In Memoriam

ONDON—In loving memory of Pauline Condon who died 4 years ago April 19.
Mommy, Daddy and family.

lacKENZIE — In loving memory of John MacKenzie, Breadalbane, who departed this life April 18, 1954.

Somewhere back of the sunset
Where loneliness never dies,
He lies in a land of glory
Midst the blue and gold of the skies.

You left us a beautiful memory,
A sorrow too great to be told,
But to those who have loved and lost you
Your memory will never grow old.

It's only "good night" dear Brother,
It is just what we used to say,
We will see you again in the morning
At the dawn of a beautiful day.

Always remembered by sisters and brothers.

Newfoundland Plans To Present Strong Argument

ST. JOHN'S, Nfld. (CP) — The man in charge of getting Newfoundland improved terms of union with Canada told the legislature Monday the case the province will present to a federal royal commission is exhaustive, well-documented and startling.

P. J. Lewis, minister without portfolio, said he was limited to general terms in speaking of the report prepared by a Newfoundland royal commission, of which he is chairman.

He said the commission interpreted term 29 of union, providing for revision of terms, as giving Newfoundland the right to ask for "additional financial assistance to bring her public service standards up to a tolerable minimum level recognized in Canada generally."

CAN PROVE NEED

Findings concerning Newfoundland's personal incomes, cost of living, and purchasing power of the Newfoundland dollar compared with the mainland dollar were "startling."

"As a result of scientific investigation, exhaustive and complete, Newfoundland can prove her right to substantial financial assistance," he said.

"All parts of Canada," Mr. Lewis said, "should have equal basic opportunity."

The federal commission is expected to be appointed next year. The Newfoundland legislature is expected to pass a bill invoking term 29 at its present sitting.

Multi-Colored Stamps Forecast

OTTAWA (CP) — Canada may have multi-colored stamps before long, deputy postmaster - general Walter Turnbull told the Ottawa chapter of the Canadian Philatelic Society Monday.

He said stamps of two or more colors now are coming into general use with improvements in printing processes. Canadian multi - colored stamps probably would be those depicting outdoor scenes.

Canadian stamp issues now are printed in one color only. One two-color stamp was circulated years ago.

Mr. Turnbull also said the post office may issue a series on Canadian flowers and possibly also a series on Canadian Indian masks.

DAILY MARKET QUOTATIONS

Toronto Stocks

TORONTO (CP)—Prices of industrials and base metals advanced moderately on the stock exchange Tuesday, but some caution was evident.

Western oils finished lower after selling cut into early gains. Trading was active and 10,846,000 shares changed hands.

Papers, steels and refining oils led industrials ahead. Few price changes went beyond a point.

Chrysler led losers, off $2.37 at $72.25.

Gaspe Copper shot up $7 to a new high of $55 in the mines section, giving it a $10 advance in less than a week. Noranda was up $1.75 and International Nickel up $1. Consolidated Halliwell led the favorites in the medium-priced group, climbing 35 cents.

Selected golds and uraniums advanced.

Merrill Pete added ¾ in western oils. Anglo-American was down ¾.

Index changes: Industrials up 1.83 to 475.75, golds up .40 to 88.17, base metals up 1.72 to 248.85 and western oils down .48 to 154.38.
