SPECIAL MESSAGE to CUSTOMERS of the

B of M HERE'S HOW

Your 2 Billion Dollars

OIL THE WHEELS OF PROGRESS

In a thousand ways, the money you have on deposit at the B of M is working for you and for Canada... creating new opportunities for Canadian enterprise and new jobs for Canadians in every calling.

Yes, in all fields of Canadian endeavour, your savings are helping finance projects large and small... supplying much of the money necessary for growth and expansion of our industry and commerce.

Let's take a look at the facts behind the figures in the B of M's annual report for 1955, and see how your money—in the form of loans and investments—oils the wheels of progress:

At the end of the Bank's year, October 31, 1955, over two million Canadians had on deposit at the B of M the sum of \$2,591,326,311—the highest year-end total on record. Although much of this money belongs to institutions and business firms, more than half of these deposits represent the personal savings of Canadians in every walk of life... savings that are bringing benefits to you and to Canada.

The money you save at the B of M is helping to ensure our country's expansion and progress—in the form of loans to Canadian farmers, miners, fishermen, oil men, lumbermen and ranchers; to industrial and business enterprises; to Provincial and Municipal Governments; and to salaried people in all walks of life. As of October 31, B of M loans totalled \$1,057,444,001—the highest in the Bank's history. In untold ways, these dollars are contributing dynamically to the maintenance and improvement of our standard of living.

At the close of the year, the B of M had \$975,361,319 invested in high-grade government bonds and other public securities which have a ready market. This money is helping to finance government projects for the betterment of the country and the welfare of Canadians at large. Other securities held by the Bank—which include a diversified list of high-quality short-term industrial issues—bring total investments to \$1,214,559,875.

The message these figures express is a confident and encouraging one. Actually, it is your message... for it is made possible by your savings.

In Memoriam

In memory of our darling son, and brother, Leslie Edwards. Your gentle face, and patient smile. With sadness we recall. You had a kindly word for each. And died beloved by all.

Lovingly remembered by Mother, Daddy, brothers, and sisters, also sister Mrs. Lawrence Cudmore.

In loving memory of my husband Joseph S. Carr who passed away in Dartmouth, N.S. on Nov. 22, 1947.

It is sweet to know that we shall meet.

Where partings are no more And that the one I love so well Has only gone before.

Inserted by his wife, Olive.

With tender thoughts of our baby daughter Vera Helen, who died November 22, and who is lovingly remembered by her father and mother, Mr. and Mrs. Russel Laughlin.

Our hearts are filled with memories of our darling. With all her sweet and gentle baby grace. We touch with tender hands her silky hair. And lovingly we kiss her winsome face.

We did not know the meaning then, of sorrow, Nor had we any thought of earthly harms. We only knew that she was ours forever— And held her safely there within our arms.

But now, when comes this sad November day, And snow falls softly through the cool, clear day, How we long once more to see our baby girl— So lovely and so fair.

In loving memory of Jasper Weatherbie who was killed Nov. 22, 1950.

Today brings back sad memories. No loving voice we hear. How lonely is our home Without you, father dear.

There comes a time to all of us When loved ones have to part. But precious memories linger on Forever in the heart.

CARD OF THANKS

I wish to thank Dr. Pierce, nurses and staff of the P.E. Island Hospital, the visiting clergymen and all who visited me while a patient there. Also those who sent cards, letters, treats and a special thank you to the neighbors who helped so much.

Mrs. Vaughn Murphy, Southport.
