DOWN THE BACK STRETCH

Racing at the fall fairs in Maine and other parts of the United States is now at its peak and for the next several weeks efforts of the trotters and pacers will be making the headlines. At Springfield, Ill., last week Joe O'Brien won the 3-year-old pacing stake with Diamond Hal in 1:59 3/8, a year's best performance. You will say, in addition to the racing at the fairs there is plenty of night racing with new tracks opening up throughout the U.S. In near-by New Orleans, La., there is a million dollar plant and expectations are that it will be a very popular venture. The Maritimes are pretty well supplied with night racing plants, there being one in Sydney, one in Truro, one in Fredericton, Woodstock, Saint John and Moncton, and in this province, Charlottetown and Summerside, so harness horses are getting good opportunities in these three provinces.

We notice where Angie Allen well known Maritime driver who now trains and drives the stable

of Fred Tobey, Plymouth, N.H., won at Vernon Downs recently, giving the stallion Prisco Fancy a new record of 2:02.

The get of Adios are making headlines week after week. Adios Boy, that showed himself to be the greatest 2-year-old of all time last season by pacing in 1:58 3/5 isn't losing any of his reputation as a 3-year-old. His latest performance at Roosevelt Raceway was in a \$15,000 purse where he met most of the pacing greats including Bonnie Brook Dean, Hillside, Chuck Volo Meadow Rice Red Sails, Wilmington Star and Prince Adios. He is owned by J. S. Turner of Nassawadox, Va., and was driven by Harold Camden. The distance was 6 1/2 furlongs and he won in new world's record time of 1:36. Another son of Adios, Adios Harry, won driver Money MacDonald in 1:58 3/5. MacDonald, who is well known to the writer, predicts that he will wind up as one of the fastest 3-year-olds.
