IMPORTANT NOTICE to all students

The University President has accepted a set of proposals made by a Planning Advisory Group (Deans: Ledwell and Dowling, Director Revell, and Director of Admin. and Finance Clough) as proposed academic changes at U.P.E.I.

Since these changes will eliminate eleven majors programs at U.P.E.I. thereby (it is recognized) reducing the university to a quasi-polytechnical institute, they seriously affect all students.

Don't sit on your butts!! Your degree might be ruined, your money wasted! Let's get out to discuss the proposed changes before they're rammed through Senate as we've seen with past administrative proposals.

YOUR DEGREE IS AT STAKE!!! Come to the meeting tonight! Thursday, Oct. 7, 1982 at 6:00 P.M. in the Student Lounge Robertson Library.

There is now a lost and found at the U. P. E. I. Student Union Office and Robertson Library.
