. MacNeill, Summerside, was presented to D. Pound, driver of Skimo. Babe Britton, winner of the free-for-all, received a red-checkered cooler, donated by R. T Holman, Ltd.

Crucial Play-Off Game In S'side This Evening

The fifth and most crucial game of the Island intermediate baseball play-offs between Holman's Intermediates and M. C. A. will be played this evening on the Queen Elizabeth diamond in Summerside.

The game will commence at 6.30 and may encounter a battle with darkness before it can be concluded. M.C.A. were anxious last night to have the contest start earlier but unless some arrangements are made today the time as set down by the A. A. U. of C. baseball committee will stand.

Paul Jay will start on the mound for M.C.A., it was disclosed last night by acting coach Des Trainor. Coach Charlie Hogan of the Summerside Intermediates had not decided whom his pitching choice would be.

However it will likely be Ray Arsenault or Gil Williams on the hill when it comes game time. Hogan could come back again with Donnie Simmons his heavily worked righthander who has pitched in every series game.

The game is a big one for both clubs. The series is tied up at two games each and whichever club wins this evening will be a heavy favorite to take the title.

Jack Ready Selected As Coach Of Junior Abbies

Jack "Spy" Ready was appointed coach of the Charlottetown Junior Abbies last night for the forthcoming play-offs with the Lewisville Cubs, defending Maritime champions and this year's holders of the New Brunswick junior title.

Ready was selected coach by the junior players last night at a special meeting for that purpose in the offices of the Physical Fitness Department.

The new coach, a prominent athlete in baseball, football, hockey and basketball circles, will take over from Randy Edwards. The latter, who coached the Abbies throughout the summer, left last week-end for his home in the States when it appeared that the Abbies were through playing for the season.

Five new players are being added to the Abbies list for the series with Lewisville. The new players are catcher Arnold MacCallum, third baseman Cuker Pineau, pitcher Donnie MacLean, outfielders Kenny MacDonald and Joe Coyle.

The Abbies will open their series with Lewisville in Moncton this Saturday afternoon and will play the second game in Moncton on Sunday. Lewisville will return here for the third and fourth games the following week-end. It is possible that both games may be played here on Sunday afternoon, September 27. If not there will be single games on Saturday and Sunday.

Following are the junior players who will perform with the Abbies: Billy Purcell, Warren Hood, Cliff Ready, Benny Carson, Arnold MacCallum, Malcolm MacFadyen, Ian Kennedy, Willie Dunn, Cuker Pineau, Kenny MacDonald, Dave MacLeod, Donnie MacLean, Joe Coyle.

Coach Ready has called a practice for these players this evening at 4.45 on Memorial Field.

Shephard Wins Shoe Match

Alan Shephard defeated Alvin Lund in the semi-finals of the Island Open Horseshoe Torunament last night. Over the week-end Keith Dalziel will play Len Phillips in the other half of the semi-finals. There will be no games tonight.

Consider Skeet Club In S'side

Considerable interest has arisen in Summerside recently in the sport of skeet shooting, and there is a move on foot to organize a skeet club. A meeting will be held in the St. Mary's Hall at 8 o'clock this evening, and it is expected that all interested in this sport will put in an appearance so the proposed new club can get rolling Dick Henthorn, an enthusiast for the sport, is one of the prime movers in this new venture.

The Money Game of the Island Intermediate Baseball Series between Holman's and M.C.A. will be played this afternoon at Summerside. This is the fifth game of the series and with the Clubs tied at two contests each it should be the most bitterly fought of games to date. A win for M.C.A. this evening would practically ensure them of the crown since they will have Waldo Munroe ready to pitch for them in the sixth game here on Sunday. Munroe hasn't been defeated in the play-offs this season and when he goes to the mound its pretty much like having money in the bank as far as the M.C.A. supporters are concerned.

* * *

Young Paul Jay will handle the pitching for the City players this evening. Jay, who has developed into a top notch short stop this year, is also a pretty fair pitcher. He turned in a number of good games on the mound throughout the year and in recent appearances has been as mean with base hits as either MacAleer or Munroe. His hitting also has improved as can be realized by a glance at the box score for last night's game.

Charlie Hogan, who gets a lot of mileage out of a ball club, is faced with a tough pitching problem. Following last night's game Charlie admitted that he didn't know who would be on the hill for his team today. Our guess is either Williams or Arsenault at the beginning. He might come back with Donnie Simmons in a gamble that his ace righthander would be able to go the route once more. Simmons already has won two games in the series and has appeared in the other two but there's a limit to how far a combined starter and reliefer can go.

The baseball committee of the Island branch of the A.A.U. of C. has a problem to settle today. It arose out of the M.C.A.-Helman's game in Summerside on Wednesday when M.C.A catcher Merlin Devine apparently touched an oppnents bat and the umpire allowed a man to score as a result. M. C.A. maintained that Devine accidentally tipped the bat and that no Summerside base runners should have been allowed to score to advance. A protest of the game was handed into the Summerside member of the baseball committee and a decision should be rendered within a day or two. According to reports the umpire first dis-allowed the run and then changed his mind.

* * *

And when on the subject of umpires we would like to mention the efficient job being turned in by Glen Matheson. Matheson is in the unfortunate position of having played ball early in the season with M.C.A and as a result has been the subject of a controvery by the Summerside sportswriters. For the records it would be well to point out that he quit playing ball with M.C.A long before the Island League schedule ended. His work behind the plate or on the bases has left little to desire and we think that baseboll people should welcome such a competent workman among the arbitrators.

Randy MacDonald, the popular horse racing driver, suffered a tough break when he had his arm broken during the Futurity Races at Summerside on Wednesday. The accident will keep Randy out of action for the remainder of the year but we hope his arm will be perfectly healed when it comes time to lineup behind the starting gate next spring. Randy drove a lot of smart miles this year and was always a good man at taking the long shot under the wire for an upset win. He sprung major upsets with Belle Budlong and Billy Budlong at the Charlottetown Driving Park during the summer, with Belle paying about $60.00 one Saturday night for a win ticket.

If the Abbies football team members are not in condition this fall it won't be Earl Nicholson's fault. Nick has been giving the boys PT drill each evening this week and those who have attended the practises have had plenty of sore muscles as a result. The Abbies have been having a good turnout of players for the practises and judging by the enthusiasm should field a fairly strong squad. They have now reached the stage in conditioning where they are ready for scrimmage.

Air Force Win N.B.-P.E.I. Softball Championship

The R. C. A. F. softball team, Prince Edward Island champions, won the N.B.-P.E.I. intermediate title at the Summerside airport diamond yesterday afternoon, taking a double-header by scores of 8-5 and 5-2 from the Barker's Point Black Hawks, after losing the first game in Fredericton, N. B., Wednesday, 6-5.

Andrews started for the R. C. A. F. in the first game, and pitched well, giving up only five hits in seven frames. Armstrong relieved him in the eighth and was touched for an additional bingle. O'Leary, pitching for the visitors, gave up ten hits.

In the second game with the score 4-2 for R. C. A. F. in the seventh inning, the bases loaded with Barker's Point runners and none out, Ross Armstrong came in to relieve Ballem, and struck out the next three batters. After one visitor go on on an error in the eighth, he again struck out the side, and had a total of seven strikeouts in the three frames he worked. Bibcault hit a home run in the first inning of the first game, and Boylan cracked out a triple in the nightcap. Armstrong batted 3 for 4 in the first contest with catcher Laysh Schurman getting 2 for 4. Wood hit 2 for 4 in the second game.

MCA Even Series With 10-3 Victory Over S'side Intermediates Last Night

The Maritime Central Airways baseball team unleashed a 15 hit attack on a pair of Summerside pitchers last night to whip Holman's Intermediates 10-3 and square their best of seven series for the Island Intermediate baseball crown at two games each.

The airways boys didnt' need all their 15 hits as Lefty McAleer pitched effective ball and stiffled practically every dangerous Holman rally.

MacAleer gave up eight base hits but was very tough in the pinches. Several times he allowed the first two men he faced to reach base before bearing down to retire the side without a run scoring.

Donnie Simmons, who has appeared in every game of this series, started on the hill for Holman's. Simmons, who worked for nine innings in Summerside on Wednesday, didn't have it and was relieved by Joe Bernard in the third inning.

Bernard finished the game and in the last five and two third frames allowed five runs on 10 hits. Simmons gave up five runs on five hits.

Two outfielders and short stop Paul Jay paced the M.C.A. attack with three hits each. Brian Lewis, who has been hitting the ball at a fast clip during the play-offs, and Jackie Burke, a hard hitting left fielder, co-starred with Jay at the plate. Lewis and Jay had three singles while Burke had a double and two singles.

Burke laced a double down the right field line to score Lewis with the first run in the opening inning and he came home on Jay's single into right to put M. C. A. ahead 2-0.

M. C. A. started to roll again in the third. Lewis and Burke hit back to back singles and Elmer MacNeill drew a walk shortly after base coach Arnold MacCallum sent Lewis down the third base line to steal home. Jay drilled a single into centre to score Burke and MacNeill and make the count 5-0.

Bernard then relieved Simmons on the mound and snuffed out the rally.

Holman's got one run back in the fourth as Garth Gay doubled Pius Gallant home. M. C. A. made it 6-1 in their half of the fourth with Brian Lewis scoring Lorne Hennessey on a single into right field.

The visitors threatened to make it a new ball game in the sixth. Led by Joe Bernard, who doubled into centrefield they scored two runs and only for some fine clutch pitching by MacAleer might have evened the score.

Charlie Doucette drew a walk following Bernard's double and both runners advanced as Devine overthrew second in an effort to catch Doucette pilfering a sack. Jimmy Grady singled into centrefield and Doucette scored when Gallant grounded out to short. MacAleer then bore down to strike out Gay and Williams.

M. C. A. put the game on ice in the eighth. Merlin Devine led off with a line drive single into left field and Lorne Hennessey, Lewis and Burke hit consecutive singles. MacNeill punched a double into left field and Jay beat out an infield hit to short to account for the winners final
