GO TO THE LYCEUM to-night.

NEW FRONT.—Capt. May is to-day placing a new front in his Restaurant, on Grafton street.

BALLAD CONCERT in the Lyceum this evening. Programme in another column. Don't fail to attend.

HOLIDAY.—This being a statutory holiday, the post office clerks are enjoying a rest until the foreign mail is distributed this evening.

SABATH SCHOOL CONCERT in the Upper Prince Street Methodist Church this evening. The programme is a very attractive one. At 7 and 8.

SONS OF TEMPERANCE.—Regular meeting of Victoria Division this evening. Brethren who attended the meeting of Grand Division are expected to report.

SPECIAL NOTICE.—Owing to the seats in the Lyceum being on a dead level, the ladies attending there to-morrow night are requested to kindly remove their hats and bonnets.

STEAMER'S MOVEMENTS.—The William arrived at St. Pierre, Me., yesterday—all well. The Carrol is still at Port Hawkesbury. The Steam Navigation Co's. steamers are plying as usual.

POLICE COURT.—James Trainor, drunk and disorderly, \$1 or 4 days; Donald McKinnon, \$1 or 4 days; George McKinnon, charged with embezzling \$1.70 from Mary Ellen McNeill, remanded until Wednesday.

TO BE INVITED.—It is said that the Charlottetown firemen are to be invited to take part in the Summer Carnival sports at Halifax; and also that one or more four-oared crews from this city are to be asked to take part in the regatta to be held in connection with the same celebration.

OFFICIAL VISITATION.—W. H. Weather- spoon, Esq., Grand Master of the I. O. O. F., has been on an official tour through the Provinces. It was expected that he would visit Charlottetown, but it is probable he has decided to unite his trip this way with the session of the Grand Lodge in this city in August next.

REMARKABLE.—We are informed that Mr. John McDougall, of Rice Point, caught quite a number of lobsters in his traps at that place on Monday last. The 15th April is a rather early date on which to be catching lobsters; but this is an extraordinary season. Mr. McDougall also, we understand, caught several codfish on the same day.

TERRIBLE ACCIDENT.—The Pioneer says:—A fearful accident occurred at Johnston's Mills, Long River, last Friday morning. James Found, about 16 years of age, son of Mrs. W. Found, was carrying a slab when in some way it came in contact with the saw and the boy was thrown on it, with the result that one of his legs was cut off and his body cut in two. He lived but a short time.

DRUNKEN ROW.—A drunken row on Pownall Street, on Saturday afternoon, created a good deal of excitement in the neighborhood of the battle-ground. The victor—a brawny countryman—made his escape, and the vanquished (who, by the way, was pretty well used up), was taken in charge by the police. This morning he was fined \$1 or 4 days. It is reported that the countryman was afterwards severely handled while on his way home, but there may not be any truth in the story.

THE WEATHER.—Yesterday was a regular pet day. The sun shone brightly, the air was balmy, and many of our young people appeared out in all the gorgeousness of summer raiment. In the afternoon, however, the sky became overcast, and shortly before six o'clock it began to rain, which continued till far into the night. About eight o'clock in the evening thunder and lightning began—a very unusual occurrence at this season of the year. To-day there is a strong wind blowing, and overcoats are comfortable.

MAMMOTH PICNIC.—At a meeting of the South End Boating Club held on the 20th inst., a committee of five was appointed to make preparations for a mammoth picnic to be held on one of the beautiful fields on the bank of the West River on or about the first of July, at which it is intended to hold all kinds of sports, viz.: Rowing races, running races, sack races, broad jumping, high jumping, pole vaulting, etc. One or more brass bands will be employed for the occasion, and it is expected that this picnic will surpass anything of the kind ever got up on the Island. Particulars later.

THE LAWN TENNIS ENTERTAINMENT.—Those who were present at the dress rehearsal on Saturday last, speak of this entertainment in glowing terms. The Broom Brigade, an entirely new thing to a Charlottetown audience, went through their several movements with remarkable accuracy and skill, which, together with the picturesque costumes, to say nothing of the personal charms of the rank and file, produced a fine effect. We advise every young man, with an eye for the beautiful, to secure a seat at the Lyceum to-morrow night. Songs, tableaux vivants, and a reading interspersed with specially prepared selections by Mr. Vinnicombe's well-known orchestra, complete the first part of the programme. The second part will be devoted to Mr. Howell's amusing farce, entitled the "Mouse Trap." A few reserved seats still remain undisposed of, and can be procured at Reddin's Drug Store, where a plan of the Hall is on view. Admission 35 cents, reserved seats 50 cents.

THE SEIZED LIQUOR RELEASED.—The liquor seized from Mr. John Connolly, in September last, was to-day returned. Our readers will remember that in February last an order was made by the Supreme Court to return the liquor within ten days, unless in the meantime the proper steps were taken to condemn the liquor. An application for a re-opening of this order was made to the Chief Justice, and he allowed the matter to stand until the opening of the Court next month. Actions were then commenced in the Supreme Court against the city and all parties concerned in the seizure, and things began to look rather blue for the city and those sued. Those who were instrumental in asking for a re-opening of the order directing the return of the liquor very properly thought there was no practical benefit to be derived from a series of expensive law suits and abandoned their application, and therefore the original order stood and the liquor was to-day handed over to Connolly's agent.

DOMINION PARLIAMENT.

Debates and Proceedings.

OTTAWA, April 20.

On Sir John Thompson moving to transfer Mr. Weldon's (Albert) bill to extend the Extradition Act, to Government orders, Mr. Laurier suggested that as the details of the measure would create considerable discussion it ought not to be pressed at this late stage of the session.

Sir John Macdonald said there was a great moral impatience on the part of the people of Canada to put an end to the inflow of rascality from the United States. He thought the bill so unobjectionable in principle that it would meet with little opposition, but if its details were likely to lead to protracted debate, it would then remain for the House to say what disposition should be made of it.

Mr. Davies opposed the consideration of the measure at this late stage and contended that the Imperial authorities would not allow it to come in force.

Mr. Charlton endorsed the Premier's position and for the good of the country hoped the bill would pass this session.

Mr. Mills said a big heap of constitutional objections were looming up in the distance.

Sir John made a few remarks, after which the motion was passed.

In reply to Mr. Jones (Halifax) Sir John said an agreement had been entered into with the Allans for carrying the Atlantic mails, and that the contract for building the Digby & Annapolis railway had been awarded.

From recess till five minutes of midnight the House in committee discussed Hon. Mr. Foster's resolution re the fast Atlantic mail service. Finally the resolution was adopted without division.

NOTES.

Mr. Main, of the Grand Trunk, had an interview on Saturday with Sir John at which it is understood he asked for his company running power over the Intercolonial and Short Line to Salisbury, co-equal with those given to the Canadian Pacific. There is no reason to believe that the request was not unfavorably considered by the Premier.

It is believed the Grand Trunk claim that they, using the Intercolonial to River Ouelle, thence passing over the Tennis-couta Railway and its prolongation to Gibson, and on by the Short Line to Moncton, they can reach Halifax in practically as good time as can the Canadian Pacific.

The Jesuits Estates Bill Again.

TORONTO, April 21.

The papers this morning publish the address of the citizens committee to the people of Ontario on the Jesuits Bill. The address suggests as lines of action (1) that a petition be presented to the Governor-in-Council, asking that the Act be disallowed; (2) that steps be taken to have the constitutionality of the Act tested in the courts; (3) that steps be taken by the organization to insure united political action for the purpose of securing and maintaining perfect religious equality throughout the Dominion, and preventing ecclesiastical dictation in public affairs. It is also announced that a convention will be held in Toronto on the 11th and 12th of June to form a provincial organization, and co-operation in the sister provinces is solicited. The address is signed by W. H. Howland, chairman; J. L. Hughes, Secretary; E. D. Armour, Principal Caven, Dr. Ogden, J. J. McLaren and others.

The Sardinian and Corean Arrive.

HALIFAX, April 21.

Allan steamer Sardinian arrived last night with seven hundred immigrants and the Corean to-night with 500. The Sardinian brought no English mail. She embarked a large quantity of mail matter at Liverpool, and called at Moville for the balance, but at Moville the whole of the mail embarked at Liverpool was ordered to be taken ashore and forwarded later via New York. Among the mails thus disembarked was all the Sardinian's papers, cargo manifest, etc. This unfortunate blunder caused great inconvenience to maritime business men. The immigrants from both steamers were forwarded west by special train.
