# Bombers Are Out To Lick Their Weight In Ti-Cats

WINNIPEG (CP) — Winnipeg Blue Bombers left for Vancouver Monday, out to lick their weight in Tiger-Cats in the 1958 renewal of the Grey Cup classic. Bombers won the right to meet

Hamilton Tiger-Cats—and maybe revenge the 32-7 pounding they took from the eastern champions in the 1957 Canadian professional football final—by rapping Edmonton Eskimos Saturday 23-7 to take

the best-of-three Western Interprovincial Football Union final 2-1. Winnipeg won the first game 30-7 and Edmonton the second by the same score.

Bomber coach Bud Grant said that while the western championship was a big victory, his charges haven't lost sight of the fact that the Grey Cup is the goal.

## DIFFERENT ATTITUDE

"The boys are in a different frame of mind this year," he said.

"When we knocked over Edmonton last year, they were delirious with joy. We had topics which had been the greatest machine in football, and it had cost us dearly in injuries.

"The Grey Cup was kind of anti-climax. The boys fought hard against Hamilton, but when a miler has finished his final kick he has no more reserve, and that's as good an example as any of what shape we were in.

"Right now the boys are comparatively healthy. They feel they can lick their weight in wildcats—or to be more specific, Tiger-Cats."

Only a few well-wishers and relatives were on hand at Steveston Field to watch the club's plane for Vancouver a few feet from the thousands who greet them on their return from last year's defeat.

Bombers were scheduled to hold a light workout at Vancouver on arrival Monday. They will be in uniform for the benefit of photographers and press.

## Bombers Arrive In Vancouver

VANCOUVER (CP)—Winnipeg Blue Bombers, bursting with good health except for a few bruises and taped ankles, arrived Monday and immediately got down to the business of preparing for the Grey Cup game on Saturday.

About 50 friends, well-wishers and curious men like the Bombers at Vancouver Airport but the reception didn't last long.

## Als Retain Coach Walker For '59

MONTREAL (CP) — Douglas (Peahead) Walker, dean of coaches in the Big Four football league, is to return to Montreal Alouettes in 1959.

Gorman Kennedy, general manager of Alouettes, announced Monday that Walker, whose teams have finished out of the playoffs only once since he joined the Als in 1952 has been signed for another season along with his two main assistants. The assistants are Jimmy Dunn, backfield coach with Als since 1952, and J.B. (Ears) Whitworth who joined the team this year as line coach.

Salary terms were not disclosed, but it frequently has been reported that Walker is the highest paid coach in the Big Four. Only coach Frank Clair of Ottawa was in the league when Walker came to Als. But since 1952, Clair has been dropped by Toronto and picked up by Ottawa.

FINISHED SECOND In signing Walker for another season, Alouettes' management gave him a vote of confidence over the objections of some fans who had yelled for his scalp because of the team's showing this year.

Als finished second in the league standings and bowed to Ottawa in a sudden-death semi-final playoff, Ottawa lost to Hamilton in the final leading to next Saturday's Grey Cup game in Vancouver where Hamilton will meet Winnipeg for the second consecutive year.

Management apparently felt Walker and his staff had done a good job in finishing second. Most prognosticators in pre-season balloting had picked the Als to finish in the cellar.

The season, marked by injuries to such all-star players as end Hal Patterson and guard Bill Albright, was described as a rebuilding year. Many new Canadian players and several new American imports were brought in to fill vacancies left in the 1957 lineup.

It was a season when Canadian players under Walker showed at their best. The showing was climaxed by backfielder Bill Bewley, a native of Toronto, winning the Big Four scoring championship.

# Zora Folley Stops Joe Bygraves

LEICESTER, England (AP)—Zora Folley, heavyweight contender from Chandler, Ariz., Monday night stopped Joe Bygraves, former British Empire heavyweight champion, in the ninth round of a 10-round bout. Folley weighed 191½ pounds, Bygraves 203½.

The 27-year-old American, third ranked among the challengers for Floyd Patterson's crown, controlled the fight all the way. Making up for his Oct. 14 upset in London by Britain's Henry Cooper, Folley held a 6-1-1 edge on The Associated Press scorecard through eight rounds. Bygraves won the fourth with the third even. Folley took all the rest.

LONG COUNT Bygraves who had knocked out Cooper in the ninth round in February, 1957, was a 2-to-1 underdog.

The only knockdown of the fight was a "long count" nine in the second round, reminiscent of the famous "long count" of the Gene Tunney - Jack Dempsey fight in Chicago in 1927.

The fast-moving fast-punching Folley sent Bygraves slumping to the canvas with a short right cross. The Jamaican, dazed and bewildered, sat on the deck as the count mounted to nine.

Then Bygraves looked toward the timekeeper, shouted "is that nine?" and stumbled to his feet. It seemed to ringsiders the count had gone past 10 before Bygraves got up but the British referee Frank Wilson allowed the bout to continue and Bygraves fought back.

Referee Wilson stopped the fight at 2:59 of the ninth round.

# Same Old Story Told Every Year

By JACK SULLIVAN Canadian Press Staff Writer Someone should dub this Old Cliches Week because, if past experience means anything, the coaches of the Grey Cup finalists will shatter the eardrums of football writers with some of the fanciest double-talk they are liable to hear. It happens every year about this time.

For instance, one coach will refuse to predict the outcome with this remark: "We take 'em one at a time." The other coach most likely will counter with: "Those guys are no different. They still put their socks on one at a time like any other human being."

The season for clichés really started a couple of weeks ago in the Western Interprovincial Union finals and was recorded by Jack (Winnipeg Tribune) Matheson who says it's about time the Coaches Manual was rewritten.

Matheson, along with every other football expert or fan, was at a loss to explain why Winnipeg Blue Bombers should knock over the Edmonton Eskimos 30-7

# Valley League Is Formed

KENTVILLE, N.S. (CP)—Five teams are entered this season in the Valley Hockey League, one of eastern Canada's oldest circuits. They are Kentville, Wolfville, Windsor, Acadia University and a new entry, the Black Watch Regiment, stationed at Aldershot Camp here.

Windsor won the title last year and went on to take the Maritime intermediate championship. Black Watch formerly played in the Nova Scotia Armed Forces League.

The schedule starts Dec. 1 but Black Watch will not play until January. The circuit will operate as an intermediate league for the second consecutive year.

The Valley League has functioned for 50 years. This is the first time in 30 years that five teams have entered. Wolfville and Windsor have been members since it was organized.

## May Get Look At International Trophy Champ

MEXICO CITY (AP) — United States golf fans may get a look at the new international trophy champion, Miguel of Spain, and Ireland's Canada Cup winner, Harry Bradshaw and Christy O'Connor, next April at the Masters.

It has become routine for the directors of the tournament at Augusta National to add international flavor with special bids to leading foreign stars. The new Canada Cup champs, crowned here Sunday, appear naturals for the Georgia tourney.

"I would like to play in the United States again," said Miguel, a lean, dark-eyed farmer's son who beat Bradshaw in a dramatic playoff for the individual crown.

Bradshaw and O'Connor, Ryder Cup veterans, would welcome another shot at America's best pros. Like Torakichi (Pete) Nakamura, the little Japanese ace who beat out Sam Snead, Jimmy Demaret and the rest of the world's picked aces a year ago at Tokyo, Miguel was a rank outsider in the tournament.

Bradshaw is a fabulous Irishman of 45, plump and jolly but a terror on the golf course. He has won the Irish championship nine times.

Eric Nestoranko has probably the most unusual arrangement with his employers of any player in the National Hockey League. The Chicago Black Hawk right-winger rarely sees Coach Rudy Plouffe between games.

Plouffe between games.

# Golden Bears Dominate 1958 ORFU All-Star Team

By JACK SULLIVAN Canadian Press Staff Writer TORONTO (CP) — Sarnia Golden Bears, powerhouse champions of the Ontario Rugby Football Union this year, practically swept the 1958 Canadian Press ORFU all-star teams announced Monday night.

The Bears placed 13 men on the squads—eight on offence and five on defence.

They made room for only two players from London Lords and one each from Kitchener-Waterloo Dutchmen and Detroit Raiders of the offensive team. But the balloting by sports writers, coaches and sportscasters in the ORFU cities was much closer for the defensive squad with Sarnia taking five places, London four and Kitchener-Waterloo three.

PICK TWO "CANADIANS" Two Canadians, veterans of pro football, were chosen, for the offensive team. The remainder were American imports, including playing-coach Al Bruno of the Lords who was a star end with

Toronto Argonauts and Ottawa Rough Riders of the PFL Four in past years.

Davey West, 30-year-old Canadian-born backfielder who has played for nine of the 12 professional clubs in the East and West, was chosen for the flying wing spot on the offensive team and also a defensive half. Don Mattingley, 10-year veteran with Sarnia clubs, was selected all-star centre.

Also chosen for both teams were tackles Ed Heuring of London and Gerry Sturm of Sarnia.

Notes were weighted to give equal balloting strength to each league city.

# Trimble Says Tiger-Cats Are Fired Up And Ready

HAMILTON (CP) — Hamilton Tiger-Cats are healthy and coach Jim Trimble says they're "fired up and ready." But some football fans are asking how good, really, are the Big Four champions?

Relatively unchallenged during the 1958 eastern season, the Ticats wrapped up first place in their first 10 games, then coasted through the remaining four to gain a bye into the finals.

They crushed Ottawa 35-7 in the first of the two-game total hand playoff series. The Rough Riders had played a bruising sudden-death semi-final only three days before against Montreal.

On Saturday, the Ticats clinched the right to meet Winnipeg Blue Bombers in the Grey Cup final with an easy 19-7 victory. The win, although authoritative, was not particularly impressive and the big question in the minds of some is whether Hamilton has had a sufficient test of strength in their Grey Cup tuneup.

The Bombers, on the other hand, played a tough, three-game final series with Edmonton Eskimos and managed to come through reasonably healthy.

Trimble, however, doesn't appear worried about the toughness of his players. On Sunday he will see a National Football League game in Detroit.

"It was a busman's holiday," he said. "I figured I might be something watching those guys." Assistant coach Ralph Sargeant team manager Len Back club physician Dr. Jim Chalmers went to Detroit with Trimble. They were guests of George Halas, coach and owner of the Chicago Bears.

Trimble will be gunning for second Grey Cup victory Saturday. The Ticats dumped Winnipeg 33-7 last year in Toronto, says his team will win again. "But Winnipeg is a threat in the final second. There is no margin for error."

## Johansson Has Good Chance To Get Title Shot

NEW YORK (AP) — Cus d'Amato, manager of heavyweight champion Floyd Patterson, said Monday Ingemar Johansson of Sweden has "as good a chance as any one" of fighting for the title.

D'Amato said he had met several times with Johansson and his manager, Edwin Ahlquist, within the last few days. He said no contracts had been signed and no definite arrangements had been made.

"We cleared the air at these meetings," said d'Amato. "We cleared up many misunderstandings that existed involving both of us . . . things I was supposed to have said and things they were quoted as saying."

"I think, in view of our new understandings, that when he (Johansson) goes back home he will have a new attitude as to thinking of what might happen."

## Newcombe Is Released On Bail

NEWARK, N.J. (AP) — Don Newcombe made a postponed appearance in court Monday and pleaded not guilty to an atrocious assault and battery indictment. He was released in \$1,500 bail.

Essex County Judge James R. Giuliano said last Tuesday when the Cincinnati Redlegs' pitcher failed to appear that if he didn't show up today a bench warrant would be issued.

It was the second adjournment granted Newcombe, who was barnstorming in Mexico. Newcombe is accused of hitting a former East Orange policeman, Ulysses Ross, last December in the tavern the pitcher owns here.

## THE SPORTS ARENA

HOWEVER, IMLACH doesn't intend to allow Leafs to play dead. He has told his players that they will get a one way ticket to the minors the minute he sees signs of letting up. He'll keep trying combinations to no end in the hope that Toronto will at least sew up the last playoff position.

It's a tough assignment for both Imlach and his Leafs but one that might just be attained. The next two weeks should be mighty important ones to Billy Reay and his boys.
