MONTREAL

MONTREAL (CP) — Declines ranging to a point predominated in quiet closing trading on the Montreal and Canadian stock exchanges Friday.

However, steels and base metals resisted the trend as International Nickel improved a point at 76 and Dosco went up 1¼ to 22¾ while Stelco slipped ⅝ to 58⅞.

Also, a few substantial gains were sprinkled through the other, generally weaker groups. Three-point gains were made by Rolland A and Goodyear, while up one point each were Dominion Glass and B.C. Phone.

Showing one-point losses were Dominion Stores, Salada B and International Paper. Bank of Commerce was down 1¼. Trans Mountain lost 1½.

The junior mines were generally weaker.

Industrial volume was 57,100 shares, mines and oils, 304,000.

Of the 234 issues traded, 43 advanced, 99 declined and 92 were unchanged. One new yearly low was recorded and eight new highs.

NEW YORK

NEW YORK (AP)—The stock market snapped back vigorously Friday to recover more than half Thursday's sharp losses.

Paced by rails, the market pulled out of early irregularity and forced ahead for big gains until late afternoon when preweekend caution asserted itself and some prices were clipped.

Even so, gains of key stocks went from fractions to better than a point. Some special issues wound up with gains of two points or more.

Most Canadian issues advanced. Canadian Pacific was up ⅛. Distillers-Seagrams rose ⅝. Dome Mines advanced ½ and Hudson Bay gained ⅜. International Nickel rose ¼. McIntyre Porcupine was up a point.

Among Canadian shares on the American exchange, Molybdenite and Scurry-Rainbow each rose 1-16. Shawinigan was up ⅛. Fargo Oil was down ⅛ and Richwell dropped 1-16.

TORONTO

TORONTO (CP) — The stock market staged a brief rally in the closing minutes Friday but it was not enough to pull the market up

The trading pace was the lightest this month and down 1,000,000 shares from Thursday. Final volume was 2,634,000 shares, compared with Thursday's 3,700,000.

Golds were the only section ahead on index as they rallied in closing trading for almost a point win. Base metals, ahead all day, fell off at the close and finished one-quarter point off. Western oils were down on a few decimal points.

Golds rallied as Dome and Hollinger each added ⅝ and Kerr-Addison, ⅛.

Coppers gave base metals a slight boost as Geco added ⅜ at 14⅞, and Opemiska gained 20 cents at $8.70. However, Noranda, Labrador and Hudson Bay remained off to send the section down.

Western oils spurted back a half-point in the closing minutes as many issues wiped out earlier losses, but their gains fell just short.

Index changes: Golds up .87 to 84.84; base metals off .25 to 159.14; western oils off .06 to 134.44.

IN MEMORIAM

MRS. JAMES E. SOMERS

As the evening twilight cast its lengthening shadows on Monday, May 5th., 1958, drawing its day to a close, the Lord claimed for His own Mrs. James E. Somers, drawing her earthly life to a close, after a sojourn of almost seventy-three years.

Born Margaret Jane Paynter in New London on May 30th., 1885, she was the daughter of Bernard Paynter and Annie Jack Paynter.

The first number of years of her married life she lived in Graham's Road and Summerfield, later moving to Norboro, where by the relentless and untiring efforts of her and her husband made for themselves and their family one of the finest homes in the district.

After a tragic accident which claimed the lives of her two oldest sons, the family moved to their farm in Pleasant Valley, later to Bonshaw where she passed peacefully away on the above date.

There are left to cherish her memory, her husband, Mr. James E. Somers, Annie (Mrs. John R. Burgoyne), New London, Roy, White Sands, Eletha (Mrs. Hollis Cameron), Summerside, Helen (Mrs. W. M. Wright), Greenwood, N.S., Earle and Allison at home and Vernon at Camp Gagetown, N.B., twenty-four grandchildren and eleven great grandchildren, two sisters Miss Lulu Paynter, of New London, and Mrs. Charles MacRae of Spring Brook and a brother Lorne in Ontario.

Four of her family predeceased her, Eric and Ira were drowned in June, 1927. Lulu, Mrs. W. R. Cameron passed away in May 1944, and Claude's death in November, 1947, was the result of a traffic accident.

The funeral was held on Wednesday afternoon with a short service at her late residence conducted by Rev. Mr. Charman, followed by service in Summerfield United Church, with Rev. L. M. Murray officiating. The hymns sung were Safe in The Arms of Jesus and Rock of Ages. She was tenderly laid to rest in the adjoining cemetery with Rev. Mr. Murray and Rev. Mr. Charman conducting the graveside service.

The pallbearers were Hollis MacDonald, Percy MacDonald, Everett Crosby, Clark Harding, Everett Glover and Allison Mayne.

The floral tributes were:

PILLOW
The family
WREATH
Bill, Thelma, Betty and Ingham.
Holman's Credit Office Staff.
SPRAY

Family Allowances In Province Total $247,538

Yesterday 13,136 Family Allowances cheques totalling $247,538 were deliverable on behalf of 337,001 Prince Edward Island children.

During the past twelve months 336 P.E.I. parents were deprived of Family Allowances payments for at least one month when their children were reported by the provincial school authorities as being unsatisfactory in their school attendance. In the same period, 75 parents lost Family Allowances for one month or more because their children were employed for salary or wages. This announcement was made by Alfred S. Tait, Regional Director for the Province.

Mr. Tait reminds Family Allowances recipients that they are obliged under the Family Allowances legisliation, to notify the Regional Director's office within one month after a child commences to work for wages. If a parent fails to report as required a report may later reach the Regional Office from one of the many available sources. If, after a proper investigation, following such reports, it is discovered that allowances were improperly paid on behalf of any child, an overpayment is set up against the account and the amount of the overpayment is deducted from the payee-s current entitlement or the payee is requested to refund from full amount of the overpayment.

CHILD EMPLOYMENT CAN

There is no loss of allowances in the case where a child is employed during the summer vacation period provided the child attends school regularly to the end of the school year and returns to regular attendance at the commencement of the fall school term. On the other hand, if a child is employed for wages at a time when he is required to attend school either during the latter part of the school year or at the beginning of the new school year and is also working for wages during the summer vacation period, loss of allowances to the parent on behalf of such a child is likely to result. If a parent is not certain as to what is considered by the Regional Office as "working for wages", the Regional Director urges the parent to advise his office immediately.

IN MEMORIAM

MRS. FRED ROBERTSON

The death occurred at the King's County Hospital, Montague, on Thursday, May 15th, 1958, of Mrs. Fred Robertson in her 78th year, following a lengthy illness.

Mrs. Robertson was the daughter of the late Mr. and Mrs. John Crawford of Bedeque, P. E. I. Her husband predeceased her ten years ago, also one sister, Mary, Mrs. Rufus Stevenson and one brother, Rev. Clayton Crawford.
