Former S'ide Woman Injured In Accident

Word has been received in Summerside by her nephew, Mr. Harris Rideout, that Mrs. Margaret Roehner, former superintendent of the Prince County Hospital, was seriously injured on Sunday when her car, for some unknown reason, left the highway and crashed into a telephone pole. The accident occurred about forty-five miles west of Quebec City.

From fuller details received last evening, it appears that Mrs. Roehner had been driving the car and as a result of the crash she was thrown violently against the steering wheel, suffering several broken ribs and it was also feared that she had sustained a crushed heart. The report from her physician in the Jeffrey Memorial Hospital stated that although she was out of the danger state her condition was still serious and she would be confined to hospital for at least a month.

She was accompanied by her sisters, Mrs. A. T. Roman of Halifax, and Mrs. Edward Robertson of Westville, N.S. As far as it was known neither had sustained any serious injury.

At the time of the accident Mrs. Roehner was on her way to Cochrane, Ontario, to assume her duties as superintendent there. She is an aunt of Mr. Harris Rideout, of the Gomac Construction Company, Summerside, who was advised yesterday of the details of the accident and of her condition. - S

Interesting Field Day At Urbainville

The hope that the people of this Province would use some of the high production methods employed in Europe was expressed yesterday by Mr. W. R. Shaw, Deputy Minister of Agriculture in his address to the group attending the Illustration Station Field Day at Urbainville.

About 150 people were present for the afternoon's activities which were smoothly conducted by the Supervisor Mr. N. W. Black. The field day was held on the farm of Mr. Zenon Gallant.

One of the highlights of the afternoon was the Holstein cattle judging competition. Miss Mary Ann Cormier took top honors in the Junior group over Miss Louise Bernard who was placed second. Mr. Henry Bernard was third. All are members of St. Phillip's calf club.

Leading the seniors was Miss Alyre Gallant. Mr. Zenon Gallant was second and Mr. Rene Maddix, third.

Mr. Black reviewed the fertilization of permanent and rotational pastures. He urged the farmers to direct more attention to the manuring of pasture fields and to supplement dressings of manure with commercial fertilizer.

He advocated close grazing as a means of establishing a wild white clover sod. He also advised the farmers to mow pasture areas where under grazing occurred in order to discourage the rank growth of grasses and facilitate the introduction of clover in the sward.

Hon. C. C. Baker, Minister of Agriculture, Mr. R. B. MacLaren, cerealist at the Experimental Station and Mr. Gordon Warren, horticulturalist at the Station also spoke.

Tours of the fields were held and work on the Illustration Station discussed.

Mrs. Peter Fridgen and daughter, Miss Mildred Fridgen, of Margate, Saskatchewan are guests of Mr. and Mrs. William Fridgen, Summerside. - S

Prof. and Mrs. Lorne Lea of Concord, N. H., who are spending their vacation at Victoria, were guests of Mr. and Mrs. Ellis Profit, Burlington, on Friday. - Bur.

Mrs. Ray Schurman of Boston, Massachusetts, has returned to her home after a pleasant holiday in Summerside as guest of her parents, Mr. and Mrs. A. MacDowell. - S

Mr. and Mrs. John Matheson have returned to their home in Abington, Massachusetts, after an enjoyable holiday spent in Summerside as guests of Mr. Matheson's brother-in-law and sister, Mr. and Mrs. D.J. MacLeod. - S

Tryon Choral Club Meets

The Tryon Inter-Community Choral Club held a business meeting after rehearsal last Thursday night. The president, Mr. Arthur MacKay, expressed the club's regret at the loss of a very valuable member of the tenor section, Mr. Norman VanEmber, who until lately, has been with the Bank of Nova Scotia in Albany; but is now with that Bank in Chatham, N. B.

Mr. VanEmber was also treasurer of the club, so it was necessary to elect a new treasurer. Mr. George Fobbler, of Tryon, was elected to this office.

The director, Mr. Wm. A. Jones, reminded the members of the small number of rehearsals before the South Shore Musical Festival, which is a week earlier this year, and asked that everyone try his utmost to be present at every rehearsal. - S

Field Day At Knutsford

Approximately 150 farmers attended the Illustration Station Field Day on the farm of Robert Woodside and Son, Knutsford, on Tuesday to participate in a tour of the Station fields and hear interesting talks by Department of Agriculture men.

Deputy Minister of Agriculture, Mr. W. R. Shaw reviewed important aspects of his recent trip to Europe. He noted that the European people took much pride in their homes and that all farm homes were painted or stained.

The people of Denmark, he stated, took great pains to eradicate weeds. They did not erect fences on their farms so that could save land, he stated. All cattle were tethered in order to make the most of the grazing areas available.

The cattle in Denmark were all one breed, he stated, and doubled their production and butter fat testing during the past four years by a constructive breeding program. 35 per cent of the cattle were bred through artificial insemination. The people use mar-garine and export their butter.

The Danish people take great interest in their schools emphasizing physical culture. He found Sweden and Denmark had much the same way of living with particular interest in co-operatives.

The people in these countries get their milk in depots instead of having it delivered, he stated. The consumer often pays less than the producer gets for his milk on account of subsidies, he added.

In Scotland he noted that the people were cutting down on the growing of turnips and grain feeding. The dairy industry was progressing well, he added, and in all matters of agriculture the people were working under a system of subsidies.

Mr. N. W. Black, Supervisor of the Illustration Station, discussed the six year crop rotation program which featured hoed crops, grain seeded timothy, timothy, timothy or pasture and pasture.

Hon. C. C. Baker, Minister of Agriculture, noted that this province was handicapped by its distance from the markets. "We must be able to produce at the very least cost in order to compete with countries with lower standards of living than we have," he stated.

Mr. R. B. MacLaren, Cerealist at the Experimental Farm, reviewed the cereal rod-row tests in the province and Mr. Gordon Warren, horticulturalist at the Experimental Farm addressed the ladies on shrubs, flowers, garden vegetables and insect control.

The group were taken on tours of the Illustration Station and were given a chance to view outstanding grain crops including Cascade wheat, Charlottetown, No. 80 barley and Abegweit oats.

Crop Conditions On Prairies Good

OTTAWA, Aug. 9. (CP)—Prairie crop conditions range from "good to excellent," the Bureau of Statistics said today in a telegraphic report of crop conditions across Canada.

Missionary Is Speaker At WMS Rally

Miss Elma Inman, missionary on furlough from Trinidad, was guest speaker on Tuesday afternoon in the Malpeque United Church at a W.M.S. Rally when more than one hundred members were present. Mrs. Chester Simpson presided at the organ.

The devotional exercises, which opened with the singing of "Dear Lord and Father of Mankind," were conducted by the Darnley and Sea View Auxiliaries under the direction of Mrs. Harry Crozier, assisted by Mrs. Fulton Simmons and Mrs. James Hickey, when the theme of the rally "Doorways of Service" was announced.

Mrs. L. M. Callbeck was in charge of the programme, and called on Mrs. James Cross, who gave the address of welcome, calling attention to the fact that the first missionary society in Canada named the "Prince Town Female Society" was organized in this community in 1825. Mrs. W. Seaman of Summerside responded on behalf of those present. Members of Auxiliaries from twelve of the nearby districts answered to roll call by Mrs. Frank Cutcliffe.

Miss Inman gave an interesting talk on her work in Trinidad, describing the dress and customs of the natives. She also gave her impressions of camp at Berwick, N.S., which she recently attended. The speaker made an appeal for more leaders at the Girls' Camp in Augustine Cove and challenged the audience to give inspiration to the youth in the homes for full time church service.

During the singing of the theme hymn, "O Set Ye Open Unto Me the Gates of Righteousness," the offering was received by Mrs. Andrew Johnstone and Mrs. Wallace Reeves. A quartet, "Lead Me To Calvary," was rendered by the following ladies from Summerside: Mrs. T. H. E. Inman, Mrs. G. L. Sheen, Mrs. W. K. Llewellyn and Mrs. V. Travers.

Messages were received from the various departments of the Presbytery by the following officers: Mrs. J. F. Scott as Christian Stewardship Secretary made an appeal for doorways of full time church service, followed with prayer for missionaries; Mrs. Lewis Cairns as secretary for affiliated C. G. I. T. sent a message on the service of leadership with the Junior Groups. This was read by Mrs. Frank Cairns. Mrs. J. S. MacLeod gave the treasurer's report; Mrs. Percy MacMurdo read the message sent by Mrs. Alban Craswell, Secretary of Mission Band; the Missionary Monthly and World Friends report by the secretary Mrs. S. M. MacKay was read by the chairman. Mrs. Milton Weeks of Fredericton, a delegate to the Maritime Branch Conference held in Sackville, presented an interesting outline of the meetings. A splendid review of the new study material and the Japan Book Shelf was presented by Mrs. Scott and at the close of the meeting over \$40.00 worth of literature was sold.

The closing meditation of the afternoon was given by the Presbyterial president, Mrs. J. D. MacFarlane of Crapaud, on "Behold I Set Before You An Open Door". She stressed a number of doorways of service, the first and most important of which is with the children.

Mrs. Callbeck expressed her appreciation to all who assisted in any way in bringing this Rally to such a successful conclusion.

After the meeting adjourned a delicious supper was served by the members of the Malpeque and Baltic, Hamilton, Darnley and Sea View Auxiliaries, for which Mrs. Hammond Toombs, Presbyterial past-president, expressed gratitude on behalf of those present.

LONDON, Aug. 9. (AP)—The co-Operation Administration announced today the purchase of 34,000 troy ounces of platinum from Britain for the U. S. raw materials stockpile. The price paid was not disclosed.

ington, D. C., to say that he had suffered a leg wound and arrived recently from the Korean front. LeBlanc joined the U. S. forces two years ago and was with the Medical Corps.

Mr. and Mrs. F. R. Naus Entertained by Masonic Lodge

Camp Kler, New London Harbour was the scene of a jolly party and clam bake on Thursday evening, July 27, when the Masonic brethren of Mt. Zion Lodge, and King Edward Chapter, with their ladies joined in entertaining Past Master Naus and Mrs. Naus who are about to leave for Glace Bay, N.S.

Mr. and Mrs. Naus have been popular residents of Kensington, where the former was manager of the Bank of Nova Scotia, and have made many friends here. Following an hour of social intercourse, the company sat down to an appetizing repast of clams, wieners and other tempting viands, topped off with ice-cream and cake. When the tables had been cleared away, the honored guests were escorted to the dining-room by W. M. James Smith of Mt. Zion Lodge, who

read an appropriate and complimentary address. Rev. J. A. McGowan presented to Mr. Naus, a Past Master's Jewel, and to Mrs. Naus, a purse of money. Both replied appreciatively and interestingly. The company was favored with an address by Past Master William Burns, of King Edward Lodge, Malpeque, and with stories and anecdotes, told in his own inimitable style, by Rev. G. S. Stevens. At a late hour the National Anthem was sung and the guests reluctantly parted company, after wishing the guests of honor every success in their new environment. - Bur.
