

**Senate Vacancy  
 Stirs Speculation**

By NEIL A. MATHESON  
 Provincial and Farm Editor  
 Increasing interest is developing among Progressive Conservatives as new names are proposed as possibilities for the Senate post made vacant by the death last week of Senator George H. Barbour.

Senator Barbour, whose home was in Prince County, represented West Prince for a dozen years as legislature member, and for a time as minister of public works and highways. His appointment was regarded as from Prince, although he lived more recently in Charlottetown.

Most people agree that the new Senator will come from Prince, which has nobody in the Upper House now. Although there is nothing to indicate that a Senator must come from any county or district, county lines have been respected in most appointments in the past.

Many names have been mentioned and a number of them are known to be definitely seeking the appointment.

**EIGHT PROSPECTS**  
 They include Keith Boswell, Victoria; Peter McCaul, Ellerslie; Frank Myers, MLA, Crapaud; J.W. Don Campbell, MLA, Alberton; George Key, Sr. Summerside; Claude Delaney, Albany; W. Chester S. MacDonald, Summerside; and Education Minister, L.G. Dewar, O'Leary.

Mr. Boswell, who contested the Liberal stronghold of 4th Prince for the PCs in 1951 and 1955, is definitely in the race, he told The Guardian-Patriot before leaving for Toronto, where he is attending the annual meeting of the association as a national director.

Strongly connected with politics, he has long been a party stalwart and "my mother was a sister of the late Walter M. Lee, a former Liberal premier". Mr. Boswell feels that his prominence as a successful breeder and exhibitor of cattle over the years should be an added recommendation.

**WESTERN BRIEFS**

**TO SAINT JOHN**  
 Miss Helen Wells of Alberton, Mrs. Aneas Ahearn, Mr. and Mrs. Erskine S. Gavin and children of Alberton, and Mrs. Terence Gavin of Tignish left by car yesterday morning to spend a few days in Saint John, N.B.

**ARSENAL FURNAL**  
 The funeral for Mrs. Philomene Arsenault was held Thursday morning from the Charlottetown Funeral Home to St. Patrick's Church, Grand River, where Requiem High Mass was celebrated by Rev. Pius Murnaghan, P.P. who also conducted the service at the grave. Rev. Emmanuel Richard and Rev. John Boute were present in the sanctuary. Pallbearers were Francis DesRoches, Howard Molyneux, John Lund, Thomas Fitzgerald, Gordon Williams and Roland Vessey. Interment was in the church cemetery.

**Palmer Road  
 Group Seeks  
 Road Paving**

ALBERTON — A 16-member delegation was appointed at a public meeting in Palmer Road Tuesday night, to present a resolution to the minister of highways requesting the paving of the road from St. Louis to Waterford.

F.J. Shea was elected chairman. He is actively seeking the post.

There is some speculation that Dr. Orville Phillips, MP for Prince, may seek the post, but veteran political observers think it likely that with an election in the offing, the Prime Minister, who makes the appointment, would be reluctant to lose him as a candidate in the federal balloting.

There is speculation, too, that the appointment may come before the federal election. Those who think this way recall that the Liberals lost an opportunity to name a man to succeed the late Senator J.P. McIntyre in 1957, when they expected to win the election, but watched sadly from the sidelines as the victorious PCs named J.J. MacDonald of Mermaid.

**Defence Research  
 Official Named**

OTTAWA (CP) — Dr. John W. Abrams, a 48-year-old astrophysicist Thursday was named chief of operational research for the Defence Research Board.

Dr. Abrams, a native of San Francisco, has spent the last three years on special duty with NATO at supreme headquarters, Allied Powers in Europe.

In his new appointment, Dr. Abrams will advise on the application of operational techniques to defence problems and on the allocation of scientists to the operational research units of DRB and the armed services.

He served with the RCAF from 1941 to 1945 as an operational research officer and joined the National Research Board in 1949.
