

Employment Information

The staff of the Canada Employment Centre - on campus (CEC-OC) welcomes you to use the services of our office during the upcoming academic year. Our office is located in the Student Services Area of the Robertson Library and is open 8:00 a.m. - 4:00 p.m. Monday through Friday.

Some of the services offered include:

1. Co-ordination of the on-campus recruitment program for graduating students.
2. Assistance with writing resumes, covering letters, application forms and with preparation for interviews.
3. Referral to Full time, Part time or Summer jobs listed with our office.
4. Career information resource centre.
5. Employment Counselling.

It may seem early to be thinking about job hunting, however, each year employers, anxious to hire the best graduate or summer student for their organization start early to recruit. This year the first employer will be on campus October 10, 1990 to interview and has asked that applications be sent September 28. Last year advertising for summer jobs started in October with the first deadline for applications being the 27th of October 1989.

In order to prepare a quality application form and resume you must be prepared to put some time and effort into it. It is not too early to start now.

We look forward to meeting you and providing assistance in your job hunt during the 1990/91 Academic Year.
