New York: Stocks lower; motor shares sell off.

Montreal: Industrials lower; Moderate trading.

Toronto Stocks

TORONTO (CP)—The stock market suffered a sharp, though not severe, setback Tuesday in the wake of a decline on Wall Street. Industrial losses were widespread but mostly within a point and a handful of issues managed moderate gains.

Mines, particularly the coppers, encountered up to $2 in seniors.

Sales were lowest in more than five weeks at 7,407,000 shares.

Industrial losses outnumbered gains by more than two to one. Leading losers were Chrysler, off $3, and Industrial Acceptance down $2.50.

Aluminium turned upward in a late rally to post a $2.50 advance. Price Brothers moved up a point.

Noranda marked up a $2 loss to lead the mines down. Campbell Chibougamau slipped $1. Rare Earth dropped 45 cents.

Selected western oils advanced, led by Consolidated West Pete, up 3/8.

Index changes: Industrials down 2.07 to 466.10, golds up .11 to 88.46, base metals down 2.37 to 243.11 and western oils down 2.21 to 152.51.

Claim Federal Government Plundering Municipalities

OTTAWA (CP)—Financial problems of Canada's 4,000 municipal councils have been brought to the Commons floor by Opposition members. But Finance Minister Harris has rejected two proposals for federal aid.

Immediate sales and excise tax exemption for municipal and school board purchases and full payment of local taxes on federal property were demanded Monday by Opposition leader Drew.

CCF leader Coldwell and Social Credit leader Low supported his non-confidence motion embodying those two points. Debate on it continues toay.

Mr. Drew said the proposals would help end the "plundering" of municipalities by federal taxes, and would not infringe on provincial rights.

Mr. Coldwell said municipal payment of federal taxes is incongruous. He suggested that federal government payment of full local taxes on its property be accompanied by a review of municipal tax concessions to other property owners such as industries.

LIKE CHARGING CHILD

Mr. Low said federal taxation of purchases by local governments is like charging a child 25 cents to come to the dinner table. He also urged federal aid to provide low-interest borrowings by municipalities to avoid the high rates of the money market.

Mr. Harris said the government does not intend to make any changes this year in the Municipal Grants Act.

It had been amended last year to provide grants in lieu of taxes on all federal property exceding two per cent of a municipality's total assessment. The former level was four per cent, established in 1950 for a particular reason: Some municipalities were unfairly treated because of a concentration of federal government buildings.

As for sales and excise tax exemptions for local governments, Mr. Harris said exemption are generally undesirable. Exemption for one person created a demand by others for similar treatment.

WANT ACT REVIVED

Members of all three opposition parties suggested reviving part or all of the old Municipal Improvement Assistance Act under which municipalities could borrow money at two-per-cent interest for self-liquidating projects. It was suspended during the Second World War.

Mr. Harris said the act was passed in 1938 as a measure to promote employment. There was no point in reviving the act now unles municipalities found it impossible or very difficult to borrow money.

Hon. Earl Rowe (PC—Dufferin-Simcoe) said "it's not the letter of the constitution but the spirit of the government", which lets Ottawa sit back while municipal problems grow.

CARD OF THANKS

Mrs. W. L. McLeod and family wish to express their sincere thanks to Rev. Dr. A. S. Weir, and Dr. Sheppard, also to all their friends and neighbours for their many acts of kindness during their recent sad bereavement. Also those who sent flowers, letters and cards of sympathy.

IN MEMORIAM

MRS. W.W. MURPHY

The hearts of many were filled with sorrow on Sunday, March 18, when they learned of the sudden passing of Mrs. W.W. Murphy at the Charlottetown Hospital. Although the deceased had enjoyed apparently good health prior to entering hospital, she failed to make the anticipated recovery from treatment and passed away peacefully in the presence of those dearest to her.

Mrs. Murphy, the former Winnifred Carr, was born at Millvale, the daughter of the late Mr. and Mrs. James Carr. She lived the greater part of her married life at New Glasgow and Charlottetown.

She will be remembered everywhere not only as a loving wife and mother but as a kind friend to all, expecially to her nephews, nieces and grandchildren.

She leaves to mourn her bereaved husband and one daughter and two sons, (Marie) Mrs. Carl Dieghan, Toronto; Eugene, Toronto, William, Moncton, also three sisters, Mrs. J. Leoming Murphy, Millvale; Mrs. J.B. Fleming, Charlottetown, and Mrs. Eugene Kelly, Charlottetown.

Her funeral which was largely attended was held from her late residence to the Church of the Most Holy Redeemer, where Solemn High Mass of Requiem was celebrated by her Pastor, Rev. Gregory Murphy CssR., Rev. Fr. Allan CssR as Deacon, Rev. Father Doyle CssR Subdeacon and her nephew, Rev. Clifford Murphy as Master of Ceremonies. Interment was in the Catholic Cemetery. Rev. Gregory Murphy CssR conducted the service at the grave. The pallbearers were Mr. William McInnis, Mr. George Francis, Mr. Urban Blanchard, Mr. Earl James, Mr. L.O. Kelly and Mr. Alban Farmer.

May her soul rest in peace.
